July 15, 2019

Borough of Dumont

Dear Mayor & Council:

Thank you for your interest in purchasing Pierce fire apparatus through the Houston-Galveston Area Council (HGAC) cooperative purchasing program. You may notice that this is being issued in the name of Fire & Safety Services, rather than the manufacturer. Recent accounting regulations have required us to become the prime contractor for all orders, but in essence, nothing has changed other than to whom the PO and payments are made.

This letter serves as the quote under the HGAC Contract FS12-17. For this unit we used the base model TC06- Enforcer Pumper.

Pursuant to the regulations established under the HGAC program, we modified that base model to meet your departmental requirements. Pierce is offering an HGAC quoted price of **\$670,672.19** for the unit.

This apparatus would have a delivery time of 11.5 months from receipt of the purchase order.

With the HGAC process, since the terms of the agreement have already been negotiated between the vendors and HGAC, there is no need for a separate contract, just a PO made out to Fire & Safety Services Ltd., issued by, you, the customer. Fire & Safety would then send a copy of the official HGAC pricing worksheet along with a copy of the Purchase Order to the HGAC where they would issue an order confirmation. We would also coordinate all paperwork with the manufacturer to start the order with them. We would also provide you a copy of the official HGAC pricing worksheet for your records.

If you have any further questions please do not hesitate to contact us directly or your area sales representative, William "Bill" Ring.

Very truly yours,
David L. Russell
David L. Russell
President
