Mr. Jeff Epstein

Re: Open Public Records Act Request

Dear Mr. Epstein:

As you know, I am the Business Administrator and Custodian of Records for the Pinelands Regional School District Board of Education (the "Board" or the "District"). On November 16, 2017, I received your November 14, 2017 request for records (the "Request") pursuant to the Open Public Records Act ("OPRA" or the "Act"). The Request seeks "The name of all licensed waste haulers used during the year of 2017, as it relates to the roofing construction project at the high school. Please provide the name of each company, the dates that it served the district, and, If there are any contracts or agreements related to these companies (outside of the 400+ page construction contract, which I already have), please provide those as well." You will find attached the waste shipment record attached that lists the information you seek.

Circumstances beyond my control caused a delay in this response. I appreciate your patience. Upon your review of the above should you have any further questions please do not hesitate to contact me.

Sincerely,

Stephen J. Brennan, MBA, CPA
Business Administrator/Board Secretary
