Re: Open Public Records Act Request

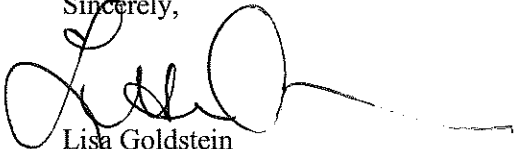

Dear Anonymous:

The District is in receipt of your request for records under the Open Public Records Act. Specifically, your request sought:

"I request any and all resumes of Kenneth Chanley and Joshua Chanley that are held by the Monroe Township School District. These include, but are not limited to, the resumes they submitted to obtain any teaching position, coaching position, or any other stipend position with the Monroe Township School District."

Your request is granted in part and denied in part. Your request for any and all resumes of Joshua Chanley that are held by the Monroe Township School District, is denied because the District has no records responsive to this request. See *Klock v. Newark Public Schools*, GRC Complaint No. 2013-242 (July 2014) (Finding that Custodian properly denied a request where there were no responsive documents); *Pusterhofer v. N.J. Dep't of Education*, GRC Complaint No. 2005-49 (July 2005) ("The Custodian has certified that the requested record does not exist. Therefore, the requested record cannot be released and there was no unlawful denial of access"). However, your request for any and all resumes of Kenneth Chanley that are held by the Monroe Township School District, is granted. Attached hereto please find responsive records. Please be advised that the records may have been redacted in accordance with the attorney-client privilege, the work-product doctrine, the privacy exception, the student information exception and/or the personnel records exception. See N.J.S.A. 47:1A-1; *L.R. v. Camden City Pub. Sch. Dist.*, 238 N.J. 547, 550 (2019).

Sincerely,

Lisa Goldstein
OPRA Secretary/Custodian of Records
