Monroe Township IT Department

Dear Monroe Township School District (Middlesex),

This is a request for public records made under OPRA and the common law right of access. I am not required to fill out an official form. Please acknowledge receipt of this message.

Records requested:

Documents that show how much additional student capacity will be created after proposed expansions to MTMS, MTHS, and Applegarth School are made. These documents, which should be possessed by the Director of Facilities, should show the revised building capacity of these three buildings. Currently, MTMS has a building capacity of 1,256 students, MTHS has a building capacity of 1,813 students, and Applegarth School has a building capacity of 255 students.

The public must be provided with the revised building capacity after all expansions are made if referendum is successful.

Yours faithfully,

Truth Seeker
