Re: Open Public Records Act Request

Dear Truth Seeker:

The Board is in receipt of your request for records under the Open Public Records Act. Specifically, your request sought:

“Documents that show how much additional student capacity will be created after proposed expansions to MTMS, MTHS, and Applegarth School are made. These documents, which should be possessed by the Director of Facilities, should show the revised building capacity of these three buildings.

Currently, MTMS has a building capacity of 1,256 students, MTHS has a building capacity of 1,813 students, and Applegarth School has a building capacity of 255 students.”

Your request is granted. Attached hereto please find responsive documents.

Sincerely,

Lisa Goldstein
Custodian of Records
