Re: Open Public Records Act (OPRA) Request – RFP Advertising and Responses for Professional Services

Dear Ms. Barras:

Pursuant to the New Jersey Open Public Records Act (N.J.S.A. 47:1A-1 et seq.), as recently amended by P.L. 2024, c.75, I hereby request access to the following public records for the full duration of the statutory retention period:

(1) All advertisements and public notices soliciting Requests for Proposals (RFPs) for all Professional Services, including but not limited to the municipal attorney.

(2) All responses submitted in reply to those RFPs, including all proposals, cover letters, pricing forms, certifications, and related materials submitted by respondents.

This request seeks copies of actual records—not summaries, explanations, or conclusions.

Certification Pursuant to OPRA Amendments (P.L. 2024, c.75):
