**Re: Request for Proposal for Professional Services
LACEY TOWNSHIP BOARD OF EDUCATION ATTORNEY**

Dear Mr. DeGeorge:

We are pleased to provide our proposal in support of our request to be considered by the Lacey Township Board of Education for appointment to the position of Board Attorney. We have attached our firm résumé as well as the curriculum vitae of the members of our firm. Attached to our firm resume is a list of our reported cases. If we are appointed to the position of Board Attorney, Thomas Monahan will be the principal responsible person representing the Board. Both I and our associate Martin Buckley will assist as necessary in order to provide the best service possible to the Lacey Township Board of Education.

We have extensive experience in representing numerous governmental entities, including labor negotiations and personnel matters in Ocean, Monmouth, Mercer and Burlington Counties. We have either in the past or now represent numerous governmental entities, including the Barnegat Township Board of Education, Central Regional Board of Education (Special Counsel), Boroughs of Point Pleasant, Ship Bottom, Surf City and Tinton Falls (Special Litigation Counsel), Barnegat Township, and Ocean Township (Waretown). We have also been appointed to serve as part of New Jersey Schools Insurance Group as general litigation attorney.

In addition, our firm has vast experience representing board of education throughout Ocean County. Thomas Monahan represented the Dover Township/Toms River Board of Education for approximately 12 years. He has represented the Manchester Township Board of Education for approximately 15 years. He has served as Special Counsel to the Brick Township Board of Education, Lakewood Board of Education and Berkeley Township Board of Education. Martin Buckley and I have represented the Barnegat Township Board of Education for approximately 7 years.

In our capacities as municipal solicitors and special counsel, our firm has negotiated collective bargaining agreements successfully on behalf of governmental entities on many occasions. Additionally, our firm has regularly appeared in administrative law proceedings. My partner, Christopher K. Koutsouris, Esquire, has completed a course of study from Rutgers University, and is Certified in Public Sector Labor Relations. I am honored to be the recipient of the Fred G. Stickel Award in 2016 for outstanding and dedicated work in the local government law field by the Institute of Local Government Attorneys.

Our firm is pleased and honored that two (2) of our partners, Christopher J. Connors, Esquire and Gregory P. McGuckin, Esquire are members of the New Jersey Legislature. Those positions are helpful to our firm in assisting our government clients. We are able to provide our clients with up to date legislation, modifications and changes in the laws, issues concerning funding, *et cetera*.

Our law firm is composed of 13 attorneys, most of whom primarily provide services in the government law field. Gregory McGuckin, Christopher J. Connors, Thomas Monahan, Martin Buckley and I represent numerous planning boards, municipal utilities authorities, boards of education and other governmental entities throughout Ocean, Monmouth, Burlington and Mercer Counties. We are of course available to accommodate any required meetings of the Lacey Township Board of Education. We have an ample support staff of 11 secretaries/paralegals/bookkeeping staff who are fully capable of providing the necessary services.

The rate of compensation is always important to any governmental body and its taxpayers. Our fee for services rendered in the event that we are honored to be selected to represent the Lacey Township Board of Education as Board Attorney would be \$150.00 per hour for partners and \$135.00 for associates, and reimbursement for all out-of-pocket expenses. Unlike some law firms we would not charge for paralegal or secretary time.

No member of our firm has ever been convicted or had a sentence imposed or suspended, or had pronouncement of a sentence suspended, or been pardoned for conviction of, or plead guilty of a *nolo contendere* to any of the offenses to which the Board seeks information. I am also pleased to inform the Board that no member of our firm has ever been refused a professional or vocational license, nor has any member's license ever been suspended or revoked. No company to which any member of my firm has ever been an officer, director, key employee or controlling stockholder has ever become insolvent while a member has been occupying any such position or capacity, nor has there even been entered an order to cease and desist from violating any law.

We believe it is important that you speak with persons who are otherwise familiar with the level of service that this firm can provide. We therefore request that the Board consider speaking to the following persons who we believe will indicate the quality of the work we undertake:

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM

Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a "fair and open" process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - o of the public entity awarding the contract
 - o of that county in which that public entity is located
 - o of another public entity within that county
 - o or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

N.J.S.A. 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an "interest" ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, "a contribution by that person's spouse or child, residing therewith, shall be deemed to be a contribution by the business entity." [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor's responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor's submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

N.J.S.A. 19:44A-3(s): "The term "legislative leadership committee" means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures."
