## Notations

| Notations                                                                                                                                                    |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| I was advised by Sgt. Smith that NSRS refused to transport a subject to APS after they were toned out and arrived on scene. River Road Rescue took the call. |
