Jennifer Mai

Ms. Mai,

As you are aware, I am the Business Administrator for the Pinelands Regional Board of Education (the "Board"), which conducts and supervises the schools of the Pinelands Regional School District (the "District"). As such, I am in receipt of your May 6, 2024 OPRA request which sought the following:

I was advised by admin that Ruth Welch is a reading specialist, and I would like to see her credentials along with services and payments as an individual and her LLC from 2019-present

I require an extension of time to respond to your request until May 24, 2024, due to the fact that I am still collecting the information. OPRA allows for the Records Custodian to advise of the need for an extension pursuant to N.J.S.A 47:1A-5.i. Specifically, OPRA states that, "the requestor shall be advised by the custodian when the record can be made available. If the record is not made available by that time, access shall be deemed denied."

Regards,
