Re: OPRA NO. 2023-113

Dear Mr. Toby:

The County of Salem received your Open Public Records Act (OPRA) request on May 18, 2023. As such, the seven (7) business day deadline to respond to your request is May 30, 2023. This response to your request is being provided to you on the 7th business day after the custodian's receipt of said request.

Your OPRA request sought access to the following:

"Provide the following: 1. A list in csv file by block and lot owner name and address of all properties that are in the cannabis zones; 2. I would like a copy of the current cannabis zone map; 3. A list of all vacant land; 4. A list of all wetlands."

The following records are being provided in their entirety and are responsive to your request:
Most recent wetlands map based on NJ DEP data and vacant land map for Salem County.

These records are being transmitted to you via e-mail, as per your request.

The following records are being denied:

Item No. 1 and Item No. 2 - No responsive records exist to fulfill these requests. Since zoning is handled on the municipal level, you may wish to reach out to the individual municipalities for these items.

If your request for access to a government record has been denied or unfilled within the seven (7) business days required by law, you have a right to challenge the decision by the County of Salem to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the Government Records Council ("GRC") by completing the Denial of Access Complaint Form. You may contact the GRC by toll-free telephone at 866-850-0511, by mail at P.O. Box 819, Trenton, NJ, 08625, by e-mail at grc@dca.state.nj.us, or at their web site at www.state.nj.us/grc. The Council can also answer other questions about the law. All questions regarding complaints filed in Superior Court should be directed to the Court Clerk in your County.

Sincerely,
Sharon Whittick, OPRA Custodian
