Subject: [EXTERNAL] Sativa Wellness resolution of support

Good morning Robert,

I hope this email finds you well. As you may recall, our client Sativa Wellness received a Resolution of Support from Evesham for a Class 5 cannabis dispensary. Sativa Wellness has found a different, compliant location — 601 Route 70 West, Marlton, NJ 08053 — and is requesting an updated resolution from Council reflecting the new address. We would also like to remove the microbusiness language in the original resolution — the only impact of which will be an increase in fees due to the Township since the ordinance does not differentiate between annual or microbusiness approvals as it relates to the Township cap.

According to the Township website, the next Council meeting is scheduled for 6/28, and if possible, we would like to aim for these adjustments to be approved at that time. Please let me know what you need from our end, and as always, thank you for your help.

Best,

Michael Pock
