Re: OPRA Request

Dear Requestor:

The Lakewood Fire District No. 1 received your Open Public Records Act (OPRA) request on Thursday, March 26, 2026. As you had indicated that this request is for

All self contained breathing apparatus (SCBA) purchase, testing, repair, hydrostatic testing and routine maintenance invoices from 2020 to present

The deadline to respond to your request was on April 6th, 2026. I emailed you letting you know that there was a delay because of the Holiday and we are truly sorry for that.

See attached invoices as per your OPRA request.

Very truly yours,
Board of Fire Commissioners
