Dear Mr. Tony Michael,

The Fire Commissioners of Franklin Township Fire District #2 are in receipt of your OPRA request. Due to the expansiveness of your request, the district will require additional time to complete your request. We anticipate that records identified as responsive to your request, with any redactions as required by law, will be available to you by the close of business on April 10, 2026. See *Scheeler v. N.J. Dep't of Educ.*, GRC Complaint No. 2014-123 (Feb. 2016) (validating extension of time under N.J.S.A. 47:1A-5(g), and N.J.S.A. 47: 1A-5(i)).

In addition, we do not have the format in which you are requesting and due to this we will be providing you with a printed copy of each invoice. Due to the number of Invoices, we will also be charging you for the request. Per our Fee schedule, the fee will be \$29.24 for reproduction fees and postage.

Please take note that for us to release your request we will need full payment in advance. Our office manager will provide you with payment details. Thank you.

Sincerely,
