Re: Open Public Records Act Request

Dear Sir:

The West Orange Public Schools ("District") records custodian received your Open Public Records Act ("OPRA") request on January 18, 2023. On January 25, 2023, the District obtained an extension of time to respond until February 3, 2023. As such, the District is timely responding to your request in accordance with New Jersey law.

Your OPRA request seeks the following records:

[A] copy of the school physicians contract for the 2022-2023 school year. Additional any contracts with physicians for sporting event

Please be advised that the District conducted a good-faith search, but it is not in possession of a responsive contract(s). However, the District identified the enclosed invoice and purchase order as potentially responsive to your request. Pursuant to N.J.S.A. 47:1A-1.1, an account number has been redacted in order to protect the District's financial property. See Yoskin v. N.J. Dep't of Environmental Protection, GRC Complaint No. 2009-17 (2010) (holding that bank account and routing numbers should be redacted because "its disclosure may lead to improprieties or theft"); see also R. 1:38-7 (providing that an "active financial account number" constitutes a confidential personal identifier).

Your OPRA request is now deemed answered and closed. Thank you for your attention to this matter.

Very truly yours,

Tonya M. Flowers/dj
