Re: OPRA Request BOE-0057-22

Dear Mr. Duff:

I am in receipt of your recent OPRA request, whereby you requested the following:

Records requested:

1. Number of registered voters in Maple Shade for the 2022 Primary Elections, please break down by party.
2. Number of total votes received for the 2022 primary elections, please break down by parties and candidates.
3. The Number of Mail in votes for the 2022 Primary, as well as the number of in person voters, please break down by parties and candidates.

Regarding the first part of Item 3, attached please find the documents responsive to your request for mail in ballots. As for the remaining items, please be advised that a search of our files indicates that there are no documents or records made, maintained or kept on file by the Burlington County Board of Elections responsive to your request. Please also be advised that we are not the Custodian of Records for the Burlington County Superintendent of Elections nor the Burlington County Clerk. They are distinct governmental entities with their own custodians of records. A request to those entities might yield responsive records.

We now consider our response complete. Thank you for the opportunity to be of assistance.

Sincerely,

A handwritten signature in black ink that reads "Linda Hughes".

Linda Hughes
Administrator
