

RESOLUTION 2021:118

WHEREAS, the State of New Jersey has instituted a Direct Install Program for Government Entities, and

WHEREAS, the Borough of Lindenwold completed an Energy Assessment to identify potential savings for various Borough Properties in connection with this program, and

WHEREAS, the Borough of Lindenwold had participated in this program in 2012, and

WHEREAS, Hutchinson is the Participating Contractor under this Program.

THEREFORE, BE IT RESOLVED by the Mayor and Borough Council of the Borough of Lindenwold that the Mayor and Governing Body authorizes participation in this program for various Municipal Properties as a saving for the taxpayers.

DATED: June 9, 2021

Deborah C. Jackson, RMC
Borough Clerk

**DIRECT INSTALL PROGRAM
PARTICIPATION AGREEMENT
SCOPE OF WORK ATTACHMENT**

"Parties":

Participating Customer*:	<u>Boro of Lindenwold</u>		
Participating Contractor*:	<u>Hutchinson</u>		
Facility Name*:	<u>Boro of Lindenwold (Community Center)</u>		
Facility Address:	<u>2119 S. White Horse Pike</u>	<u>Lindenwold ,</u>	<u>NJ 08021</u>
	Street	City	Zip

*as listed on Application

When fully signed, this Scope of Work Attachment ("Attachment") shall become part of the Direct Install Program Participation Agreement ("Participation Agreement") previously executed by the Parties in connection with the installation of energy efficiency retrofit Measures to be performed by the Participating Contractor (or "Contractor") at the above listed Facility. This Attachment, together with the Participation Agreement shall constitute the full Agreement between the Parties. Terms capitalized herein are defined in the Participation Agreement.

The Participating Customer (or "Customer") agrees to have Contractor perform retrofit work in connection with the Measures listed on page 2 of this form (attached). In consideration of the Contractor's performance of such work, Customer agrees to pay Contractor based on the measure costs listed below under Customer Unit Cost for the number of completed units for each Measure upon receipt of invoice; provided the Contractor may collect a deposit from Customer prior to performing such work, in which case the final invoice shall be net of such deposit. Customer and Contractor understand that conditions discovered during installation may require that some measures identified in the energy assessment cannot be installed, or some areas may require additional measures/quantities to be installed. Should conditions in the field dictate that the Estimated Program Total Cost shown on page 2 increase by more than 10%, Contractor must obtain both Program Administrator and Customer written approval in the form of an amended Scope of Work Attachment before proceeding with such additional work.

By signing below, the Parties agree the above listed Measures shall be installed by the Contractor. The Customer shall pay the Contractor as described herein following Completion and Acceptance of Measures. Customer certifies that he/she has the authority to contract for retrofit work in the Facility in connection with the Measures listed and, if the Customer does not own the Facility, the Owner has granted permission to Customer for performance of such work.

HELPFUL DEFINITIONS

Average temperature - daily temperature during the specified period.

CCF - 100 cubic feet of gas, the measurement of your gas used by volume.

CF (Cubic Foot) - unit of measure for natural gas.

Customer Charge - monthly charge that covers fixed costs of providing you with natural gas service.

Delivery Charge - cost of moving natural gas through our pipelines to the meter at the service address. The Delivery Charge is made up of the following combined tariff rates: Base Rate, Transportation Initiation Clause, Clean Energy Program, Remediation Adjustment Clause, Universal Service Fund, Conservation Incentive Program, Energy Efficiency Tracker and Balancing Service Clause, which when rounded and combined for billing purposes, may yield a slight variation from the Delivery Charge reflected on a customer bill.

Estimated Reading - occurs when an actual reading of your meter cannot be obtained and is calculated based on weather conditions and past consumption. In your usage details, estimated readings are noted with an asterisk (*).

Gas Charge (BGSS) - cost for energy used (calculated by multiplying the total therms used by the price per therm).

Heating Degree Days - measure of coldness for a specified period based on the difference between 65° F and the average daily temperature.

Marketer Charges (Third Party Suppliers) - appear instead of Gas Charge (BGSS) if you have selected a gas supplier other than South Jersey Gas. You agreed to pay these charges with your energy marketer when you switched suppliers. If you feel you have been switched without your knowledge please contact us.

Therm - unit of heat measurement used to calculate your charges. It is the equivalent to 100,000 British thermal units (Btu).

Therm Factor - number used to convert cubic feet into therms and the unit heat measurement used to calculate your charges.

RESIDENTIAL CUSTOMER RIGHTS

- If you can't pay your bill on time, call our Customer Contact Center to request a deferred payment arrangement. 1.888.766.9900
- If you wish to dispute a charge, contact our Customer Contact Center before the due date on the bill. You may also contact the Board of Public Utilities (BPU) at 1.800.624.0241 or 1.609.341.9188 to request assistance with a disputed charge or request a formal hearing (you may be represented by counsel or a third party at a formal hearing). If you report a disputed charge to the BPU within five (5) days of receiving it, we cannot shut off your service while the dispute is under investigation, as long as you pay all undisputed charges.
- If you are age 65 or older, at your request, we will call you before taking action on a past due bill.
- You may designate a third party to receive a copy of any shut-off notice, but the third party is not responsible for paying the bill.

HELPFUL DEFINITIONS

Average temperature - daily temperature during the specified period.

CCF - 100 cubic feet of gas, the measurement of your gas used by volume.

CF (Cubic Foot) - unit of measure for natural gas.

Customer Charge - monthly charge that covers fixed costs of providing you with natural gas service.

Delivery Charge - cost of moving natural gas through our pipelines to the meter at the service address. The Delivery Charge is made up of the following combined tariff rates: Base Rate, Transportation Initiation Clause, Clean Energy Program, Remediation Adjustment Clause, Universal Service Fund, Conservation Incentive Program, Energy Efficiency Tracker and Balancing Service Clause, which when rounded and combined for billing purposes, may yield a slight variation from the Delivery Charge reflected on a customer bill.

Estimated Reading - occurs when an actual reading of your meter cannot be obtained and is calculated based on weather conditions and past consumption. In your usage details, estimated readings are noted with an asterisk (*).

Gas Charge (BGSS) - cost for energy used (calculated by multiplying the total therms used by the price per therm).

Heating Degree Days - measure of coldness for a specified period based on the difference between 65° F and the average daily temperature.

Marketer Charges (Third Party Suppliers) - appear instead of Gas Charge (BGSS) if you have selected a gas supplier other than South Jersey Gas. You agreed to pay these charges with your energy marketer when you switched suppliers. If you feel you have been switched without your knowledge please contact us.

Therm - unit of heat measurement used to calculate your charges. It is the equivalent to 100,000 British thermal units (Btu).

Therm Factor - number used to convert cubic feet into therms and the unit heat measurement used to calculate your charges.

RESIDENTIAL CUSTOMER RIGHTS

- If you can't pay your bill on time, call our Customer Contact Center to request a deferred payment arrangement.
1.888.766.9900
- If you wish to dispute a charge, contact our Customer Contact Center before the due date on the bill. You may also contact the Board of Public Utilities (BPU) at 1.800.624.0241 or 1.609.341.9188 to request assistance with a disputed charge or request a formal hearing (you may be represented by counsel or a third party at a formal hearing). If you report a disputed charge to the BPU within five (5) days of receiving it, we cannot shut off your service while the dispute is under investigation, as long as you pay all undisputed charges.
- If you are age 65 or older, at your request, we will call you before taking action on a past due bill.
- You may designate a third party to receive a copy of any shut-off notice, but the third party is not responsible for paying the bill.
- To learn more, visit southjerseygas.com/customer-rights

NEWS FROM SOUTH JERSEY GAS

- April is Safe Digging Month:**
If you plan to install a fence, plant some bushes or dig into the ground for any other reason, remember that you must call 8-1-1, the NJ Safe Digging Hotline, at least 3 full business days in advance. Professionals will come to mark out underground utilities. It's for your safety and it's the law. For more information check out southjerseygas.com/safety
- N.J. Extends Utility Shutoff Moratorium:**
The State of New Jersey has extended the utility shutoffs moratorium until June 30, 2021. While customers may continue to receive bills and late payment notices, South Jersey Gas is committed to working with you to establish a Payment Arrangement. Contact us today to find out how we can work together to address an overdue balance by calling 1.888.766.9900.
- Additional Energy Assistance Available:**
Among the resources available to those struggling to pay their energy bills, applications are open until June 30 for recipients of the federal LIHEAP grant who may be eligible to receive an additional grant of up to \$700.00. To learn more, you can call 1.888.766.9900 or visit southjerseygas.com/energyassistance.

HELPFUL DEFINITIONS

Average temperature - daily temperature during the specified period.

CCF - 100 cubic feet of gas, the measurement of your gas used by volume.

CF (Cubic Foot) - unit of measure for natural gas.

Customer Charge - monthly charge that covers fixed costs of providing you with natural gas service.

Delivery Charge - cost of moving natural gas through our pipelines to the meter at the service address. The Delivery Charge is made up of the following combined tariff rates: Base Rate, Transportation Initiation Clause, Clean Energy Program, Remediation Adjustment Clause, Universal Service Fund, Conservation Incentive Program, Energy Efficiency Tracker and Balancing Service Clause, which when rounded and combined for billing purposes, may yield a slight variation from the Delivery Charge reflected on a customer bill.

Estimated Reading - occurs when an actual reading of your meter cannot be obtained and is calculated based on weather conditions and past consumption. In your usage details, estimated readings are noted with an asterisk (*).

Gas Charge (BGSS) - cost for energy used (calculated by multiplying the total therms used by the price per therm).

Heating Degree Days - measure of coldness for a specified period based on the difference between 65° F and the average daily temperature.

Marketer Charges (Third Party Suppliers) - appear instead of Gas Charge (BGSS) if you have selected a gas supplier other than South Jersey Gas. You agreed to pay these charges with your energy marketer when you switched suppliers. If you feel you have been switched without your knowledge please contact us.

Therm - unit of heat measurement used to calculate your charges. It is the equivalent to 100,000 British thermal units (Btu).

Therm Factor - number used to convert cubic feet into therms and the unit heat measurement used to calculate your charges.

RESIDENTIAL CUSTOMER RIGHTS

- If you can't pay your bill on time, call our Customer Contact Center to request a deferred payment arrangement.
1.888.766.9900
- If you wish to dispute a charge, contact our Customer Contact Center before the due date on the bill. You may also contact the Board of Public Utilities (BPU) at 1.800.624.0241 or 1.609.341.9188 to request assistance with a disputed charge or request a formal hearing (you may be represented by counsel or a third party at a formal hearing). If you report a disputed charge to the BPU within five (5) days of receiving it, we cannot shut off your service while the dispute is under investigation, as long as you pay all undisputed charges.
- If you are age 65 or older, at your request, we will call you before taking action on a past due bill.
- You may designate a third party to receive a copy of any shut-off notice, but the third party is not responsible for paying the bill.

ANNUAL COMPARISON

NEWS FROM SOUTH JERSEY GAS

1 Stay Safe and Beware of Scammers:

Unfortunately, scammers are using this time of health and financial uncertainty to attempt to deceive you. Never give out financial or personal identification information to anyone initiating contact with you, and always ask for a company photo ID from anyone asking to enter your home or business. Be aware that South Jersey Gas will never ask you to pay your bill by purchasing and mailing us gift cards or pre-paid debit cards. If you're unsure, you can always use the My Account portal to verify your account information and balance, or call us at 1.888.766.9900.

1 Energy Assistance Programs Available:

Please take advantage of available assistance options if you need help paying your gas bill. Applications are open for the Low-Income Home Energy Assistance Program (LIHEAP). Also, the Payment Assistance for Gas and Electric (PAGE), Universal Service Fund (USF) and several other programs are available to help. For more info please call 1.888.766.9900 or visit southjerseygas.com/energyassistance.

1 Independence Day and Holiday Hours:

South Jersey Gas wishes everyone a happy and safe Independence Day celebration. To help you enjoy a safe holiday, please take a moment to view some of our grilling and other safety tips at southjerseygas.com/safetytips. Our Customer Call Center will be closed starting July 2nd and then will reopen on Tuesday July 6th.

1 Call 811 Before you Dig:

If you plan to install a fence, plant some bushes or dig into the ground, call 8-1-1, the NJ Safe Digging Hotline, at least 3 business days in advance. Professionals will mark out underground utilities. It's for your safety and it's the law. For more information visit southjerseygas.com/safety.

1 Auto Pay:

Enjoy the convenience of one less bill to worry about each month. Your payment is automatically deducted from your checking or savings account with no fee. Or, if you prefer, have your payment automatically deducted from your credit or debit card with a convenience fee. It's easy. Learn more at myaccount.southjerseygas.com.

HELPFUL DEFINITIONS

Average temperature - daily temperature during the specified period.

CCF - 100 cubic feet of gas, the measurement of your gas used by volume.

CF (Cubic Foot) - unit of measure for natural gas.

Customer Charge - monthly charge that covers fixed costs of providing you with natural gas service.

Delivery Charge - cost of moving natural gas through our pipelines to the meter at the service address. The Delivery Charge is made up of the following combined tariff rates: Base Rate, Transportation Initiation Clause, Clean Energy Program, Remediation Adjustment Clause, Universal Service Fund, Conservation Incentive Program, Energy Efficiency Tracker and Balancing Service Clause, which when rounded and combined for billing purposes, may yield a slight variation from the Delivery Charge reflected on a customer bill.

Estimated Reading - occurs when an actual reading of your meter cannot be obtained and is calculated based on weather conditions and past consumption. In your usage details, estimated readings are noted with an asterisk (*).

Gas Charge (BGSS) - cost for energy used (calculated by multiplying the total therms used by the price per therm).

Heating Degree Days - measure of coldness for a specified period based on the difference between 65° F and the average daily temperature.

Marketer Charges (Third Party Suppliers) - appear instead of Gas Charge (BGSS) if you have selected a gas supplier other than South Jersey Gas. You agreed to pay these charges with your energy marketer when you switched suppliers. If you feel you have been switched without your knowledge please contact us.

Therm - unit of heat measurement used to calculate your charges. It is the equivalent to 100,000 British thermal units (Btu).

Therm Factor - number used to convert cubic feet into therms and the unit heat measurement used to calculate your charges.

NEWS FROM SOUTH JERSEY GAS

- i** **Stay Informed:**
The Customer Bill of Rights has recently been updated based on the impacts of COVID-19. Visit southjerseygas.com/customer-rights to view updates.
- i** **New Utility Bill Assistance Programs:**
New Utility Assistance programs started on October 1 with expanded eligibility and increased monthly benefit amounts. The New Jersey Department of Community Affairs and local county offices are also sending out information about how to use federal relief funds to pay off overdue utility and rent bills. For more information, please call 1.888.766.9900 or visit southjerseygas.com/energyassistance.
- i** **Sign Up for My Account & Avoid Postal Delays:**
Updates to the United States Postal Service (USPS) service standards may delay mail from South Jersey Gas to you, or could slow the return of your bill payments to South Jersey Gas. My Account offers many convenient and secure ways to manage your bill online. Access your account from anywhere, pay your bill in real time and opt in for Paperless Billing, Auto Pay and more. Skip the post office and start enjoying convenience today at myaccount.southjerseygas.com.
