HELPFUL DEFINITIONS

Average temperature - daily temperature during the specified period.

CCF - 100 cubic feet of gas, the measurement of your gas used by volume.

CF (Cubic Foot) - unit of measure for natural gas.

Customer Charge - monthly charge that covers fixed costs of providing you with natural gas service.

Delivery Charge - cost of moving natural gas through our pipelines to the meter at the service address. The Delivery Charge is made up of the following combined tariff rates: Base Rate, Transportation Initiation Clause, Clean Energy Program, Remediation Adjustment Clause, Universal Service Fund, Conservation Incentive Program, Energy Efficiency Tracker and Balancing Service Clause, which when rounded and combined for billing purposes, may yield a slight variation from the Delivery Charge reflected on a customer bill.

Estimated Reading - occurs when an actual reading of your meter cannot be obtained and is calculated based on weather conditions and past consumption. In your usage details, estimated readings are noted with an asterisk (*).

Gas Charge (BGSS) - cost for energy used (calculated by multiplying the total therms used by the price per therm).

Heating Degree Days - measure of coldness for a specified period based on the difference between 65° F and the average daily temperature.

Marketer Charges (Third Party Suppliers) - appear instead of Gas Charge (BGSS) if you have selected a gas supplier other than South Jersey Gas. You agreed to pay these charges with your energy marketer when you switched suppliers. If you feel you have been switched without your knowledge please contact us.

Therm - unit of heat measurement used to calculate your charges. It is the equivalent to 100,000 British thermal units (Btu).

Therm Factor - number used to convert cubic feet into therms and the unit heat measurement used to calculate your charges.

RESIDENTIAL CUSTOMER RIGHTS

- If you can't pay your bill on time, call our Customer Contact Center to request a deferred payment arrangement. 1.888.766.9900
- If you wish to dispute a charge, contact our Customer Contact Center before the due date on the bill. You may also contact the Board of Public Utilities (BPU) at 1.800.624.0241 or 1.609.341.9188 to request assistance with a disputed charge or request a formal hearing (you may be represented by counsel or a third party at a formal hearing). If you report a disputed charge to the BPU within five (5) days of receiving it, we cannot shut off your service while the dispute is under investigation, as long as you pay all undisputed charges.
- If you are age 65 or older, at your request, we will call you before taking action on a past due bill.
- You may designate a third party to receive a copy of any shut-off notice, but the third party is not responsible for paying the bill.

Customer Bill of Rights

The New Jersey Board of Public Utilities (BPU) recently updated the Customer Bill of Rights for all utility customers. Please review the customer rights and contact South Jersey Gas Customer Service at 1.888.766.9900 or the BPU at 1.800.624.0241 if you have any questions.

1. You have the right to utility service if you are a qualified applicant.
2. You have the right to budget billing or payment plans if you are an electric or gas customer.
3. You are entitled to at least one deferred payment plan within a twelve-month period. The deferred payment agreement offered to you by the utility company must be for at least a minimum term of twelve (12) months with no money down. Your utility company may not require a reconnection fee or deposit as a condition of continuing service, and late charges, interest and liens for past due amounts are not permitted during the grace period.*
4. You have the right to apply for utility assistance programs which may include arrearage forgiveness. Learn more by calling your utility company or by calling 2-1-1. Information is also available online at www.nj211.org/utility-assistance-programs.
5. Any disconnected gas, electric, and water customer who can demonstrate that application has been made to one of the following assistance programs, as applicable, shall be reconnected by that gas, electric, and water company upon request in order to obtain available benefits: Universal Service Fund; Low Income Home Energy Assistance; Payment Assistance for Gas and Electric, and Low Income Household Water Assistance.¹
6. You have the right to have any complaint you make against your utility company handled promptly by that utility company.
7. You have the right to have your utility complaints and concerns investigated. Your service may not be terminated for non-payment of disputed charges during a BPU investigation.
8. You have the right to have your meter tested free of charge once a year by your utility company if you suspect it is not working properly. For a \$5 fee, the meter test will be conducted under the supervision of the staff of the BPU.
9. You have the right to a written notice of termination from your utility company at least ten days prior to the discontinuance of service.
10. If you are a participant in an energy assistance program or a gas and/or electric customer having financial difficulties paying your bill, you can request the company enroll you in a budget plan based on your ability to pay. Provided you make good faith payments toward all reasonable bills for service, you have the right to gas and electric utilities service from November 15 to March 15 without fear of termination of such service(s) under the Winter Termination Program.
11. You have the right to receive posted notice of any impending shutoff if you live in a multi-family dwelling. This notice must be posted in a common area and/or sent individually to occupants.
12. You have the right to have a "diversion of service" investigation if you suspect the level of consumption reflected in your utility bill is unexplainably high.
13. Service shall not be shut-off for non-payment of repair or merchandise charges. No notice threatening discontinuance based on these charges may be given.
14. You have the option of having a deposit refund applied to your account as a credit or having the deposit refunded by separate check.
15. A utility may not impose late fees, interest, or liens on residential customer accounts due to late payments.
16. After December 31, 2021, residential gas, electric, and water and sewer utilities are permitted to inform customers that they are subject to termination of service due to nonpayment unless the customer is a participant of the Winter Termination Program.*
17. After December 31, 2021, residential gas, electric, water, and sewer utilities are permitted to disconnect service due to nonpayment provided, however, a disconnection may occur at any time if it is to prevent a risk to public health or safety.*
18. After December 31, 2021, residential service may be shut-off, after proper notice, only on Monday through Thursday from 8:00 a.m. to 4:00 p.m. A utility may not shut-off residential service on Friday, Saturday, Sunday, or a holiday or the day before a holiday, or if a valid medical emergency exists in your household.*
19. You have the right to notification regarding any moratorium on rate increases.*

¹The Low Income Household Water Assistance program is a new program designed for water utility customers, that is currently being developed by the Department of Consumer Affairs ("DCA"). The DCA anticipates the program will be implemented in October 2021.

In response to the COVID-19 pandemic, Governor Murphy signed a series of Executive Orders that established certain temporary rights to utility customers in the State. All Executive Orders signed by Governor Murphy are published in the New Jersey Register and are also available online at: <https://nj.gov/infobank/eo/056murphy/>. Those specific rights are denoted by an asterisk () in this document and are subject to change under the direction of the Governor.

Customer Bill of Rights

The New Jersey Board of Public Utilities (BPU) recently updated the Customer Bill of Rights¹ for all utility customers, effective January 1, 2022. Please review the customer rights and contact South Jersey Gas Customer Service at 1.888.766.9900 or the BPU at 1.800.624.0241 if you have any questions.

1. You have the right to utility service if you are a qualified applicant.
2. You have the right to budget billing or payment plans if you are a gas or electric utility customer.
3. You are entitled to at least one deferred payment plan within a twelve-month period. The deferred payment agreement offered to you by the utility company must be for at least a minimum of twelve (12) months with no money down, unless you request a shorter payback period. Your utility company may not require a reconnection fee or deposit as a condition of continuing service, and late charges, interest and liens for past due amounts are not permitted during the grace period. Any deferred payment plan offered by the utility company to you must comply with current law and regulations.

HELPFUL DEFINITIONS

Average temperature - daily temperature during the specified period.

CCF - 100 cubic feet of gas, the measurement of your gas used by volume.

CF (Cubic Foot) - unit of measure for natural gas.

Customer Charge - monthly charge that covers fixed costs of providing you with natural gas service.

Delivery Charge - cost of moving natural gas through our pipelines to the meter at the service address. The Delivery Charge is made up of the following combined tariff rates: Base Rate, Transportation Initiation Clause, Clean Energy Program, Remediation Adjustment Clause, Universal Service Fund, Conservation Incentive Program, Energy Efficiency Tracker and Balancing Service Clause, which when rounded and combined for billing purposes, may yield a slight variation from the Delivery Charge reflected on a customer bill.

Estimated Reading - occurs when an actual reading of your meter cannot be obtained and is calculated based on weather conditions and past consumption. In your usage details, estimated readings are noted with an asterisk (*).

Gas Charge (BGSS) - cost for energy used (calculated by multiplying the total therms used by the price per therm).

Heating Degree Days - measure of coldness for a specified period based on the difference between 65° F and the average daily temperature.

Marketer Charges (Third Party Suppliers) - appear instead of Gas Charge (BGSS) if you have selected a gas supplier other than South Jersey Gas. You agreed to pay these charges with your energy marketer when you switched suppliers. If you feel you have been switched without your knowledge please contact us.

Therm - unit of heat measurement used to calculate your charges. It is the equivalent to 100,000 British thermal units (Btu).

Therm Factor - number used to convert cubic feet into therms and the unit heat measurement used to calculate your charges.

RESIDENTIAL CUSTOMER RIGHTS

Customer Bill of Rights

The New Jersey Board of Public Utilities (BPU) recently updated the Customer Bill of Rights¹ for all utility customers, effective January 1, 2022. Please review the customer rights and contact South Jersey Gas Customer Service at 1.888.766.9900 or the BPU at 1.800.624.0241 if you have any questions.

1. You have the right to utility service if you are a qualified applicant.
2. You have the right to budget billing or payment plans if you are a gas or electric utility customer.
3. You are entitled to at least one deferred payment plan within a twelve-month period. The deferred payment agreement offered to you by the utility company must be for at least a minimum of twelve (12) months with no money down, unless you request a shorter payback period. Your utility company may not require a reconnection fee or deposit as a condition of continuing service, and late charges, interest and liens for past due amounts are not permitted during the grace period. Any deferred payment plan offered by the utility company to you must comply with current law and regulations.
4. You have the right to apply for utility assistance programs which may include arrearage forgiveness. Learn more by calling your utility company or by calling 2-1-1. Information is also available online at www.nj211.org/utility-assistance-programs.
5. Any disconnected gas, electric, water, and sewer customer who can demonstrate that application has been made to one of the following assistance programs, as applicable, shall be reconnected by that gas, electric, water, and sewer company upon request in order to obtain available benefits: Universal Service Fund; Low Income Home Energy Assistance; Payment Assistance for Gas and Electric, and Low Income Household Water Assistance.²
6. You have the right to have any complaint you make against your utility company handled promptly by that utility company.
7. You have the right to have your utility complaints and concerns investigated. Your service may not be terminated for non-payment of disputed charges during a BPU investigation.
8. You have the right to have your meter tested free of charge once a year by your utility company if you suspect it is not working properly. For a \$5 fee, the meter test will be conducted under the supervision of the staff of the BPU.
9. You have the right to a written notice of termination from your utility company at least ten (10) days prior to the discontinuance of service.
10. If you are a participant in an energy assistance program or a gas, electric, water, and/or sewer customer having financial difficulties paying your bill, you can request the company enroll you in a budget plan based on your ability to pay. Provided you make good faith payments toward all reasonable bills for service, you have the right to gas and electric utilities service from November 15 to March 15 without fear of termination of such services if you are a participant under the Winter Termination Program. You have a right to water and sewer utility services through March 15, 2022.³
11. After March 15, 2022, residential gas, electric, water, and sewer utilities are permitted to inform customers that they are subject to termination of service due to non-payment.⁴
12. After March 15, 2022, residential gas, electric, water, and sewer utilities are permitted to disconnect service due to nonpayment provided, however, a disconnection may occur at any time if it is to prevent a risk to public health or safety.⁵
13. You have the right to receive posted notice of any impending shutoff if you live in a multi-family dwelling. This notice must be posted in a common area and/or sent individually to occupants.
14. You have the right to have a "diversion of service" investigation if you suspect the level of consumption reflected in your utility bill is unexplainably high.
15. Service shall not be shut-off for non-payment of repair or merchandise charges. No notice threatening discontinuance based on these charges may be given.
16. You have the option of having a deposit refund applied to your account as a credit or having the deposit refunded by separate check.
17. A utility may not impose late fees, interest, or liens on residential customer accounts due to late payments.
18. Residential service may be shut-off, after proper notice, only on Monday through Thursday from 8:00 a.m. to 4:00 p.m. A utility may not shut-off residential service on Friday, Saturday, Sunday, or a holiday or the day before a holiday, or if a valid medical emergency exists in your household.
19. You have the right to notification regarding any moratorium on rate increases.

HELPFUL DEFINITIONS
Average temperature - daily temperature during the specified period.

CCF - 100 cubic feet of gas, the measurement of your gas used by volume.

CF (Cubic Foot) - unit of measure for natural gas.

Customer Charge - monthly charge that covers fixed costs of providing you with natural gas service.

Delivery Charge - cost of moving natural gas through our pipelines to the meter at the service address. The Delivery Charge is made up of the following combined tariff rates: Base Rate, Transportation Initiation Clause, Clean Energy Program, Remediation Adjustment Clause, Universal Service Fund, Conservation Incentive Program, Energy Efficiency Tracker and Balancing Service Clause, which when rounded and combined for billing purposes, may yield a slight variation from the Delivery Charge reflected on a customer bill.

Estimated Reading - occurs when an actual reading of your meter cannot be obtained and is calculated based on weather conditions and past consumption. In your usage details, estimated readings are noted with an asterisk (*).

Gas Charge (BGSS) - cost for energy used (calculated by multiplying the total therms used by the price per therm).

Heating Degree Days - measure of coldness for a specified period based on the difference between 65° F and the average daily temperature.

Marketer Charges (Third Party Suppliers) - appear instead of Gas Charge (BGSS) if you have selected a gas supplier other than South Jersey Gas. You agreed to pay these charges with your energy marketer when you switched suppliers. If you feel you have been switched without your knowledge please contact us.

Therm - unit of heat measurement used to calculate your charges. It is the equivalent to 100,000 British thermal units (Btu).

Therm Factor - number used to convert cubic feet into therms and the unit heat measurement used to calculate your charges.

La Declaración de Derechos del Cliente está disponible en idiomas en el sitio web de South Jersey Gas en www.southjerseygas.com/customer-rights.

Customer Bill of Rights

The New Jersey Board of Public Utilities [BPU] recently updated the Customer Bill of Rights for all utility customers, effective March 15, 2022. Please review the customer rights and contact South Jersey Gas at 1.888.766.9900 or the BPU at 1.800.624.0241 if you have any questions.

1. You have the right to utility service if you are a qualified applicant.
2. You have the right to budget billing if you are a utility customer.
3. You have the right to apply for utility assistance programs, which may include arrearage forgiveness. Learn more by calling your utility company or by calling 2-1-1. Information is also available online at www.nj211.org/utility-assistance-programs.
4. If you are an electric or gas utility customer who did not participate in the Winter Termination Program ("WTP"), current law requires the utility company to offer you a deferred payment plan payable over a minimum of 12 months with no down payment, deposit, reconnection costs, interest, or penalties ("No Money Down Plan") on any unpaid balances accrued prior to December 31, 2021 or longer if you meet the requirements of numbers 7 and 8 below. You have the right to 30 days to agree to the payment plan before the utility company may begin the collections process.
5. If you are a water, sewer, or municipal electric utility customer or a WTP participant, current law requires the utility company to offer you a No Money Down Plan on any unpaid balances accrued prior to March 15, 2022 or longer if you meet the requirements of numbers 7 and 8 below. You have the right to 30 days to agree to the payment plan before the utility company may begin the collections process.
6. If for any reason you are not eligible for a No Money Down Plan, you are entitled to a deferred payment agreement under BPU's regulations ("DPA"). You have a right to at least one DPA within a 12-month period with a maximum down payment of 25 percent or less of your unpaid balance, unless current law states otherwise. The utility company shall offer you the same budget plan year, which will last 10, 11, or 12 months, except that the budget plan year for customers protected under the WTP shall be 12 months. Any deferred payment plan or agreement offered by the utility company to you must follow the current law and/or regulations of the BPU.
7. If you submit an application to a State agency for utility bill aid, but still need to provide documents or take some other action requested in the application, you have the right to 60 days from the date you submitted your application to provide the documents and take the necessary steps to complete the application process. During this 60-day period, the utility company may not discontinue your service. These rights apply only if you submitted your application to the State agency before June 15, 2022.
8. If you submit an application to a State agency for utility bill aid with all the necessary documentation, either at the time you submitted the application or within 60 days from the date you submitted your application, and there is no other action required by you to complete the application process, you are protected from discontinuance of service from the date you submitted your application until the date after a decision of eligibility has been made on your completed application. This right applies only if you submit your application to the State agency before June 15, 2022.
9. If you are an electric, gas, water, and sewer utility customer whose service has been disconnected, but you can show you have applied to the Universal Service Fund, Low Income Home Energy Assistance, Payment Assistance for Gas and Electric, or Low Income Household Water Assistance for available benefits, the utility company must reconnect your service upon request and may not require a down payment, deposit, reconnection costs, interest, or penalties to do so.
10. You have the right to have any complaint you make against your utility company handled promptly by that utility company.
11. You have the right to have your utility complaints and concerns investigated. Your service may not be terminated for non-payment of disputed charges during a BPU investigation.
12. You have the right to have your meter tested free of charge once a year by your utility company if you suspect it is not working properly. For a \$5 fee, the meter test will be conducted under the supervision of the staff of the BPU.
13. You have the right to a written notice of termination from your utility company at least 10 days prior to the discontinuance of service and only after the utility company has offered you a deferred payment plan based on current law and regulations of the BPU.
14. If you are a participant in an energy assistance program or an electric, gas, water, and/or sewer utility customer having financial difficulties paying your bill, you can request the company enroll you in a budget plan based on your ability to pay. Provided you make good faith payments toward all reasonable bills for service, you have the right to electric, gas, water, and/or sewer utilities service from **November 15 to March 15** without fear of termination of such services if you are a participant under the WTP.
15. You have the right to receive posted notice of any impending shutoff if you live in a multi-family dwelling. This notice must be posted in a common area and/or sent individually to occupants of that dwelling.
16. You have the right to have a "diversion of service" investigation if you suspect the level of consumption reflected in your utility bill is unexplainably high.
17. Service may not be shut-off for non-payment of repair or merchandise charges. A utility company may not send you notice threatening discontinuance of your utility service based on these charges.
18. You have the option of having a deposit refund applied to your account as a credit or having the deposit refunded by separate check.
19. A utility may not add late fees, interest, or liens on your account for late payments.
20. Your service may be shut-off only after proper notice has been given to you by the utility company and only on Monday through Thursday between the hours of 8:00 a.m. to 4:00 p.m. A utility may not shut-off your service on a Friday, Saturday, Sunday, a holiday or the day before a holiday, or if a valid medical emergency exists in your household.
21. You have the right to notification regarding any moratorium on rate increases.

Customer Bill of Rights

The New Jersey Board of Public Utilities (BPU) recently updated the Customer Bill of Rights for all utility customers, effective March 15, 2022. Please review the customer rights and contact South Jersey Gas at 1.888.766.9900 or the BPU at 1.800.624.0241 if you have any questions.

1. You have the right to utility service if you are a qualified applicant.
2. You have the right to budget billing if you are a utility customer.
3. You have the right to apply for utility assistance programs, which may include arrearage forgiveness. Learn more by calling your utility company or by calling 2-1-1. Information is also available online at www.nj211.org/utility-assistance-programs.
4. If you are an electric or gas utility customer who did not participate in the Winter Termination Program ("WTP"), current law requires the utility company to offer you a deferred payment plan payable over a minimum of 12 months with no down payment, deposit, reconnection costs, interest, or penalties ("No Money Down Plan") on any unpaid balances accrued prior to December 31, 2021 or longer if you meet the requirements of numbers 7 and 8 below. You have the right to 30 days to agree to the payment plan before the utility company may begin the collections process.
5. If you are a water, sewer, or municipal electric utility customer or a WTP participant, current law requires the utility company to offer you a No Money Down Plan on any unpaid balances accrued prior to March 15, 2022 or longer if you meet the requirements of numbers 7 and 8 below. You have the right to 30 days to agree to the payment plan before the utility company may begin the collections process.
6. If for any reason you are not eligible for a No Money Down Plan, you are entitled to a deferred payment agreement under BPU's regulations ("DPA"). You have a right to at least one DPA within a 12-month period with a maximum down payment of 25 percent or less of your unpaid balance, unless current law states otherwise. The utility company shall offer you the same budget plan year, which will last 10, 11, or 12 months, except that the budget plan year for customers protected under the WTP shall be 12 months. Any deferred payment plan or agreement offered by the utility company to you must follow the current law and/or regulations of the BPU.
7. If you submit an application to a State agency for utility bill aid, but still need to provide documents or take some other action requested in the application, you have the right to 60 days from the date you submitted your application to provide the documents and take the necessary steps to complete the application process. During this 60-day period, the utility company may not discontinue your service. These rights apply only if you submitted your application to the State agency before June 15, 2022.
8. If you submit an application to a State agency for utility bill aid with all the necessary documentation, either at the time you submitted the application or within 60 days from the date you submitted your application, and there is no other action required by you to complete the application process, you are protected from discontinuance of service from the date you submitted your application until the date after a decision of eligibility has been made on your completed application. This right applies only if you submit your application to the State agency before June 15, 2022.
9. If you are an electric, gas, water, and sewer utility customer whose service has been disconnected, but you can show you have applied to the Universal Service Fund, Low Income Home Energy Assistance, Payment Assistance for Gas and Electric, or Low Income Household Water Assistance for available benefits, the utility company must reconnect your service upon request and may not require a down payment, deposit, reconnection costs, interest, or penalties to do so.
10. You have the right to have any complaint you make against your utility company handled promptly by that utility company.
11. You have the right to have your utility complaints and concerns investigated. Your service may not be terminated for non-payment of disputed charges during a BPU investigation.
12. You have the right to have your meter tested free of charge once a year by your utility company if you suspect it is not working properly. For a \$5 fee, the meter test will be conducted under the supervision of the staff of the BPU.
13. You have the right to a written notice of termination from your utility company at least 10 days prior to the discontinuance of service and only after the utility company has offered you a deferred payment plan based on current law and regulations of the BPU.
14. If you are a participant in an energy assistance program or an electric, gas, water, and/or sewer utility customer having financial difficulties paying your bill, you can request the company enroll you in a budget plan based on your ability to pay. Provided you make good faith payments toward all reasonable bills for service, you have the right to electric, gas, water, and/or sewer utilities service from **November 15 to March 15** without fear of termination of such services if you are a participant under the WTP.
15. You have the right to receive posted notice of any impending shutoff if you live in a multi-family dwelling. This notice must be posted in a common area and/or sent individually to occupants of that dwelling.
16. You have the right to have a "diversion of service" investigation if you suspect the level of consumption reflected in your utility bill is unexplainably high.
17. Service may not be shut-off for non-payment of repair or merchandise charges. A utility company may not send you notice threatening discontinuance of your utility service based on these charges.
18. You have the option of having a deposit refund applied to your account as a credit or having the deposit refunded by separate check.
19. A utility may not add late fees, interest, or liens on your account for late payments.
20. Your service may be shut-off only after proper notice has been given to you by the utility company and only on Monday through Thursday between the hours of 8:00 a.m. to 4:00 p.m. A utility may not shut-off your service on a Friday, Saturday, Sunday, a holiday or the day before a holiday, or if a valid medical emergency exists in your household.
21. You have the right to notification regarding any moratorium on rate increases.

HELPFUL DEFINITIONS

Average temperature - daily temperature during the specified period.

CCF - 100 cubic feet of gas, the measurement of your gas used by volume.

CF (Cubic Foot) - unit of measure for natural gas.

Customer Charge - monthly charge that covers fixed costs of providing you with natural gas service.

Delivery Charge - cost of moving natural gas through our pipelines to the meter at the service address. The Delivery Charge is made up of the following combined tariff rates: Base Rate, Transportation Initiation Clause, Clean Energy Program, Remediation Adjustment Clause, Universal Service Fund, Conservation Incentive Program, Energy Efficiency Tracker and Balancing Service Clause, which when rounded and combined for billing purposes, may yield a slight variation from the Delivery Charge reflected on a customer bill.

Estimated Reading - occurs when an actual reading of your meter cannot be obtained and is calculated based on weather conditions and past consumption. In your usage details, estimated readings are noted with an asterisk (*).

Gas Charge (BGSS) - cost for energy used (calculated by multiplying the total therms used by the price per therm).

Heating Degree Days - measure of coldness for a specified period based on the difference between 65° F and the average daily temperature.

Marketer Charges (Third Party Suppliers) - appear instead of Gas Charge (BGSS) if you have selected a gas supplier other than South Jersey Gas. You agreed to pay these charges with your energy marketer when you switched suppliers. If you feel you have been switched without your knowledge please contact us.

Therm - unit of heat measurement used to calculate your charges. It is the equivalent to 100,000 British thermal units (Btu).

Therm Factor - number used to convert cubic feet into therms and the unit heat measurement used to calculate your charges.

RESIDENTIAL CUSTOMER RIGHTS

- If you can't pay your bill on time, call our Customer Contact Center to request a deferred payment arrangement. 1.888.766.9900
- If you wish to dispute a charge, contact our Customer Contact Center before the due date on the bill. You may also contact the Board of Public Utilities (BPU) at 1.800.624.0241 or 1.609.341.9188 to request assistance with a disputed charge or request a formal hearing (you may be represented by counsel or a third party at a formal hearing). If you report a disputed charge to the BPU within five (5) days of receiving it, we cannot shut off your service while the dispute is under investigation, as long as you pay all undisputed charges.
- If you are age 65 or older, at your request, we will call you before taking action on a past due bill.
- You may designate a third party to receive a copy of any shut-off notice, but the third party is not responsible for paying the bill.

Customer Bill of Rights

The New Jersey Board of Public Utilities (BPU) recently updated the Customer Bill of Rights for all utility customers, effective March 15, 2022. Please review the customer rights and contact South Jersey Gas at 1.888.766.9900 or the BPU at 1.800.624.0241 if you have any questions.

1. You have the right to utility service if you are a qualified applicant.
2. You have the right to budget billing if you are a utility customer.
3. You have the right to apply for utility assistance programs, which may include arrearage forgiveness. Learn more by calling your utility company or by calling 2-1-1. Information is also available online at www.nj211.org/utility-assistance-programs.
4. If you are an electric or gas utility customer who did not participate in the Winter Termination Program ("WTP"), current law requires the utility company to offer you a deferred payment plan payable over a minimum of 12 months with no down payment, deposit, reconnection costs, interest, or penalties ("No Money Down Plan") on any unpaid balances accrued prior to December 31, 2021 or longer if you meet the requirements of numbers 7 and 8 below. You have the right to 30 days to agree to the payment plan before the utility company may begin the collections process.
5. If you are a water, sewer, or municipal electric utility customer or a WTP participant, current law requires the utility company to offer you a No Money Down Plan on any unpaid balances accrued prior to March 15, 2022 or longer if you meet the requirements of numbers 7 and 8 below. You have the right to 30 days to agree to the payment plan before the utility company may begin the collections process.
6. If for any reason you are not eligible for a No Money Down Plan, you are entitled to a deferred payment agreement under BPU's regulations ("DPA"). You have a right to at least one DPA within a 12-month period with a maximum down payment of 25 percent or less of your unpaid balance, unless current law states otherwise. The utility company shall offer you the same budget plan year, which will last 10, 11, or 12 months, except that the budget plan year for customers protected under the WTP shall be 12 months. Any deferred payment plan or agreement offered by the utility company to you must follow the current law and/or regulations of the BPU.
7. If you submit an application to a State agency for utility bill aid, but still need to provide documents or take some other action requested in the application, you have the right to 60 days from the date you submitted your application to provide the documents and take the necessary steps to complete the application process. During this 60-day period, the utility company may not discontinue your service. These rights apply only if you submitted your application to the State agency before June 15, 2022.
8. If you submit an application to a State agency for utility bill aid with all the necessary documentation, either at the time you submitted the application or within 60 days from the date you submitted your application, and there is no other action required by you to complete the application process, you are protected from discontinuance of service from the date you submitted your application until the date after a decision of eligibility has been made on your completed application. Customer Bill of Rights

The New Jersey Board of Public Utilities (BPU) recently updated the Customer Bill of Rights for all utility customers, effective March 15, 2022. Please review the customer rights and contact South Jersey Gas at 1.888.766.9900 or the BPU at 1.800.624.0241 if you have any questions.

1. You have the right to utility service if you are a qualified applicant.
2. You have the right to budget billing if you are a utility customer.
3. You have the right to apply for utility assistance programs, which may include arrearage forgiveness. Learn more by calling your utility company or by calling 2-1-1. Information is also available online at www.nj211.org/utility-assistance-programs.
4. If you are an electric or gas utility customer who did not participate in the Winter Termination Program ("WTP"), current law requires the utility company to offer you a deferred payment plan payable over a minimum of 12 months with no down payment, deposit, reconnection costs, interest, or penalties ("No Money Down Plan") on any unpaid balances accrued prior to December 31, 2021 or longer if you meet the requirements of numbers 7 and 8 below. You have the right to 30 days to agree to the payment plan before the utility company may begin the collections process.
5. If you are a water, sewer, or municipal electric utility customer or a WTP participant, current law requires the utility company to offer you a No Money Down Plan on any unpaid balances accrued prior to March 15, 2022 or longer if you meet the requirements of numbers 7 and 8 below. You have the right to 30 days to agree to the payment plan before the utility company may begin the collections process.
6. If for any reason you are not eligible for a No Money Down Plan, you are entitled to a deferred payment agreement under BPU's regulations ("DPA"). You have a right to at least one DPA within a 12-month period with a maximum down payment of 25 percent or less of your unpaid balance, unless current law states otherwise. The utility company shall offer you the same budget plan year, which will last 10, 11, or 12 months, except that the budget plan year for customers protected under the WTP shall be 12 months. Any deferred payment plan or agreement offered by the utility company to you must follow the current law and/or regulations of the BPU.
7. If you submit an application to a State agency for utility bill aid, but still need to provide documents or take some other action requested in the application, you have the right to 60 days from the date you submitted your application to provide the documents and take the necessary steps to complete the application process. During this 60-day period, the utility company may not discontinue your service. These rights apply only if you submitted your application to the State agency before June 15, 2022.
8. If you submit an application to a State agency for utility bill aid with all the necessary documentation, either at the time you submitted the application or within 60 days from the date you submitted your application, and there is no other action required by you to complete the application process, you are protected from discontinuance of service from the date you submitted your application until the date after a decision of eligibility has been made on your completed application. The Customer Bill of Rights is available in additional languages on the South Jersey Gas website at www.southjerseygas.com/customer-rights.

La Declaración de Derechos del Cliente está disponible en idiomas en el sitio web de South Jersey Gas en www.southjerseygas.com/customer-rights.

Customer Bill of Rights

The New Jersey Board of Public Utilities (BPU) recently updated the Customer Bill of Rights for all utility customers, effective March 15, 2022. Please review the customer rights and contact South Jersey Gas at 1.888.766.9900 or the BPU at 1.800.624.0241 if you have any questions.

1. You have the right to utility service if you are a qualified applicant.
2. You have the right to budget billing if you are a utility customer.
3. You have the right to apply for utility assistance programs, which may include arrearage forgiveness. Learn more by calling your utility company or by calling 2-1-1. Information is also available online at www.nj211.org/utility-assistance-programs.
4. If you are an electric or gas utility customer who did not participate in the Winter Termination Program ("WTP"), current law requires the utility company to offer you a deferred payment plan payable over a minimum of 12 months with no down payment, deposit, reconnection costs, interest, or penalties ("No Money Down Plan") on any unpaid balances accrued prior to December 31, 2021 or longer if you meet the requirements of numbers 7 and 8 below. You have the right to 30 days to agree to the payment plan before the utility company may begin the collections process.
5. If you are a water, sewer, or municipal electric utility customer or a WTP participant, current law requires the utility company to offer you a No Money Down Plan on any unpaid balances accrued prior to March 15, 2022 or longer if you meet the requirements of numbers 7 and 8 below. You have the right to 30 days to agree to the payment plan before the utility company may begin the collections process.
6. If for any reason you are not eligible for a No Money Down Plan, you are entitled to a deferred payment agreement under BPU's regulations ("DPA"). You have a right to at least one DPA within a 12-month period with a maximum down payment of 25 percent or less of your unpaid balance, unless current law states otherwise. The utility company shall offer you the same budget plan year, which will last 10, 11, or 12 months, except that the budget plan year for customers protected under the WTP shall be 12 months. Any deferred payment plan or agreement offered by the utility company to you must follow the current law and/or regulations of the BPU.
7. If you submit an application to a State agency for utility bill aid, but still need to provide documents or take some other action requested in the application, you have the right to 60 days from the date you submitted your application to provide the documents and take the necessary steps to complete the application process. During this 60-day period, the utility company may not discontinue your service. These rights apply only if you submitted your application to the State agency before June 15, 2022.
8. If you submit an application to a State agency for utility bill aid with all the necessary documentation, either at the time you submitted the application or within 60 days from the date you submitted your application, and there is no other action required by you to complete the application process, you are protected from discontinuance of service from the date you submitted your application until the date after a decision of eligibility has been made on your completed application. This right applies only if you submit your application to the State agency before June 15, 2022.
9. If you are an electric, gas, water, and sewer utility customer whose service has been disconnected, but you can show you have applied to the Universal Service Fund, Low Income Home Energy Assistance, Payment Assistance for Gas and Electric, or Low Income Household Water Assistance for available benefits, the utility company must reconnect your service upon request and may not require a down payment, deposit, reconnection costs, interest, or penalties to do so.
10. You have the right to have any complaint you make against your utility company handled promptly by that utility company.
11. You have the right to have your utility complaints and concerns investigated. Your service may not be terminated for non-payment of disputed charges during a BPU investigation.
12. You have the right to have your meter tested free of charge once a year by your utility company if you suspect it is not working properly. For a \$5 fee, the meter test will be conducted under the supervision of the staff of the BPU.
13. You have the right to a written notice of termination from your utility company at least 10 days prior to the discontinuance of service and only after the utility company has offered you a deferred payment plan based on current law and regulations of the BPU.
14. If you are a participant in an energy assistance program or an electric, gas, water, and/or sewer utility customer having financial difficulties paying your bill, you can request the company enroll you in a budget plan based on your ability to pay. Provided you make good faith payments toward all reasonable bills for service, you have the right to electric, gas, water, and/or sewer utilities service from **November 15 to March 15** without fear of termination of such services if you are a participant under the WTP.
15. You have the right to receive posted notice of any impending shutoff if you live in a multi-family dwelling. This notice must be posted in a common area and/or sent individually to occupants of that dwelling.
16. You have the right to have a "diversion of service" investigation if you suspect the level of consumption reflected in your utility bill is unexplainably high.
17. Service may not be shut-off for non-payment of repair or merchandise charges. A utility company may not send you notice threatening discontinuance of your utility service based on these charges.
18. You have the option of having a deposit refund applied to your account as a credit or having the deposit refunded by separate check.
19. A utility may not add late fees, interest, or liens on your account for late payments.
20. Your service may be shut-off only after proper notice has been given to you by the utility company and only on Monday through Thursday between the hours of 8:00 a.m. to 4:00 p.m. A utility may not shut-off your service on a Friday, Saturday, Sunday, a holiday or the day before a holiday, or if a valid medical emergency exists in your household.
21. You have the right to notification regarding any moratorium on rate increases.

HELPFUL DEFINITIONS

Average temperature - daily temperature during the specified period.

CCF - 100 cubic feet of gas, the measurement of your gas used by volume.

CF (Cubic Foot) - unit of measure for natural gas.

Customer Charge - monthly charge that covers fixed costs of providing you with natural gas service.

Delivery Charge - cost of moving natural gas through our pipelines to the meter at the service address. The Delivery Charge is made up of the following combined tariff rates: Base Rate, Transportation Initiation Clause, Clean Energy Program, Remediation Adjustment Clause, Universal Service Fund, Conservation Incentive Program, Energy Efficiency Tracker and Balancing Service Clause, which when rounded and combined for billing purposes, may yield a slight variation from the Delivery Charge reflected on a customer bill.

Estimated Reading - occurs when an actual reading of your meter cannot be obtained and is calculated based on weather conditions and past consumption. In your usage details, estimated readings are noted with an asterisk (*).

Gas Charge (BGSS) - cost for energy used (calculated by multiplying the total therms used by the price per therm).

Heating Degree Days - measure of coldness for a specified period based on the difference between 65° F and the average daily temperature.

Marketer Charges (Third Party Suppliers) - appear instead of Gas Charge (BGSS) if you have selected a gas supplier other than South Jersey Gas. You agreed to pay these charges with your energy marketer when you switched suppliers. If you feel you have been switched without your knowledge please contact us.

Therm - unit of heat measurement used to calculate your charges. It is the equivalent to 100,000 British thermal units (Btu).

Therm Factor - number used to convert cubic feet into therms and the unit heat measurement used to calculate your charges.

RESIDENTIAL CUSTOMER RIGHTS

- If you can't pay your bill on time, call our Customer Contact Center to request a deferred payment arrangement. 1.888.766.9900
- If you wish to dispute a charge, contact our Customer Contact Center before the due date on the bill. You may also contact the Board of Public Utilities (BPU) at 1.800.624.0241 or 1.609.341.9188 to request assistance with a disputed charge or request a formal hearing (you may be represented by counsel or a third party at a formal hearing). If you report a disputed charge to the BPU within five (5) days of receiving it, we cannot shut off your service while the dispute is under investigation, as long as you pay all undisputed charges.
- If you are age 65 or older, at your request, we will call you before taking action on a past due bill.
- You may designate a third party to receive a copy of any shut-off notice, but the third party is not responsible for paying the bill.

Customer Bill of Rights

The New Jersey Board of Public Utilities (BPU) recently updated the Customer Bill of Rights for all utility customers, effective March 15, 2022. Please review the customer rights and contact South Jersey Gas at 1.888.766.9900 or the BPU at 1.800.624.0241 if you have any questions.

1. You have the right to utility service if you are a qualified applicant.
2. You have the right to budget billing if you are a utility customer.
3. You have the right to apply for utility assistance programs, which may include arrearage forgiveness. Learn more by calling your utility company or by calling 2-1-1. Information is also available online at www.nj211.org/utility-assistance-programs.
4. If you are an electric or gas utility customer who did not participate in the Winter Termination Program ("WTP"), current law requires the utility company to offer you a deferred payment plan payable over a minimum of 12 months with no down payment, deposit, reconnection costs, interest, or penalties ("No Money Down Plan") on any unpaid balances accrued prior to December 31, 2021 or longer if you meet the requirements of numbers 7 and 8 below. You have the right to 30 days to agree to the payment plan before the utility company may begin the collections process.
5. If you are a water, sewer, or municipal electric utility customer or a WTP participant, current law requires the utility company to offer you a No Money Down Plan on any unpaid balances accrued prior to March 15, 2022 or longer if you meet the requirements of numbers 7 and 8 below. You have the right to 30 days to agree to the payment plan before the utility company may begin the collections process.
6. If for any reason you are not eligible for a No Money Down Plan, you are entitled to a deferred payment agreement under BPU's regulations ("DPA"). You have a right to at least one DPA within a 12-month period with a maximum down payment of 25 percent or less of your unpaid balance, unless current law states otherwise. The utility company shall offer you the same budget plan year, which will last 10, 11, or 12 months, except that the budget plan year for customers protected under the WTP shall be 12 months. Any deferred payment plan or agreement offered by the utility company to you must follow the current law and/or regulations of the BPU.

Customer Bill of Rights

The New Jersey Board of Public Utilities (BPU) recently updated the Customer Bill of Rights for all utility customers, effective March 15, 2022. Please review the customer rights and contact South Jersey Gas at 1.888.766.9900 or the BPU at 1.800.624.0241 if you have any questions.

1. You have the right to utility service if you are a qualified applicant.
2. You have the right to budget billing if you are a utility customer.
3. You have the right to apply for utility assistance programs, which may include arrearage forgiveness. Learn more by calling your utility company or by calling 2-1-1. Information is also available online at www.nj211.org/utility-assistance-programs.
4. If you are an electric or gas utility customer who did not participate in the Winter Termination Program ("WTP"), current law requires the utility company to offer you a deferred payment plan payable over a minimum of 12 months with no down payment, deposit, reconnection costs, interest, or penalties ("No Money Down Plan") on any unpaid balances accrued prior to December 31, 2021 or longer if you meet the requirements of numbers 7 and 8 below. You have the right to 30 days to agree to the payment plan before the utility company may begin the collections process.
5. If you are a water, sewer, or municipal electric utility customer or a WTP participant, current law requires the utility company to offer you a No Money Down Plan on any unpaid balances accrued prior to March 15, 2022 or longer if you meet the requirements of numbers 7 and 8 below. You have the right to 30 days to agree to the payment plan before the utility company may begin the collections process.
6. If for any reason you are not eligible for a No Money Down Plan, you are entitled to a deferred payment agreement under BPU's regulations ("DPA"). You have a right to at least one DPA within a 12-month period with a maximum down payment of 25 percent or less of your unpaid balance, unless current law states otherwise. The utility company shall offer you the same budget plan year, which will last 10, 11, or 12 months, except that the budget plan year for customers protected under the WTP shall be 12 months. Any deferred payment plan or agreement offered by the utility company to you must follow the current law and/or regulations of the BPU.
7. If you submit an application to a State agency for utility bill aid, but still need to provide documents or take some other action requested in the application, you have the right to 60 days from the date you submitted your application to provide the documents and take the necessary steps to complete the application process. During this 60-day period, the utility company may not discontinue your service. These rights apply only if you submitted your application to the State agency before June 15, 2022.
8. If you submit an application to a State agency for utility bill aid with all the necessary documentation, either at the time you submitted the application or within 60 days from the date you submitted your application, and there is no other action required by you to complete the application process, you are protected from discontinuance of service from the date you submitted your application until the date after a decision of eligibility has been made on your completed application. This right applies only if you submit your application to the State agency before June 15, 2022.
9. If you are an electric, gas, water, and sewer utility customer whose service has been disconnected, but you can show you have applied to the Universal Service Fund, Low Income Home Energy Assistance, Payment Assistance for Gas and Electric, or Low Income Household Water Assistance for available benefits, the utility company must reconnect your service upon request and may not require a down payment, deposit, reconnection costs, interest, or penalties to do so.
10. You have the right to have any complaint you make against your utility company handled promptly by that utility company.
11. You have the right to have your utility complaints and concerns investigated. Your service may not be terminated for non-payment of disputed charges during a BPU investigation.
12. You have the right to have your meter tested free of charge once a year by your utility company if you suspect it is not working properly. For a \$5 fee, the meter test will be conducted under the supervision of the staff of the BPU.
13. You have the right to a written notice of termination from your utility company at least 10 days prior to the discontinuance of service and only after the utility company has offered you a deferred payment plan based on current law and regulations of the BPU.
14. If you are a participant in an energy assistance program or an electric, gas, water, and/or sewer utility customer having financial difficulties paying your bill, you can request the company enroll you in a budget plan based on your ability to pay. Provided you make good faith payments toward all reasonable bills for service, you have the right to electric, gas, water, and/or sewer utilities service from **November 15 to March 15** without fear of termination of such services if you are a participant under the WTP.
15. You have the right to receive posted notice of any impending shutoff if you live in a multi-family dwelling. This notice must be posted in a common area and/or sent individually to occupants of that dwelling.
16. You have the right to have a "diversion of service" investigation if you suspect the level of consumption reflected in your utility bill is unexplainably high.
17. Service may not be shut-off for non-payment of repair or merchandise charges. A utility company may not send you notice threatening discontinuance of your utility service based on these charges.
18. You have the option of having a deposit refund applied to your account as a credit or having the deposit refunded by separate check.
19. A utility may not add late fees, interest, or liens on your account for late payments.
20. Your service may be shut-off only after proper notice has been given to you by the utility company and only on Monday through Thursday between the hours of 8:00 a.m. to 4:00 p.m. A utility may not shut-off your service on a Friday, Saturday, Sunday, a holiday or the day before a holiday, or if a valid medical emergency exists in your household.
21. You have the right to notification regarding any moratorium on rate increases.
