RE: OPRA Request Dated October 27, 2023

Dear I:

The South Brunswick Board of Fire Commissioners for the South Brunswick Fire District No. 3 received your Open Public Records Act (OPRA) request sent on October 27, 2023 at 11:19 p.m. This response is being provided to you on November 6, 2023. Your OPRA request sought access to the following: "All fire reports and manpower assignments for all calls on September 8, 2023." The following records enclosed are responsive to your request:

- (1) Kingston Volunteer Fire Company #1 Incident Report dated September 8, 2023 for 398 Blackhorse Lane, Monmouth Junction (2 pages)
- (2) Kingston Volunteer Fire Company #1 Incident Report dated September 8, 2023 for 155 Raymond Road, Princeton (2 pages)

If you believe that your request for access to a government record has been denied or unfilled within the seven (7) business days required by law, you have a right to challenge the decision. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the Government Records Council (GRC) by completing the Denial of Access Complaint Form. You may contact the GRC by toll-free telephone at (866) 850-0511, by mail at P.O. Box 819, Trenton, New Jersey 08625, by e-mail at grc@dca.state.nj.us, or at their web site at www.state.nj.us/grc. The GRC can also answer other questions about the law. All questions regarding complaints filed in the Superior Court should be directed to the Court Clerk in your county.

Very truly yours,

SENDZIK & SENDZIK, P.C.
