I'm writing this letter to inform you of my resignation of the office of emergency management & 911 coordinator effective March 1, 2022. As This comes after a request at a meeting on 2/7/2022 at 8:45 am with the mayor and deputy mayor due to a civil suit else where. So much for the personnel policy, discrimination, harassment and profiling part. Personal vendettas should not be handled this way and corruption in politics should be taken seriously.
Thank you
