Recycle containers will be available at DPW at 339 Roosevelt Avenue tomorrow after 1pm (we are getting a new shipment and that is projected delivery). Recycling containers are \$10 for a 20 gallon bin.

We do not have garbage containers for sale; garbage containers can be purchased at any hardware store.

I have most recently purchased a home located at 68 Warren Street, Carteret, NJ 08007. I've noticed there are no garbage cans there at all. Where should I purchase the large recycling and regular garbage cans for my home? Please advise. Thank you.

Dear Hon. Mayor Reiman,

The NAACP invites you to join us on **Saturday, October 20, 2018** for our **Freedom Fund Brunch "Reclaiming our Time" 11:00am-2:00pm** at the **Grand Lake Chateau located at 1002 Route 9 North, Woodbridge, NJ**. Woodridge is one of the areas that this branch serves and is the 2nd largest municipality in NJ. In addition to Woodbridge, the branch serves Perth Amboy, South Amboy, Carteret, and Sayreville. This mid-day soiree will feature music, dancing, awards, great food and a stellar mimosa fountain.

We will pay tribute to *Freedom Fighters* who despite inequality, violence, intimidation, and hostile government policies continue to push our nation to live up to its creed. Our 2018 Honorees are: Middlesex County Freeholder Kenneth Armwood; Larry Hamm, Founder People's Organization for Progress and Lisa Richardson-Hall, Founder Rays of Hope. Proceeds from this event will provide resources to for community outreach, voter registration, and educational forums aimed to build equity in our communities. The Branch was organized in 1941, in response to increasing discrimination, racial prejudice and unjust policies. Today this branch works to stimulate the collective courage of men, women, young adults and youth who decided to stand firm and strong to champion what's right and just. People of all races, nationalities and faiths are invited to unite with us on the battlefield to protect the rights of all of us- not just some of us.

Enclosed are more Freedom Fund event details on ads, tickets and sponsorships. To purchase your tickets, visit <https://www.eventbrite.com/e/naacp-perth-amboy-chapter-freedom-fund-brunch-tickets-46696310923> or make your check payable to: NAACP Perth Amboy Area Branch Unit #2099 and mail it to us at: P.O. Box 1219, Perth Amboy, NJ 08862-1219

Lauren,

I just tried to send you the latest renderings, but the file, at 16MBs, was returned by the Carteret server with a note that the attachment was too large. Barbara will prepare a dropbox link for you to retrieve the attachment. The attachment included revised elevations from my last meeting with Andy Trocchia two weeks ago. We both agreed the copper color is too reddish, but we can fine tune. We have also worked with Andy to revise interior issues to provide a mezzanine in the commercial space and to include amenity space on the second and fourth floors. The Mayor asked me to hold off on going any further until we knew if GID would purchase the property. Diana and I both reached out last week, but I have not heard from them.

Please ask the Mayor to call me to discuss our next steps.
Thank you,

Andrew

9/11 Ceremony

It seems like just yesterday- as vivid and surreal as a movie, but it was seventeen years ago, today in 2001, just a few miles from Carteret, across the water in Manhattan; in Virginia at the Pentagon; and in a field in Pennsylvania – our friends, family members, and fellow Americans were suddenly taken from us without warning.

On that day, we here in Carteret lost three members of our community – Colleen, Jayceryll, and Joseph.

Each year their family and friends honor us with their presence, and we welcome them back to Carteret this year as we remember lives cut short too soon.

This year we are also honored to be joined by the family of Michael Mustillo, who worked for the NYNJPA, and passed away because of the effects of the 9/11 debris and onsite cleanup where he worked at ground zero.

In total, nearly 3,000 people were killed and more than 6,000 were injured. As the years have passed, we in the New Jersey/New York area have lost more first responders, more volunteers, and other service workers who were there to help assist, This will affect many more families as time continuous to pass.

We accept that we will never recover all that we lost on that tragic day, and in the expanse of time that has followed, including our loved ones who were taken, or the Military Personnel who made this ultimate sacrifice to ensure that no such attack ever occurs again.

Over 3 million Americans have gone to war since 9/11. America's heroes, who as President Obama noted were "men and women who left behind lives of comfort for two, three, four, or five tours of duty."...and carry dark memories from distant places, and the legacy of fallen friends."

He said "the wages of war are great; and, while their service to our nation is full of glory, war itself is never glorious."

I have spoken in the past about the connection that we as Americans share. United as one nation by an unwavering commitment to freedom - not only for ourselves - but for all people and all nations across the globe. It is that commitment that draws people to this country and makes this country the greatest nation in all of human history.

The United States has been called a melting pot, and its diversity is its greatest strength. Carteret also, as one of the most diverse towns in the State of New Jersey, draws its strength from the many cultures, religions and nationalities of which our residents are comprised.

As we look around, and see this diversity reflected in those gathered together to remember September 11, 2001, we draw strength from each other and are confident in our ability, as one people, to continue to heal and continue to move forward.

Almost two decades later, we gather here annually to visit this memorial to those lost.

And, as the former president foresaw, we "know that nothing can break the will of a truly United States of America." And that it can "be said of us that we kept that faith; that we took a painful blow, and emerged stronger."

May God bless the memory of those we lost, may God bless the Borough of Carteret, and may God Bless the United States of America.
