Dear Ceci Tramontana, I would like to redress the OPRA request. I On February 3rd, 2021, a snow day, several Nutley township employees shoveled the sidewalk and driveway for 39 Emily Ave, Nutley, New Jersey.

This is the daughter of, then, Mayor Tucci daughter. There are two town cars and an articulating front loader. I seek the GPS record for all the Nutley Vechiels on Emily Ave, during the daylight hours. Additionally, I seek all documents allowing the Township to remove snow from a Commissioner's private property.

The picture is great. Mayor Tucci's daughter is sitting in her car drinking an iced coffee when the Town Workers cleared the driveway.

Yours sincerely,

Rory Moore
