SUEZ WARNS CUSTOMERS ABOUT PAYMENT SCAM

SUEZ has issued an alert warning customers about scammers who are going door-to-door requesting cash or credit card payments for water bills.

The fraud involves persons claiming that they are in the neighborhood collecting unpaid bills. They show customers fake SUEZ identification badges and offer to scan the customer's credit card on a portable card reader. They may be enticing customers with an offer to forgive a portion of their ba... [See more](#)

Traffic Bureau

Municipal Government Center | 1200 Riverside Plaza Blvd | Secaucus, NJ 07094
(201) 999-4407 | traffic@secaucusnj.net

Traffic Safety Letter - Huber Street School

Dear Huber Street School Parents and Guardians:

The Secaucus Police Department Traffic Bureau urges parents/guardians to be vigilant in their role as drivers, especially during drop-off and pick-up of students. With that in mind, and the school year being underway, we would like to provide you with some guidelines that will ensure the safety of all children, including yours, while making student drop-off and pick-up more efficient.

- Do not slowly while approaching and while in **stop** school zone.
- Pedestrians **must** use marked crosswalks. We have crossing guards to assist with crossing to ensure pedestrian safety.
- Have your child sit in the passenger side so he or she cannot safety of the car.
- Do not double park at any time.
- If Turn and Go lanes are not permitted, they increase the likelihood of a child being struck and disrupt the flow of traffic.
- Please drop-off your child at the designated drop-off zone.
- When picking up your child, you are permitted to park in the designated lot, however, if you do so, please park properly in a designated space.
- Do not park in areas designated for buses, fire trucks, or emergency vehicles.
- Please be courteous to parents, neighbors, and school personnel.

Please keep these guidelines in mind when dropping off your children throughout the school year. We appreciate your continued cooperation, which is paramount in ensuring the safety of your children. Should you have any questions or concerns, please

Traffic Safety Letter - Clarendon School

Dear Clarendon School Parents and Guardians:

The Secaucus Police Department Traffic Bureau urges parents/guardians to be vigilant in their role as drivers, especially during drop-off and pick-up of students. With that in mind, and the school year being underway, we would like to provide you with some guidelines that will ensure the safety of all children, including yours, while making student drop-off more efficient.

- Do not slowly while approaching and while in **stop** school zone.
- Pedestrians **must** use marked crosswalks. We have crossing guards to assist with crossing to ensure pedestrian safety.
- While dropping off your child, **never** leave your vehicle unattended. The most common on 1st Street is designated for drop-off only. If you wish to walk your child to the main entrance, please park in the adjacent lot.
- While driving down 1st Street, please drive in park being opposing traffic. This is not only a traffic violation, but can pose a hazard when leaving your parking space.
- Have your child sit in the passenger side so he or she can not safety of the car.
- When approaching the drop-off area, please pull up to forward as possible to keep the flow of traffic moving.
- Do not double park at any time.
- If Turn and Go lanes are not permitted, they increase the likelihood of a child being struck and disrupt the flow of traffic.
- Do not park in areas designated for buses, fire trucks, or emergency vehicles.
- Be courteous to parents, neighbors, and school personnel.

Traffic Safety Letter - Huber Street School

Dear Huber Street School Parents and Guardians:

The Secaucus Police Department Traffic Bureau expects you to abide by established traffic laws at all times, especially during drop-off and pick-up of students. With that in mind and the school year being underway, we would like to provide you with some guidelines that will ensure the safety of all children, including yours, while making student drop-off and pick-up more efficient.

- Drive slowly while approaching and while in any school zone.
- Pedestrians **must** be marked crosswalks. We have crossing guards stationed with crossing to ensure pedestrian safety.
- Have your child sit in the passenger seat or back seat for their own safety in the car.
- Do not double park in any zone.
- U-Turns and 180 turns are **not** permitted, they increase the likelihood of a child being struck and disrupt the flow of traffic.
- Please do not drop your child off with support in a lane of traffic.
- When picking up your child, you are permitted to park in the designated lot between 7:00 am to 8:00 am, please park properly in a designated space.
- Do not park in areas designated for buses, fire trucks, or in crosswalks.
- Please be courteous to parents, neighbors, and school personnel.

Please keep these guidelines in mind when dropping off your children throughout the school year. We appreciate for your continued cooperation, which is paramount in ensuring the safety of your children. Should you have any questions or concerns, please

Traffic Safety Letter - Clarendon School

Dear Clarendon School Parents and Guardians:

The Secaucus Police Department Traffic Bureau expects you to abide by established traffic laws at all times, especially during drop-off and pick-up of students. With that in mind and the school year being underway, we would like to provide you with some guidelines that will ensure the safety of all children, including yours, while making student drop-off more efficient.

- Drive slowly while approaching and while in any school zone.
- Pedestrians **must** be marked crosswalks. We have crossing guards stationed with crossing to ensure pedestrian safety.
- While dropping off your child, **never** leave your vehicle unattended. The main entrance to the school is designated for drop-off only. If you wish to walk your child to the main entrance, please park in the designated lot.
- While driving down 177 Street, please do not park facing opposing traffic. This is not only a traffic violation, but can pose a hazard when leaving your parking space.
- Have your child sit in the passenger seat or back seat for their own safety in the car.
- When approaching the drop-off area, please pull over forward as possible to keep the flow of traffic moving.
- Do not double park at any time.
- U-Turns and 180 turns are **not** permitted, they increase the likelihood of a child being struck and disrupt the flow of traffic.
- Do not park in areas designated for buses, fire trucks, or in crosswalks.
- Please be courteous to parents, neighbors, and school personnel.
