A message from Chief Dennis Miller in regards to Pedestrian Safety Month.

Municipal Government Center | 1203 Paterson Plank Road | Secaucus, NJ 07094

Office: (201) 330.2045 | Fax: (201) 330.2098

October 30, 2024

Dear Resident,

While monitoring our social media, we became aware of your complaints regarding pedestrian safety within the town. We hear your concern, and I thank you for your input in this matter. Coinciding with 'Pedestrian Safety Month,' and with your input, the Traffic Bureau conducted "pedestrian decoy operations" at various locations around Town. Particular attention was given to the center of town, Plaza Centre Road, Park Plaza Drive, Mill Creek Drive and New County Road/New County Road Extension.

As a result of this education and enforcement campaign, over twenty five motor vehicle stops were made and numerous summonses were issued for motorists failing to yield to a pedestrian. Also, recognizing that pedestrians fail to use crosswalks and sometimes haphazardly walk into the roadway, Secaucus Police Officers conducted seven pedestrian stops during this campaign.

The Secaucus Police Department will continue to monitor traffic complaints throughout the Town by both surreptitious and overt means, while enforcement activities continue.

As your Chief of Police, I will keep residents abreast of our activities in our continuing effort to build a partnership with community to address our common goal, public safety. Any future traffic-related complaints can be directly forwarded to our Traffic Bureau at 201-809-4603 or traffic@secaucusnjpolice.gov.

Today, Mrs Arberie Karacica the owner of Amadeo's Pizzeria in Secaucus invited Lt. Michael Simone and Sgt. Vince DeFazio to meet her ten year old daughter Maddix for a reunion of sorts. The last time they were all together was in 2014 when Maddix was just seven days old and was mistakenly locked in the family vehicle on a hot summer day. Mrs Karacica wanted to thank the officers for their quick response and action, freeing Maddix from the vehicle unharmed.

Spending last night with our first responders and DPW crews was quite impressive.

Our city was hit with a fast-moving but very powerful storm. Winds near 80 mph took down well over 100 trees. One tree, an extremely large and beautiful one, fell in the middle of the audience area of 16th Street Park. We are very fortunate that no one was hurt, considering just minutes before, thousands of people were enjoying our first summer concert of the season.

In a display of cooperation and solidarity with local agencies, the Secaucus Police Department responded to a request for mutual aid to Hoboken and Weehawken in response to expected crowds for the fireworks display on the Hudson. SPD Swat members will also be participating in roving patrols in the area. SPD Lieutenant Malanka is commanding the response.

Today, Mrs Arberie Karacica the owner of Amadeo's Pizzeria in Secaucus invited Lt. Michael Simone and Sgt. Vince DeFazio to meet her ten year old daughter Maddix for a reunion of sorts. The last time they were all together was in 2014 when Maddix was just seven days old and was mistakenly locked in the family vehicle on a hot summer day. Mrs Karacica wanted to thank the officers for their quick response and action, freeing Maddix from the vehicle unharmed.

Something needs to be done about the drivers in town. Blowing through stop signs. Illegal turns. No signal lights. The [Secaucus Police Department](#) needs to start cracking down on these reckless drivers before someone really gets hurt.

Spending last night with our first responders and DPW crews was quite impressive. Our city was hit with a fast-moving but very powerful storm. Winds near 80 mph took down well over 100 trees. One tree, an extremely large and beautiful one, fell in the middle of the audience area of 16th Street Park. We are very fortunate that no one was hurt, considering just minutes before, thousands of people were enjoying our first summer concert of the season. We have many people worki... See more

K9 Brix needs a vest.

(30x30Fundraising.com can handle many campaigns simultaneously to ensure more K9s are vested, which Keeping K-9 in Kevlar could not). We are the same team as Keeping K-9s in Kevlar, but a stand-alone nonprofit with more K9 handlers on the board.)
