Dear Residents,

I am really looking forward to tomorrow when State and County parks will be officially open. Laurel Hill Park, Mill Creek Marsh Trails, the Secaucus High School track and dog parks around Town will be open. The weather is going to be warmer this weekend, so enjoy the parks, albeit responsibly. I cannot emphasize enough how important it is for everyone to continue social distancing and adhering to protocols while you are outdoors. We must continue to be smart about our interactions.

As we inch back towards normalcy, I would like to remind you to complete the Census if you have not already done so.

It is very important that every resident in Town be counted. Federal, state and county representatives use census data to determine funding for local schools, healthcare facilities, roads, transportation, emergency services and more. Remember, it does not matter if you are a tenant or homeowner, a citizen or not, your language, employment status or any other criteria. If you live in Secaucus, you count. Please respond online at www.2020census.gov or call 844-330-2020. Support is provided in 59 languages including Spanish, Chinese and Gujarati.

Let us look forward to more positive news on the COVID-19 front. In the meantime, please stay tuned to our website www.secaucusnj.gov/virus for the latest updates.

Stay vigilant and be safe.

Mayor Michael Gonnelli

Dear Residents,

I know many of you are wondering when the situation created by the COVID-19 pandemic is going to be over. I cannot wait for this to be behind us too! Spring is in the air; flowers are blooming, and the days are getting warmer. Yesterday we received an indication that things are getting better. Governor Murphy announced that State and County parks and golf courses will reopen at 6:00 AM on Saturday, May 2nd. Parks will be open for passive recreation such as walking, running, hiking, biking, boating, etc. However, playgrounds will remain closed. Remember, social distancing rules are still in effect.

Another great sign of improvement came in a recent press conference in which Hudson Regional Hospital President and CEO Nizar Kifaieh reported many encouraging trends among COVID-19 positive patients at the hospital. The number of patients being discharged from the hospital is outpacing those being admitted and the Emergency Room visits are greatly reduced. The hospital has adequate capacity and equipment to treat patients, and personal protection equipment for staff. The medical community and hospital staff are learning more about how to handle COVID-19 and are intervening earlier for better patient outcomes. Doctors, nurses and hospital staff are doing all that they can to help our community during this health crisis. Let's continue to do our part by following social distancing rules and wearing masks in public settings.

Let us look forward to more positive news on the COVID-19 front. In the meantime, please stay tuned to our website www.secaucusnj.gov/virus for the latest updates. We have posted the Governor's Executive Order dealing with park openings if you would like to read in its entirety.

Stay vigilant and be safe.

Be sure to join us on Thursday for our weekly concert in the park!

The poster features the Secaucus logo at the top left, which consists of a stylized 'S' with a leaf and the word 'SECAUCUS' inside. To the right of the logo, the title '2020 SUMMER CONCERT SCHEDULE' is written in large, bold, black letters. Below the title, the text 'Concerts - 7:00 pm at Buchmuller Park except August 6 is at Mill Creek Point' is displayed. The schedule is organized by date, with each date in bold. The background of the poster is a gradient of orange and yellow, with a large, stylized treble clef in the bottom right corner.

2020 SUMMER CONCERT SCHEDULE

Dear Residents,

As things on the COVID-19 front are improving, I'm happy that businesses in Town are doing a great job with health and safety guidelines even as we open outdoor dining, exercise programs and more. Please continue to support local businesses as they are relying on us now more than ever. Meanwhile, we are working with State and County officials to bring all the information businesses and landlords need to apply for loans and grants under the CARES Act. For residents who need rental assistance, please make sure you fill out the Rental Assistance Survey—a link to the survey is posted on our website www.secaucusnj.gov. If you have questions, feel free to call my office and we will help wherever we can.

For our younger residents, school opening is only a few weeks away. Unfortunately, our children will not be able to return to school under normal conditions due to the pandemic. That being said, the Superintendent and Board of Education have worked on a plan which will allow children to experience a hybrid of in-class and virtual instruction. I am hopeful this will result in a meaningful learning experience. The safety, mental and physical health of our children, teachers and staff are of primary importance and I am hoping that our school system will return to a sense of normalcy in the coming months.

Enjoy the warm weather, beautiful nature trails, open spaces, movies and music concerts at Buchmuller Park. By now, social distancing, wearing masks and washing hands should have become a habit. Our COVID-positive numbers are down on all fronts as a result of our collective efforts and we must not get complacent. Working together, we can beat this pandemic and come out even stronger.

Please continue to check our website, www.secaucusnj.gov for updates. Look forward to seeing you around Town.

Dear Residents,

We are going through unprecedented times during the current COVID-19 health crisis. I would like to assure all residents that we continue to work very closely with appropriate departments at the state, county and local levels to minimize the impact of coronavirus on our residents and businesses. Even though we must put in place some difficult measures following Governor Phil Murphy's Executive Order yesterday, I feel we will get through this and come out stronger as a community.

The Governor's Executive Order includes strict guidelines for businesses. I truly believe that the long-term stability of our local businesses depends on all of our support. It is more important now than ever to come together and help impacted local businesses. Please shop local when possible. Order take out from your favorite local restaurants and bars. Small measures can go a long way to keep these businesses running and the vitality of our community strong and resilient.

I would also like to emphasize the importance of social distancing. At the same time, it's important to stay close with your friends and family with calls, texts and group chats. Call your elderly friends to check if they need anything. Spend quality time with family. Most of all, be considerate and patient. These are difficult times, but we will get through this together.

Please remain vigilant and stay safe.

Mayor Michael J. Gonnelli

Dear Residents,

Many residents have told me that they are glad to see walking trails and County parks open. I'm happy to see residents enjoy the beautiful spaces. While this is good for our physical and mental health, I am concerned that some are becoming lax when it comes to social distancing guidelines and wearing a mask. When you are out enjoying the fresh Spring air, please remember:

Social distancing is mandatory in public settings. "Let's do our part, six feet apart" should continue to be our mantra, at least for the near future.

Face coverings must be worn in public settings such as grocery stores, when picking up food, etc. Face masks are strongly encouraged in other settings where social distancing is not possible, including walking trails.

Playgrounds and ball fields are closed. Residents should not access these facilities as they are not being sanitized. If you see yellow tape around sections of open spaces, it means those sections are off-limits until restrictions are lifted.

CDC recommends that you not congregate with people who do not live in the same household. If you must see friends and family, please adhere to social distancing guidelines.

I understand the rules and restrictions mandated by the COVID-19 health crisis are unprecedented and inconvenient. However, we need to be considerate of others with higher risk factors. Wearing a mask may not be comfortable, but the person walking past you may have a health condition that puts them at greater risk. Our Town is made up of caring individuals who love their families and look out for their neighbors. Please continue to show your love for each other by wearing a mask and practicing social distancing.

Please do your part to stem the spread of the coronavirus. Continue to check our website www.secaucusnj.gov/virus for the latest updates.

Stay vigilant and be safe.

Be sure to join us on Thursday for our weekly concert in the park!

The poster features a vibrant orange-to-yellow gradient background. In the top left corner is the Secaucus logo, which consists of a stylized 'S' with green leaves and the word 'SECAUCUS' in a blue banner. To the right of the logo, the title '2020 SUMMER CONCERT SCHEDULE' is written in large, bold, black capital letters. Below the title, the text 'Concerts - 7:00 pm at Buchmuller Park except August 6 is at Mill Creek Point' is displayed in a smaller black font. The schedule is listed in white text on a dark background at the bottom. The dates are in large, bold white font, and the band names are in a smaller white font. A large, stylized golden treble clef is positioned on the right side of the poster, partially overlapping the text.

While this is good for our physical and mental health, I am concerned that some are becoming lax when it comes to social distancing guidelines and wearing a mask. When you are out enjoying the fresh Spring air, please remember:

Social distancing is mandatory in public settings. "Let's do our part, six feet apart" should continue to be our mantra, at least for the near future.

Face coverings must be worn in public settings such as grocery stores, when picking up food, etc. Face masks are strongly encouraged in other settings where social distancing is not possible, including walking trails.

Playgrounds and ball fields are closed. Residents should not access these facilities as they are not being sanitized. If you see yellow tape around sections of open spaces, it means those sections are off-limits until restrictions are lifted.

CDC recommends that you not congregate with people who do not live in the same household. If you must see friends and family, please adhere to social distancing guidelines.

I understand the rules and restrictions mandated by the COVID-19 health crisis are unprecedented and inconvenient. However, we need to be considerate of others with higher risk factors. Wearing a mask may not be comfortable, but the person walking past you may have a health condition that puts them at greater risk. Our Town is made up of caring individuals who love their families and look out for their neighbors. Please continue to show your love for each other by wearing a mask and practicing social distancing.

Please do your part to stem the spread of the coronavirus. Continue to check our website www.secaucusnj.gov/virus for the latest updates.

Stay vigilant and be safe.

Dear Residents,

We are going through unprecedented times during the current COVID-19 health crisis. I would like to assure all residents that we continue to work very closely with appropriate departments at the state, county and local levels to minimize the impact of coronavirus on our residents and businesses. Even though we must put in place some difficult measures following Governor Phil Murphy's Executive Order yesterday, I feel we will get through this and come out str... See more

We'd like to give a huge thank you to Mayor Michael Gonnelli, Lisa Snedeker, the [Town of Secaucus](#) and all who braved the chilly autumn air to see us perform last night at Monarch Park. Thank you all for making us feel welcome. We really appreciate it. Hope to see you all again soon!
