Did you know that destroying one spotted lanternfly egg mass can prevent the hatching of 30-50 bugs in the spring? Watch as Ava from the Secaucus Environmental Department shows you how to keep "stomping them out" this fall/winter.

We have already raised over \$1,000 for our #HudsonGives campaign! Thank you to everyone who has donated! A very big THANK YOU to one of our anonymous donors who donated \$500 in honor of [Town of Secaucus Mayor Michael Gonnelli](#) for the amazing work he has done to move Secaucus forward!

We have had the pleasure of working with Mayor Gonnelli throughout the years on different initiatives as he was one of the recipients of our Persons of the Year Award in 2016. He was there for the installation of the prescription drug disposal box for local residents to safely dispose of their unused, unwanted, and expired medicine with [Secaucus Coalition](#). He also met with our [Secaucus Next Generation Community Leaders](#) to learn more about their summer project to promote the green business initiative, composting programs, and their green park audit.

Thank you to our donor and Mayor [Gonnelli](#) for the amazing work you do to support the residents of our communities.

You can also help us increase resiliency and provide support and protective factors to our communities by reducing the traumatic impact of adverse childhood experiences by donating at www.pipnj.org/hudsongives

The students of Huber Street School started the morning off right with a walk to school with a cop. The Huber Bears took a nice leisurely stroll to school with The Secaucus Police Department on Friday, October 22nd, 2021. The walk began at Trolley Park and ended in front of Huber St. School. Students were met by countless uniform police officers, Chief Miller, Major Gonelli, and Town Council Members. Thank you for supporting Huber Street School, The Secaucus Police Department, and The Town of Secaucus. [Town of Secaucus](#)

We have already raised over \$1,000 for our [#HudsonGives](#) campaign! Thank you to everyone who has donated! A very big THANK YOU to one of our anonymous donors who donated \$500 in honor of [Town of Secaucus](#) Mayor Michael Gonnelli for the amazing work he has done to move Secaucus forward!

We have had the pleasure of working with Mayor Gonnelli throughout the years on different initiatives as he was one of the recipients of our Persons of the Year Award in 2016. He was there for the installation of the prescription drug disposal box for local residents to safely dispose of their unused, unwanted, and expired medicine with [Secaucus Coalition](#). He also met with our [Secaucus Next Generation Community Leaders](#) to learn more about their summer project to promote the green business initiative, composting programs, and their green park audit.

Thank you to our donor and Mayor [Gonnelli](#) for the amazing work you do to support the residents of our communities.

You can also help us increase resiliency and provide support and protective factors to our communities by reducing the traumatic impact of adverse childhood experiences by donating at www.pipnj.org/hudsongives

The students of Huber Street School started the morning off right with a walk to school with a cop. The Huber Bears took a nice leisurely stroll to school with The Secaucus Police Department on Friday, October 22nd, 2021. The walk began at Trolley Park and ended in front of Huber St. School. Students were met by countless uniform police officers, Chief Miller, Major Gonelli, and Town Council Members. Thank you for supporting Huber Street School, The Secaucus Police Department, and The Town of Secaucus. [Town of Secaucus](#)

We have already raised over \$1,000 for our [#HudsonGives](#) campaign! Thank you to everyone who has donated! A very big THANK YOU to one of our anonymous donors who donated \$500 in honor of [Town of Secaucus](#) Mayor Michael Gonnelli for the amazing work he has done to move Secaucus forward!

We have had the pleasure of working with Mayor Gonnelli throughout the years on different initiatives as he was one of the recipients of our Persons of the Year Award in 2016. He was there for the installation of the prescription drug disposal box for local residents to safely dispose of their unused, unwanted, and expired medicine with [Secaucus Coalition](#). He also met with our [Secaucus Next Generation Community Leaders](#) to learn more about their summer project to promote the green business initiative, composting programs, and their green park audit.

Thank you to our donor and Mayor [Gonnelli](#) for the amazing work you do to support the residents of our communities.

You can also help us increase resiliency and provide support and protective factors to our communities by reducing the traumatic impact of adverse childhood experiences by donating at www.pipnj.org/hudsongives
