Laurel Hill Park, once the home of multiple county facilities, has undergone a remarkable transformation over the years, evolving into the vibrant park and school campus we see today. This evolution is a testament to the vision and dedication of many, including Hudson County Executive Tom DeGise, whose tireless efforts have greatly contributed to the park's growth and enhancement.

Today, the park stands as a symbol of community revitalization, with recreational spaces and educational facilities that serve residents of all ages. In this video, Mayor Gonnelli looks at a brief history of the park and highlights some of the features that exist today.

Laurel Hill Park, once the home of multiple county facilities, has undergone a remarkable transformation over the years, evolving into the vibrant park and school campus we see today. This evolution is a testament to the vision and dedication of many, including Hudson County Executive Tom DeGise, whose tireless efforts have greatly contributed to the park's growth and enhancement. Today, the park stands as a symbol of community revitalization, with recreational spaces and educational facilities that serve residents of all ages. In this video, Mayor Gonnelli looks at a brief history of the park and highlights some of the features that exist today.

Join us for the next Shakespeare in the Park performance on 5/3!

Midsummer Night's Dream

May 3, 2023

7:00 pm

Buchmuller Park

Join us in Buchmuller Park when starry-eyed young lovers and zany would-be actors cross paths with mischief-making fairies in a magical forest, the result is one of the world's most uproarious comedies. This Shakespeare Theatre of New Jersey production is a fanciful envisioning of the Bard's classic Midsummer Night's Dream.

*This program is rain or shine. If inclement weather is projected, we will determine which location we will hold the performance at 48 hours prior to the performance. Please check the library social media accounts for updates or register on the calendar @ secaucuslibrary.org for updates via email.

Rain location: High Tech High School
1 High Tech Way, Secaucus, NJ

This program was made possible by a grant from the New Jersey State Council of the Arts, and administered by the Hudson County Office of Cultural & Heritage Affairs, Toni A. DeRose, the Hudson County Executive, and the Hudson County Board of Commissioners.
