CANCELLATION DATE:		APPROVED BY: Chief James Riccio

Be advised that on December 30th 2016, we will be outfitting select officers with Body Worn Cameras for a trial period which will run through January and February 2017. During the trial period, the officers will be evaluating the equipment and reporting their findings to the Operations Division Commander. Officers should know that the cameras will be recording video and audio when activated. All are reminded that they should maintain a professional demeanor when on calls for service. This should however not deter officers from taking certain courses of action necessary to handle the situation.
