- 1:3 Excluded from such representation are all other employees of the Board, including: all Professional Assistants permanently assigned to the Board Office, the Superintendent’s or Assistant Superintendent’s Office, and Supervisors within the meaning of the New Jersey Employer-Employee Relations Act. All other persons, positions, and units not specifically included in 1:1.1 through 1:1.15 above are excluded.

- 1:4 Should the Board of Education employ part-time Professional Assistants, the Board and the Association will meet to discuss the benefits to which such employees would be entitled.

ARTICLE 2 NEGOTIATION OF SUCCESSOR AGREEMENT

- 2:1 The parties agree to enter into collective negotiations over a successor Agreement in accordance with NJS 34:13A-1 *et seq.* in a good-faith effort to reach agreement on all matters concerning the terms and conditions of employees covered by this Agreement. Such negotiations shall begin not later than October 1 of the fiscal year proceeding the fiscal year in which this Agreement expires. Any Agreement so negotiated shall apply to all employees covered by this Agreement, be reduced to writing, be signed by the Board and the Association, and be adopted by the Board and the Association.
- 2:2 During negotiation, the parties shall meet at mutually agreed upon times and shall freely exchange points of view, present relevant data and make proposals and counterproposals. They shall supply each other, for inspection and copying, all pertinent records, data and final budgetary information which are non-confidential and may be reasonably requested for such inspection and copying, and which may become available to the respective parties in the regular course of negotiations.
- 2:3 Neither party in any negotiations shall have any control over the selection of the negotiating representatives, who shall total no more than six (6) plus one (1) professional representative in number, except by mutual agreement. The parties mutually pledge that

their representatives shall be clothed with all necessary power and authority to make proposals, consider proposals, and make counterproposals in the course of negotiations.

2:4.1 Representatives of the Board and the Association's negotiating committees shall meet at the request of either party, when such requests are mutually agreed upon, and at a designated time and place mutually agreed upon, to review the administration of the Agreement, and to resolve problems that may arise. These meetings are not intended to bypass the grievance procedure.

2:5 This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

ARTICLE 3 GRIEVANCE PROCEDURE

3:1 GENERAL

3:1.1 A "grievance" is a written claim by an employee or group of employees that as to him, there has been Board or Administrative action constituting a violation of this Agreement.

3:1.2 As used in the above description, the term "group of employees" shall mean a group of employees having the same grievance.

3:1.3 In presenting the grievance, an employee shall be assured freedom from prejudicial action occasioned solely by the institution of said grievance.

3:1.4 An aggrieved person is the employee or group of employees claiming the grievance.

3:1.5 Grievances shall be instituted not later than sixty (60) days following cause thereof.

3:1.6 The employee shall have the right to present their own grievance or to designate a reasonable number of representatives of the Association or other persons of their own choosing to appear with them or for them at any step of their grievance.

3:1.7 If a grievance affects a group or class of employees, the Association may submit such grievances in writing to the Superintendent directly and the processing of such grievance shall begin at Level Three. The Association may process such a grievance through all levels of the grievance procedure so long as more than one employee affected by the class grievance agrees to do so.

3:2 **PROCEDURE**

3:2.1 Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum, and every effort should be made to expedite the process. The time limits specified may however, be extended by mutual agreement.

3:2.2 If a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year could result in irreparable harm to the aggrieved,

the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted before the end of the school year or as soon thereafter as is practicable.

3:2.3 **Level One.** An employee with a grievance shall first discuss it with his Principal or immediate superior, either directly or through the Association's representative, with the objective of resolving the matter informally.

3:2.4 **Level Two.** If the aggrieved person is not satisfied with the disposition of his grievance at Level One, or if no decision has been rendered within three (3) school days after presentation of the grievance, he may file the grievance in writing with the Chairperson of the Association's Committee on Professional Rights and Responsibilities (hereinafter referred to as the "PR&R Committee") within seven (7) school days after the decision at Level One or ten (10) school days after the grievance was presented, whichever is sooner. Within five (5) school days after receiving the written grievance, the Chairperson of the PR&R Committee shall refer it to the Superintendent of Schools. The Superintendent shall have twenty (20) school days from receipt of the written grievance within which to hold a hearing and render his decision.

3:2.5 **Level Three.** If the aggrieved person is not satisfied with the disposition of his grievance at Level Two, or if no decision has been rendered within twenty (20) school days after the grievance was delivered to the Superintendent, he may, within five (5) school days after a decision by the Superintendent, or twenty-five (25) school days after the grievance was delivered to the Superintendent, whichever is sooner, request in writing that the

Chairperson of the PR&R Committee submit his grievance to the Board of Education.

Within five (5) school days after receiving the request, the Chairman of the PR&R Committee shall refer it to the Board of Education, if deemed meritorious by the PR&R Committee. The Board shall hold such hearings as it deems necessary and issue its decision not later than twenty-five (25) school days from receipt of the written grievance and record. If the Board does not hold a hearing it shall issue its decision not later than fifteen (15) days from receipt of the written grievance and record.

3:2.6 **Level Four**

- a. If the aggrieved person is not satisfied with the disposition of his grievance at Level Three, or if no decision has been rendered by the Board within the time limits specified in Level Three, he may, within five (5) school days after a decision by the Board or the expiration of the applicable time limit for issuance of the Board's decision, whichever is sooner, request in writing that the Chairperson of the PR&R Committee submit the grievance to arbitration. The PR&R Committee shall have sole discretion to consider the merit of the grievance, and may then, within fifteen (15) school days after receipt of a request by the aggrieved person, submit the grievance to arbitration by service of demand thereof upon the Board through the Superintendent.
- b. The Arbitrator so selected shall hold hearings promptly and shall issue his decision not later than thirty (30) calendar days from the date of the close of the hearings; or, if oral hearings have been waived, then from the date the final statements and proofs on the issues are submitted to him. The Arbitrator's

decision shall be in writing and shall set forth his findings of fact, reasoning and conclusions of the issues submitted. The Arbitrator shall limit himself to the issues submitted to him and shall consider nothing else. The Arbitrator shall be without power or authority to make any decision, which requires the commission of an act, prohibited by law or which is violative of the terms of this Agreement. The Arbitrator shall have no power to add to, subtract from or modify any of the terms of the Agreement. The decision of the Arbitrator shall be binding upon all the parties, except custodial and maintenance employees for whom the Arbitrator's decision will be considered advisory in nature only.

- c. The costs for the services of the Arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.
- d. All grievance settlements shall be in writing and approved by the Superintendent at his level or the Board at its level, and the Association. Settlement of a grievance below the Superintendent's level shall not be deemed precedent.
- e. If the Association determines that a grievance is meritorious, it may file a request for arbitration through the New Jersey Public Employee Relations Commission. The Arbitrator will be selected by the parties consistent with the rules of the Commission.

- f. The aggrieved shall follow applicable rules and regulations during a pending grievance.
- g. Necessary forms for the administration of the grievance procedure shall be prepared by the Board of Education and the Association. Such forms shall provide for description of the nature of the grievance, including listing of the provisions of the Agreement complained of as being violated.

ARTICLE 4 EMPLOYEE RIGHTS

- 4:1 The Board and the Association undertake and agree on their respective behalf that neither shall directly or indirectly discourage, deprive or coerce any employee of the enjoyment of any rights conferred by law; that neither shall discriminate against any employee with respect to hours, wages or any terms or conditions of employment by reason of his membership in or participation in the activities of the Association and its affiliates, participation in collective negotiations with the Board and the Association, or institution of any proceeding affecting the terms and conditions of his employment.
- 4:2 No employee shall be formally disciplined or formally reprimanded or reduced in compensation without just cause. Any such action asserted by the Board, or any agent or representative thereof, shall not be made public. Dismissal shall not be subject to the grievance procedure herein set forth. In the case of custodial or maintenance personnel, dismissal shall not be subject to the grievance procedure herein set forth.

- 4:3 Whenever any employee is required to appear before the Board concerning any matter which could adversely affect the continuation of that employee in his office, position or employment, or the salary or any increments pertaining thereto, then he shall be given prior written notice of the reasons for such meeting or interview and shall be entitled, at his option, to have a representative of the Association present to advise and represent him during such meeting or interview.
- 4:4 The employee has the right and responsibility to determine grades in **SOUTHERN REGIONAL HIGH SCHOOL DISTRICT** based upon his professional judgment or available criteria pertinent to any given subject area or activity to which he is responsible. If an employee's superior desires to alter or change a grade, a conference between the employee and his superior shall be held to determine the validity of such alteration or change. The final decision is to be made by the administration.
- 4:5 No employee shall be prevented from wearing a pin or pins or other identification of membership in the Association or its affiliates provided that such pin, pins or other identification do not violate acceptable standards of size and appearance.
- 4:6 An employee shall have the right, upon request to the Principal or Supervisor, to review the contents of his/her personnel file in his/her school and to receive a copy of any documents contained therein. Once every three (3) years an employee shall have the right to indicate those documents or other materials in his/her file in his/her school, three (3) years of age or older which he/she believes to be obsolete. Said documents shall be

reviewed by the Superintendent, or his designee, and, if in his opinion they are obsolete, they shall be destroyed. The Superintendent's decision shall be final.

- 4:7 No material derogatory to an employee's conduct, service, character or personality shall be placed in his/her personnel file unless the employee is given an opportunity to review the material. The employee shall acknowledge that he/she has had the opportunity to review such material by affixing his/her signature to the copy to be filed, with the express understanding that such signature in no way indicates agreement with the contents thereof. The employee shall also have the right to submit a written answer to such material.

ARTICLE 5 ASSOCIATION RIGHTS AND PRIVILEGES

- 5:1 An Association-Board Liaison Committee shall exist for the sole purpose of direct communication between the Southern Regional Education Association and the Southern Regional Board of Education. The Committee shall consist of nine members: the Superintendent, the Association president or his/her designee, three members of the SREA, at least one of whom is a secretary, and one of whom is a custodial/maintenance staff member of the Association president's choosing, the Board president, or his/her designee, and three Board members of the Board president's choosing.

The Association president and the Board president shall have the authority to mutually cancel meetings or schedule additional meetings when necessary.

5:2 In response to a reasonable request, the Board agrees to furnish the Association with available and non-confidential information concerning the financial, educational and personnel resources of the school system.

5:3 Whenever any representative of the Association or any employee participates during working hours in negotiations or grievance procedures, he shall suffer no loss of pay.

5:4 The Association agrees that, upon mutual request, it will form committees to assist the Board and the administrative staff in developing, formulating, revising and evaluating programs, proposals, structures and methods under consideration or being implemented within the school system.

5:5 The Association and its representatives shall have the right to use school buildings and facilities for meetings at all reasonable hours. The Principal of the building in question shall be notified in advance of time and place of all such meetings. Approval for such meetings shall not be unreasonably withheld.

- 5:6 The Association, with the permission of the administration, shall have the right to use school facilities and equipment at reasonable times when such equipment is not otherwise in use and when such use will not interfere with nor interrupt school operations. The association shall pay for the reasonable cost of all materials and supplies incident to such use. Such permission shall not be unreasonably withheld.
- 5:7 The Association may place in each faculty lounge a bulletin board for its exclusive use.
- 5:8 The Association will have the right to reasonable use of the in-school mail facilities, provided that all materials to be distributed shall bear its name. No prior approval for such use will be required.
- 5:9 The Superintendent of Schools, as the chief executive officer of the Board, will be available, upon request and reasonable notice by authorized representatives of the Association, to discuss all aspects of professional service including conditions of employment.
- 5:10 The Association President shall not be assigned either a homeroom or any other duty. The Association Vice-President shall not be assigned a homeroom.

- 5:11 The rights and privileges granted the Association in this Agreement shall not be granted to any other comparable employee organization having the same type of membership in its bargaining unit.
- 5:12 1. The Board and/or its agents, members of the administration, shall not encourage negotiation unit members to resign or relinquish membership in the Association and shall not encourage negotiation unit members to revoke authorization of the deduction of fees to the Association or its unified affiliates.
2. The Board and/or its agents, members of the administration shall not encourage or discourage an employee from joining or assisting the Association.
- 5:13 Should a negotiations unit member notify the Board, or its agents, that they wish to resign or relinquish membership in the Association, the Board shall require the member to submit a dues termination form and provide a copy of the same to the Association's president or his/her designee within five (5) calendar days of receiving the form from the unit member. The Association president shall have five (5) days to notify the district if the application to withdraw is invalid. Negotiations unit members may only resign or relinquish their membership or terminate dues deductions during the ten (10) calendar days following each anniversary date of the employee's employment. A withdrawal shall take effect on the thirtieth (30th) calendar day after the anniversary date.
- 5:14 The parties agree that the date of hire shall be defined as the first day of work in the then current district for any negotiations unit member. This shall include any new employee

orientation day(s) required by the Board. This shall be used solely for defining membership in the union.

ARTICLE 6
PROTECTION OF EMPLOYEES,
STUDENTS AND PROPERTY

- 6:1 Employees shall not be required to work under unsafe or hazardous conditions or to perform tasks which endanger their health and/or safety. If disorders or disruptions occur in the regular school program, the Association shall have the right to meet with the Administration to develop acceptable programs to insure the safety of students, employees and property.

No more than 5% of the certificated employees in the unit may be granted such leave for the same day, based upon the date of receipt of application. During May and June no more than five (5) certificated employees covered by this unit may be granted personal leave on any one day unless an exception is made at the discretion of the Superintendent. Such coverage shall be arranged by the building Principal and shall be distributed as equitably as possible among the teachers in said school.

20:3.1a The policy of assigning teachers to five (5) teaching periods, one (1) duty period, and two (2) duty-free preparation periods will prevail except as outlined below:

A teacher can be required to work a sixth class teaching assignment. However, should a teacher be required to work this sixth class assignment, said teacher will not be required to assume any additional duties. The extra class will be offered by seniority with senior teachers having the first right of refusal.

A. Notifications for sixth class assignments will be posted via email by the district. Any certified staff member interested in the assignment will need to submit a letter of intent within five (5) school business days.

B. When deemed necessary by The Administration, in consultation with The Association, to add a sixth period class after the first day of school for students, seniority will be defined as the most senior department member certified to teach the class being added, that will not require an additional travel period. The deadline for this application will be two (2) school business days from the time posted via email.

If a teacher works this sixth class teaching assignment he/she will receive an additional compensation of \$8,590 (2022-23); \$8,904 (2023-24); \$9,229 (2024-25) to their base salary for each year he/she works the additional sixth teaching assignment. Preference will be given first to teachers who have taught the subject and/or grade level in question within the previous four years either during the regular school year or in a prior summer session. When other factors are substantially equal, the decision will be based upon length of service in the Southern Regional School District. When all qualified applicants have received an appointment to one session of summer school, then the above criteria will be used to fill the second session.

24:3 All the provisions of this Agreement shall apply to teachers holding positions in the summer school, except where clearly inapplicable.

The teacher shall have the right to submit his written disclaimer of such evaluation at or following the conference. No teacher shall be required to sign a blank or incomplete evaluation form unless he is permitted to set forth the existence of the blanks or the claimed omissions rendering the form incomplete.

A nontenured teacher encountering instruction difficulties which could possibly result in non-reemployment shall receive increased observation and supervision with the intent of relieving the difficulties.

26:1.5 The staff member shall be given sufficient time for improvement, except in extremely serious cases, as provided by law. If the improvement requires changes in such things as teaching methods, lesson preparation, or classroom control, the time from the start of the school year to the last Supervisor's evaluation report before the issuance of contracts would be considered sufficient.

26:1.6 At the time the second and third contracts are offered they will be accompanied by a covering letter making note of any subject matter deficiencies that are considered sufficient for the denial of the next succeeding or tenure contract.

ALTERNATE PLAN

TEACHERS

21 Years or over:	1/2 the daily rate of pay on the first step of the Departing Teacher's column for each accumulated sick day. This payment shall not exceed \$12,000.
11-20 years:	1/2 the daily rate of pay on the first step of the Departing Teacher's column minus \$10. For each accumulated sick day. This payment shall not exceed \$12,000.
6-10 years:	1/2 the daily rate of pay on the first step of the Departing Teacher's column minus \$20. For each accumulated sick day. This payment

shall not exceed \$12,000.

SUPPORT STAFF

21 years or over:	\$30 for each accumulated day
11-20 years:	\$25 for each accumulated day
6-10 years:	\$20 for each accumulated day

Payment shall not exceed \$6,000.

Upon the death of an employee covered by this Agreement, payment for accumulated sick leave shall be paid to the employee's estate.

Except in unusual circumstances, an employee shall file a request indicating his intention to seek payment for accumulated sick leave by January 1 preceding the employee's termination of service with the school district. Such payment for sick leave will then occur effective July 1 of that year. If an employee fails to file such a request, it may be necessary, based on budgetary limitations, that the Board defers payment of the employee's accumulated sick leave to a time when budgetary limitations permit such payment; but in no event later than one year from the time the employee retires or terminates his service with the district.

The Board may opt to make non-salary reduction contributions under Sections 403(b)(3) of the Internal Revenue Code of 1986 on behalf of retiring employees. These contributions will be based on accumulated sick time and eligible incentives as outlined above. Should the Board elect to make these contributions, no individual employee will have the option of receiving equivalent amounts as compensation. These contributions will be made only to an approved provider and will not exceed the limits of Section 415(c)(3) of the Code and will not continue beyond the five (5) year period authorized under Section 403(b)(3) of the Code.

There is a cap of \$15,000 for reimbursement for accrued sick leave for all employees hired on or after July 1, 2010.

SICK DAY BANK

A Sick Day Bank shall be established. Each employee covered by this Agreement will be given the option of participating. The decision shall be binding for the remainder of one's time in the district.

Each participant may voluntarily contribute **ONE** of his sick days to the bank. Each employee covered by this Agreement will be given ninety (90) calendar days in which to decide to join or not. This will constitute a pool of days upon which a participant may draw, as explained below:

1. A participant who has exhausted his days due to a protracted and verifiable illness may apply to the committee.
2. The participant's record must show non-abuse of sick day usage, as determined by the committee.
3. Maternity related disability will generally not be considered by the Sick Day Bank.
4. The committee may or may not award the days and may do so in not more than thirty (30) day segments. Reapplication is necessary for each segment.

If the pool diminishes to the point whereby it is less than 30 per cent of whole days in relation to the number of participants at a given moment, an open enrollment period will be declared and all employees covered by this agreement shall have the opportunity to enroll in the Sick Day Bank. Should a participant at any time of replenishing opt **NOT** to re-enroll, such action will constitute a withdrawal from the bank, losing any days thus far contributed. Any

participant, once having contributed a day (or more in cases of replenishment) may in no way retrieve any days thus far contributed.

The committee will be as follows:

1. Three members of the SREA as elected by the unit (or appointed by president)
2. The Superintendent (or his designee).
3. A member of the Board (or an administrator as so designated by the Board President).
4. The Board Business Official (or his designee).

If a tie vote occurs, up to thirty (30) days will be awarded, but not more, for a single incident or illness.

Also in cases of a tie and following the initial 30 day award, if a reapplication follows, and a second tie results an outside mediator will be used to make the final determination and the cost will be borne equally by the Board and the Association.

As of July 1, an employee covered by the terms of this agreement may elect, in writing, to donate to the Sick Day Bank any portion of the unexpended personal illness days from the preceding year's total to a maximum of seventeen (17) days per year. The Bank shall be credited day for day for such donation.

The Business Administrator shall provide for the employee a written accounting of the days thus provided as well as a statement of the employee's per diem compensation for the year from which the donation is drawn. This provision shall remain in effect for the term of the current agreement.
