Re: OPRA request Dated October 22, 2025

Dear Mr. Michael:

This office is in receipt of your Open Public Records Request ("OPRA") dated October 22, 2025 via Email.

Your request in relevant part is as follows:

"All fire alarm and fire extinguisher invoices (Service, Installation, Inspections Etc.) from 2019 to present that were for government buildings."

Please be advise that the Sussex County Prosecutor's Office - as an agency - does maintain or service any fire alarms or fire extinguishers thus, is not in possession of records responsive to your request. Its offices are maintained by the County of Sussex.

Any and all invoices for fire alarms or fire extinguishers are likely maintained by Sussex Board of Commissioners and/or the Sussex County Government with offices located at the Sussex County Administrative Center, One Spring Street, 2nd Floor Newton, NJ 07860.

Please contact me should you have any further questions.

Very truly yours,

Jonathan E. McMeen, Esq.

Special DAG/ Acting Assistant Prosecutor
