Dear Sir/Madam:

Please accept this correspondence by way of response to the Open Public Records Act ("OPRA") request October 22, 2025. Governmental agencies are required to respond to OPRA requests within seven business days. As government agencies must respond to OPRA requests within seven (7) business days of receipt of the request, this response is timely. Your request sought the following documents/records:

All fire alarm and fire extinguisher invoices (Service, Installation, Inspections Etc.) from 2019 to present that were for government buildings

Please be advised that your request has been granted. However, due to the number of documents that must be located and reviewed, the Board will require seven (7) additional business days from the date of this correspondence in order to perform the necessary review and redactions. Accordingly, the Board's response will be due on **November 11, 2025**. We will, however, endeavor to respond earlier if possible.

Very truly yours,

Joseph P. Hurley Jr.
School Business Admin/Board Secretary
