To Whom It May Concern;

I am in receipt of your OPRA request sent via e-mail to the Freehold Township Clerk dated September 22, 2023 for:

“this is a second request for “All Computer Aided Dispatch, Spillman Direct Messages for Officer Brandon Borriello #16261 and Officer Louis Toscani #16271 from January 1, 2023 til current.”

Please be advised that your request for “All Computer Aided Dispatch, Spillman Direct Messages for Officer Brandon Borriello #16261 and Officer Louis Toscani #16271 from January 1, 2023 til current” is denied as it fails to properly identify the messages sought. An OPRA request seeking messages, communications, or other correspondence must provide “1) [the] content and/or subject of the [correspondence]; 2) the specific date or range of dates during which the [correspondence] was transmitted ... ; and 3) [the] identity [of] the sender and/or recipient of said [correspondence].” Elcavage v. West Milford Township, GRC Complaint No. 2009-07 (April 2010); see also Serringer v. Office of Governor of State, A-0837-15T2, 2017 WL 2610646 (App. Div. June 16, 2017)) (“In order to limit a blanket request, the subject matter of the type of document sought should be identified in the request. ... With these guiding principles in mind, we conclude from our review that plaintiff's request was overly broad.”) The request fails to specify the content and/or subject of the messages sought.

Best regards;
