Subject: RE: Request for Civil Service List to be certified

Good morning,

I am following up on my e-mail from last week. I wanted to explain that we will be having a lieutenant position opened due to Lt. Mastria retiring April 1st, 2025. This is being requested now due to the timeframe that is needed for certifications going out, responses received, interviews, pre-board, etc.

With no active list currently, we are requesting the old list be certified.

Thank you in advance, as always, for your assistance.
