| 4/9/24 9:04AM   |                                  |                   |                    |        |             | My child(ren) and family are still working on acclimating to the change. |                                                                                                    |         |
| 4/7/24 11:42PM  |                                  |                   |                    |        |             | My child(ren) and family are still working on acclimating to the change. |                                                                                                    |         |
| 4/8/24 12:15PM  |                                  |                   |                    |        |             | My child(ren) and family are still working on acclimating to the change. |                                                                                                    |         |
| 3/27/24 1:36PM  |                                  |                   |                    |        |             | My child(ren) and family are still working on acclimating to the change. |                                                                                                    |         |
| 3/28/24 3:07PM  |                                  |                   |                    |        |             | My child(ren) and family are still working on acclimating to the change. | Bartle students should not be entering school so early                                             |         |
| 3/27/24 11:25AM |                                  |                   |                    |        |             | My child(ren) and family are still working on acclimating to the change. | I dislike the early start time and early end time. It allows for too much unstructured time in pm. |         |

# BARTLE SCHOOL

| 4/8/24 9:30AM   |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | .                                                                                                    | .                                                                           |
| 3/26/24 10:44PM |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | School should start earlier and end at 2:15                                                          | (January 7th) Coptic Orthodox Christmas                                     |
| 3/27/24 6:49PM  |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | I think it's important to have discipline so the early start times are important.                    | all are good                                                                |
| 3/28/24 3:18PM  |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | No time for extracurricular activities                                                               | All Federal holidays                                                        |
| 4/8/24 7:53AM   |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | no                                                                                                   | another day off? , close the schools and don't work anymore..               |
| 4/7/24 2:47PM   |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | Not                                                                                                  | Catholic                                                                    |
| 3/29/24 9:26AM  |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | Bartle students are entering puberty and need as much sleep as MS and HS students.                   | Children need more instuctional time and less time off                      |
| 4/2/24 4:24PM   |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | The school started too early in the morning, kids didn't got enough sleep                            | Chinese new year                                                            |
| 3/28/24 2:59PM  |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | It is a struggle every single day to get our daughter up and off to school.                          | Could we just give excused absences as the default?                         |
| 4/3/24 4:09PM   |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | The previous time worked better for us.                                                              | Dashain and Tihar (Diwali) for Nepali children.                             |
| 4/3/24 4:09PM   |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | The previous time worked better for us.                                                              | Dashain and Tihar(Diwali) for Nepali children.                              |
| 3/28/24 2:45PM  |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | There is no change in start/end times unsure why this survey is sent without change in school time   | diwali                                                                      |
| 3/26/24 8:55PM  |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | School end time is a bit earlier.                                                                    | Diwali                                                                      |
| 3/28/24 8:33PM  |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | Keep the previous times                                                                              | Diwali and Holi festivals                                                   |
| 4/7/24 5:03PM   |            |                   |                    |            |             | The change has not benefited my child(ren) and family. |                                                                                                      | Easter                                                                      |
| 4/9/24 8:12AM   |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | Bartle should not start before 8:30 or 9. Elementary students need more sleep, and have activities   | Eid for Muslims. Ramadan should be acknowledged in school.                  |
| 3/27/24 6:23PM  |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | Bartle's dismissal time is too early, many Bartle kids are unsupervised after school for too long    | Eid, Rosh Hashanah (1 day), Yom Kippur (1 day), xmas, xmas eve, good friday |
| 4/1/24 9:29AM   |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | I'm a single working mom, I must have before and after care for my daughter in order to get on time  | Good friday                                                                 |
| 3/28/24 3:51PM  |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | There are times when the early start time prevents my child from getting enough sleep.               | Having the whole Thanksgiving week off to allow for travel to see family.   |
| 4/8/24 11:40AM  |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | Repeated insistence that the 7:45 start time is unchangeable is kind of an outrage.                  | Holidays observed by the families of 10% or more of the student body.       |
| 3/30/24 8:47AM  |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | HS students are old enough to ensure they get adequate sleep; younger kids suffer for their benefit  | I think it's fine right now but adding more benefits every religion         |

# BARTLE SCHOOL

| Submitted On   | Student ID | Student Last Name | Student First Name | School     | Grade Level | List                                                   | String                                                                                               | String2                                                                    |
|----------------|------------|-------------------|--------------------|------------|-------------|--------------------------------------------------------|------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------|
| 3/27/24 6:47PM | [REDACTED] | [REDACTED]        | [REDACTED]         | [REDACTED] | [REDACTED]  | The change has not benefited my child(ren) and family. | I think it's important for kids to understand discipline so the early start times are important.     | I think the holidays that already are observed are good.                   |
| 3/29/24 9:27AM |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | The change is harmful to Bartle students who need as much sleep and MS and HS students               | I would like to see more instructional time built into the calendar        |
| 4/9/24 1:46PM  |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | Bartle start time is absolutely horrible. PLEASE fix it and make it AFTER 8am for September 2024.    | It is unfortunate that there are no days off for Passover this year        |
| 3/28/24 2:08PM |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | Starts too early & too much time to spend in afterschool doing things that aren't constructive       | Juneteenth, Christmas Easter                                               |
| 4/8/24 11:39AM |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | 7:45 is obviously too early to begin school, and needs to change.                                    | Major holidays observed by at least 10% of the student body seems appropri |
| 3/28/24 4:27PM |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | My son liked how it was last year when he didn't have to rush. He misses quiet time in the am.       | mlk/presidents' day/June 15th                                              |
| 4/8/24 9:53AM  |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | No                                                                                                   | N/A                                                                        |
| 4/9/24 8:14AM  |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | The later high school start times came at the detriment of younger grades e.g. earlier wake up times | N/A                                                                        |
| 4/8/24 11:42AM |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | We felt for kids transitioning from Irving, this change seemed a bit drastic.                        | NA                                                                         |
| 4/8/24 3:02PM  |            |                   |                    |            |             | The change has not benefited my child(ren) and family. |                                                                                                      | No I do not think that religious observances should be days off            |
| 3/27/24 8:01AM |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | Way too early and there is no grace time. If the time is already early at least give some grace time | No more half days. It's very hard on working parents.                      |
| 3/28/24 8:15PM |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | no i just feel start time should go back to normal                                                   | none                                                                       |
| 4/8/24 12:24PM |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | too early                                                                                            | none                                                                       |
| 4/8/24 12:24PM |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | too early                                                                                            | none                                                                       |
| 3/28/24 1:15PM |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | The Bartle start time is too early and I prefer the previous start time of 8:00.                     | None                                                                       |
| 4/9/24 8:17AM  |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | Horrible idea and does not benefit the smaller children at at.                                       | Not a religious holiday but Juneteenth.                                    |
| 3/28/24 7:28AM |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | It has been a struggle and it's not getting better. It's affecting physical and mental health now    | Nov 1 all saints Day                                                       |
| 3/28/24 7:26AM |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | The earlier time has been a hardship for my kids physical and mental health. We are late every day.  | Nov. 1 (all saints Day/dia de los muertos)                                 |
| 4/8/24 7:36AM  |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | Made our mornings very harsh but we did it.                                                          | November 1, December 24-26, January 6 (epiphany), Easter,                  |
| 3/28/24 1:29PM |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | my child is exhausted. the town's extracurricular activities do not align with the new start time.   | passover                                                                   |
| 3/27/24 4:08PM |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | I was surprised, I didn't expect 15 min. to have such a negative impact on our family's morning .    | Rosh haShanah, Yom Kipur and Passover.                                     |
| 3/29/24 5:31PM |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | The school start times are too early.                                                                | The ones that are already observed                                         |
| 3/28/24 7:52AM |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | It's early but not that much earlier then 8                                                          | The ones we already have                                                   |
| 3/28/24 7:21AM |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | Your character limit makes it impossible to answer this question. It has been terrible.              | This question is strange in the context of the other two.                  |
| 4/8/24 12:07PM |            |                   |                    |            |             | The change has not benefited my child(ren) and family. | No                                                                                                   | When Passover doesn't coincide w/Easter it's probelmatic for our family    |
| 4/2/24 11:33PM |            |                   |                    |            |             | There has been no impact on my child(ren) and family.  |                                                                                                      |                                                                            |
| 4/2/24 11:32PM |            |                   |                    |            |             | There has been no impact on my child(ren) and family.  |                                                                                                      |                                                                            |
| 3/28/24 8:47PM |            |                   |                    |            |             | There has been no impact on my child(ren) and family.  |                                                                                                      |                                                                            |
| 4/8/24 9:35AM  |            |                   |                    |            |             | There has been no impact on my child(ren) and family.  | No                                                                                                   |                                                                            |
| 3/30/24 1:33PM |            |                   |                    |            |             | There has been no impact on my child(ren) and family.  |                                                                                                      |                                                                            |
| 4/6/24 6:16PM  |            |                   |                    |            |             | There has been no impact on my child(ren) and family.  |                                                                                                      |                                                                            |
| 3/28/24 4:32PM |            |                   |                    |            |             | There has been no impact on my child(ren) and family.  | no                                                                                                   |                                                                            |

| 2/11/24 9:25PM  |            |                   |                    |            |             | The change benefited my child(ren) and family. | N/A                                                                                                | Eid Al-Fitr. Religious Festival that marks the end of Ramadan.              |
| 2/13/24 8:30PM  |            |                   |                    |            |             | The change benefited my child(ren) and family. |                                                                                                    | Eid ul fitar and eid ul azha as Muslims                                     |
| 2/14/24 3:07PM  |            |                   |                    |            |             | The change benefited my child(ren) and family. | It's great! My child has been more energetic.                                                      | Eid- end of Ramadan                                                         |
| 2/9/24 9:07AM   |            |                   |                    |            |             | The change benefited my child(ren) and family. | Nope, love it                                                                                      | Eid, and 27th day of Ramadan                                                |
| 2/9/24 6:13PM   |            |                   |                    |            |             | The change benefited my child(ren) and family. | I think the later times are generally better. And wish this change had been made earlier.          | Generally, only major religious observances of the 3 major religions in HP  |
| 2/9/24 3:05PM   |            |                   |                    |            |             | The change benefited my child(ren) and family. |                                                                                                    | Good Friday, Easter, Christmas                                              |
| 2/16/24 3:03PM  |            |                   |                    |            |             | The change benefited my child(ren) and family. | N/A                                                                                                | Good Friday.                                                                |
| 2/20/24 9:10AM  |            |                   |                    |            |             | The change benefited my child(ren) and family. |                                                                                                    | Hispanic holidays because we don't feel represented or acknowledged         |
| 3/3/24 1:27PM   |            |                   |                    |            |             | The change benefited my child(ren) and family. | No                                                                                                 | I advocate a policy supporting religious absences, rather than closing      |
| 2/9/24 3:41PM   |            |                   |                    |            |             | The change benefited my child(ren) and family. |                                                                                                    | I am not concerned about this                                               |
| 2/9/24 5:24PM   |            |                   |                    |            |             | The change benefited my child(ren) and family. | The later start time is great for my family                                                        | I do not think religious holidays need to have a day off                    |
| 2/23/24 3:55AM  |            |                   |                    |            |             | The change benefited my child(ren) and family. | No i feel the start date at 9:00am is pretty relaxing for my daughter not to be waking up so early | I don't know we are Catholic so Good Friday I think it's already on the cal |
| 2/9/24 9:01AM   |            |                   |                    |            |             | The change benefited my child(ren) and family. | no                                                                                                 | i dont know                                                                 |
| 3/4/24 12:21AM  |            |                   |                    |            |             | The change benefited my child(ren) and family. | Start and end times for my two seniors are reasonable.                                             | I think that matching the calendar to New Brunswick is good                 |
| 3/4/24 12:23AM  |            |                   |                    |            |             | The change benefited my child(ren) and family. | Start and stop times are working well for my two seniors!                                          | I think that matching the calendar to New Brunswick is good.                |
| 2/11/24 10:35PM |            |                   |                    |            |             | The change benefited my child(ren) and family. | No                                                                                                 | Idk                                                                         |
| 2/9/24 10:04AM  |            |                   |                    |            |             | The change benefited my child(ren) and family. |                                                                                                    | Student info but am ok with religious holidays taking precedence over non.  |
| 2/9/24 10:00AM  |            |                   |                    |            |             | The change benefited my child(ren) and family. | Thanks                                                                                             | Islam                                                                       |

| 2/28/24 9:17AM  |                                  |                   |                    |        |             | The change benefited my child(ren) and family.         | None                                                                                                   | Present religious observations work fine for us                             |
| 2/9/24 3:19PM   |                                  |                   |                    |        |             | The change benefited my child(ren) and family.         | This change in start/end times has had an incredibly positive impact.                                  | Prominent ones for the religious practices of those in the school communit. |
| 2/15/24 9:22AM  |                                  |                   |                    |        |             | The change benefited my child(ren) and family.         | no                                                                                                     | religious days that are in school calendar are fine with me.                |
| 2/15/24 9:37AM  |                                  |                   |                    |        |             | The change benefited my child(ren) and family.         | no                                                                                                     | religious days that are in school calendar are fine with me.                |
| 2/21/24 12:46PM |                                  |                   |                    |        |             | The change benefited my child(ren) and family.         |                                                                                                        | Rosh hashana, Yom kippur                                                    |
| 2/9/24 5:11PM   |                                  |                   |                    |        |             | The change benefited my child(ren) and family.         | My children are never late anymore. Yay!                                                               | Rosh Hashanah, Yom Kippur, and ok with others as needed.                    |
| 2/9/24 10:01AM  |                                  |                   |                    |        |             | The change benefited my child(ren) and family.         | No                                                                                                     | Schedule is good as it is                                                   |
| 2/9/24 10:01AM  |                                  |                   |                    |        |             | The change benefited my child(ren) and family.         | No                                                                                                     | Schedule is good as it is                                                   |
| 2/9/24 12:04PM  |                                  |                   |                    |        |             | The change benefited my child(ren) and family.         | all staff are very frienly and helpfull                                                                | since we are Catholic we belive holly week should be observed               |
| 2/9/24 12:05PM  |                                  |                   |                    |        |             | The change benefited my child(ren) and family.         | the staff are very friendly and helpfull                                                               | since we are Catholic we belive holly week should be observed               |
| 2/12/24 10:47AM |                                  |                   |                    |        |             | The change benefited my child(ren) and family.         | I think its healthier for my son to sleep a little later                                               | The current line up is fine though I think we should also get Good Friday.  |
| 2/9/24 3:20PM   |                                  |                   |                    |        |             | The change benefited my child(ren) and family.         | None                                                                                                   | The ones we have are fine.                                                  |
| 2/9/24 3:21PM   |                                  |                   |                    |        |             | The change benefited my child(ren) and family.         | None                                                                                                   | The ones we have are fine.                                                  |
| 2/9/24 6:52PM   |                                  |                   |                    |        |             | The change benefited my child(ren) and family.         | My child can sleep longer                                                                              | We are fine with the days off. We celebrate catholic holidays.              |
| 2/9/24 2:11PM   |                                  |                   |                    |        |             | The change benefited my child(ren) and family.         | No                                                                                                     | We are fine with the ones that exist already.                               |
| 2/28/24 3:33PM  |                                  |                   |                    |        |             | The change benefited my child(ren) and family.         | My child is in a better mood in the morning but still struggles with getting enough sleep.             | We are Jewish and I have had to take my children out of school for importan |
| 2/28/24 9:53PM  |                                  |                   |                    |        |             | The change benefited my child(ren) and family.         | N/A                                                                                                    | We don't have any preferences                                               |
| 2/28/24 9:51PM  |                                  |                   |                    |        |             | The change benefited my child(ren) and family.         | N/A                                                                                                    | We have no preferences                                                      |
| 2/9/24 11:00AM  |                                  |                   |                    |        |             | The change benefited my child(ren) and family.         | My youngest (of 3) is in HS. I would have preferred an earlier start time when they K-5                | we should try as best we can to honor all religions                         |
| 2/14/24 6:54PM  |                                  |                   |                    |        |             | The change benefited my child(ren) and family.         | No comment                                                                                             | Yes Eid prayer and jumah prayer for muslims and its affecting my family     |
| 2/9/24 6:47PM   |                                  |                   |                    |        |             | The change benefited my child(ren) and family.         |                                                                                                        | Yom Kipper                                                                  |
| 2/9/24 9:29AM   |                                  |                   |                    |        |             | The change benefited my child(ren) and family.         |                                                                                                        | Yom Kippur, Rosh Hashanah and the most important holidays of other religion |
| 2/12/24 8:18AM  |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | School should start 8am or not later than 8:20AM                                                       |                                                                             |
| 2/9/24 7:14PM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | It has meant they say up later and wake up later. This has not been beneficial.                        |                                                                             |
| 2/9/24 8:59AM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. |                                                                                                        |                                                                             |
| 2/9/24 3:14PM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. |                                                                                                        |                                                                             |
| 3/6/24 1:29PM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | Bartle student [Student info] would like to sleep later. Also, pick up at 2:15 is early & expensive an |                                                                             |
| 2/9/24 2:12PM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. |                                                                                                        |                                                                             |
| 2/26/24 8:45AM  |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. |                                                                                                        |                                                                             |
| 2/21/24 5:34PM  |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. |                                                                                                        |                                                                             |
| 2/9/24 4:16PM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. |                                                                                                        |                                                                             |

# HIGH SCHOOL

| Submitted On    | Student ID                       | Student Last Name | Student First Name | School | Grade Level | List                                                   | String                                                                                               | String2                                                                     |

| 2/9/24 2:06PM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | Even with early bedtimes, my kids are struggling to wake up in time to eat a sufficient breakfast    |                                                                             |
| 3/11/24 10:53AM |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. |                                                                                                      |                                                                             |
| 2/9/24 4:43PM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. |                                                                                                      |                                                                             |
| 2/9/24 7:18PM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. |                                                                                                      |                                                                             |
| 2/12/24 1:12PM  |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | The Bartle start time is too early                                                                   |                                                                             |
| 2/10/24 8:00AM  |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | My child is late more often and says he hates school often because of waking so early                |                                                                             |
| 2/9/24 3:35PM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | The change in time has made the kids hate school. Ending early has been very difficult to manage.    | 11/1 and 11/2 are significant days.                                         |
| 2/9/24 9:20PM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | Please consider moving start times for both Irving and Bartle later so more kids can be on time.     | All major religions, or none                                                |
| 2/9/24 6:42PM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | It's very hard to get out of the house that early. We need to wake up when it's still dark out.      | Any holy days.                                                              |
| 2/9/24 4:45PM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. |                                                                                                      | as many jewish holidays as possible                                         |
| 3/1/24 9:22AM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. |                                                                                                      | Chinese New Year                                                            |
| 2/9/24 7:34PM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | My child is more tired in the mornings and often doesn't have time nor desire to eat breakfast.      | Christmas                                                                   |
| 2/9/24 4:28PM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | I would like the school to start a bit later a it used it. This gave my child more time in morning   | Diwali                                                                      |
| 2/9/24 5:56PM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | Later start times are great the earlier ones are hectic                                              | Diwali                                                                      |
| 2/9/24 2:03PM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | Start the school late, like 9 am                                                                     | Diwali.                                                                     |
| 2/9/24 8:16PM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | Start time is early                                                                                  | Eid al-Fitr                                                                 |
| 3/6/24 7:05AM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | During the winter and the hours back to EDT, it is hard to pull the babies from bed. They seem tired | Eid-ul-Fitr and Eid-ul_adha                                                 |
| 3/6/24 7:05AM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | During the winter and the hours back to EDT, it is hard to pull the babies from bed. They seem tired | Eid-ul-Fitr and Eid-ul_adha                                                 |
| 2/9/24 2:05PM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | Bartle start time and end time has created issues for earlier afternoon release.                     | Federal holidays and days when majority of state workers are off.           |
| 2/9/24 12:30PM  |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | School should start 9 am, current time is too early                                                  | First day of eid al-Fitr                                                    |
| 2/9/24 12:29PM  |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | School should start around 9am not 8.10am.                                                           | First day of eid al-Fitr                                                    |
| 4/8/24 11:41AM  |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | I would like it if the school for Bartle started later since my kids will be going soon.             | Greek easter good friday                                                    |
| 2/9/24 5:15PM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | After school activities are now impossible due to the early start time                               | Holidays that are recognized as federal days off                            |
| 2/9/24 11:00AM  |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | Starting Bartle at 7:45 next year would be nearly impossible for our family to manage.               | I like having winter break between Xmas and new years but not a necessity   |
| 2/9/24 6:12PM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | None of us are early risers. We've been tardy more times this year than in the past.                 | I'm happy with the current observances but believe Juneteenth should remain |
| 2/12/24 5:06PM  |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | Go back to the old starting and ending times.                                                        | Jewish holidays, Juneteeth, Asian holidays.                                 |
| 2/9/24 7:42PM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. |                                                                                                      | juneteenth                                                                  |
| 2/9/24 7:42PM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. |                                                                                                      | juneteenth                                                                  |
| 2/9/24 4:14PM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | The Bartle start time is way too early and needs to be fixed.                                        | Juneteenth, rosh hashana, Yom Kippur                                        |
| 2/9/24 4:13PM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | I'd like to see the Bartle start time changed back. It is far too early and not healthy for children | Juneteenth, rosh hashana, Yom Kippur                                        |
| 2/12/24 1:36PM  |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | High school students entering so late has caused chaos in getting them to school on time.            | My ok with school calendar                                                  |
| 2/9/24 7:42PM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | too early for the children                                                                           | n/a                                                                         |
| 2/9/24 9:49AM   |                                  |                   |                    |        |             | The change has not benefited my child(ren) and family. | No                                                                                                   | N/A                                                                         |
