RE: Resignation

Dear Dr. Latwis,

Please accept this letter of resignation effective February 26, 2024. While it is my full intent to fulfill the 90 day termination notice as required in my contract with commitment and dedication, I would appreciate it if you would consider an earlier release date.

While the new endeavor creates excitement, I must say that leaving such a great team comes with some sadness. What we accomplished over the last five years is nothing short of amazing! I consider my Barneгат experiences as some of the most rewarding times of my career. More importantly, I feel fortunate for the lasting friendships made in such a short amount of time.

I know my service to Barneгат will end in a few short weeks, However, I will continue to follow and cheer for this District's success for a long time to come.

Thank you again for a great ride and look forward to our continued friendship!

Sincerely,

Stephen J. Brennan
Business Administrator

Our collective mission is to nurture and educate our children in accordance with all curriculum standards to prepare them for responsible citizenship and success in life.
