Re: OPRA Request No. 101623-2

Dear The Curious Taxpayer:

Stockton University's Open Public Records Act (OPRA) Custodian received your records request on October 16, 2023. As such, the seven (7) business day deadline to respond to your request is October 25, 2023.

Your records request sought access to the following:

A digital list of all employees hired by Stockton University. Please include their job title (non abbreviated) and union affiliation, department they work in, hire date, and salary. Please include full time staff, part time staff, substitutes, or temporarily/seasonally employed workers. This list can be broken up if one record does not exist containing all the requested information. But please include all the requested information in the OPRA request.

Your request requires additional time to respond as there is no single record responsive to the request. OPRA permits custodians extensions of response time pursuant to N.J.S.A. 47:1A-5.i. Specifically, OPRA states that, "the requestor shall be advised by the custodian when the record can be made available. If the record is not made available by that time, access shall be deemed denied."

The response to this request requires an extension of ten (10) business days, until November 9, 2023. Please note that the University will be closed on Tuesday November 7, 2023 in observance of Election Day.

The University expects to respond by the above stated date. If the response cannot be made available by then, you will be advised in writing, along with the reason(s) therefor.

Sincerely,

Dawn Livingston
