Re: OPRA Request dated June 3, 2025

On behalf of the Monroe Township Board of Education ("Board" and/or "District"), I am writing this letter in furtherance of my correspondence of June 4, 2025 in response to your request for records pursuant to the Open Public Records Act ("OPRA") submitted and received via email on June 3, 2025.

More specifically, your request seeks access to:

"State of NJ DOE letter of reprimand sent to Dr. Chari Chanley by the commissioner of Education for VIOLATING state ethics laws for financial benefit to her family member. Sent to district or directly to Superintendent Chanley."

Per my correspondence of June 4, 2025, I requested an extension of time to respond to your request to permit the Board to identify all the responsive documents, retrieve the documents, and redact any non-disclosable/exempt information. Pursuant to N.J.S.A. 47:1A-5 which allows custodians to seek extensions of time, an additional extension of time until on or before Friday, June 27, 2025 is required. The extension is necessary due to the need for additional time to obtain the documents and to redact them as necessary, in order to protect confidential information that is exempt from disclosure under the OPRA.

Thank you for your anticipated courtesies in this regard.

Sincerely,

Lisa Goldstein
