To: mmaschi@nhanover.com Michael Maschi, mbytes@nhanover.com Mia Byles

Good evening,

The FIT internal posting closed on April 29th. I set up interviews with all candidates that applied between Monday and Tuesday. I will have the recommended candidate on my board report for June, but this will also create a vacancy elsewhere. I will let you know by the end of the day on Tuesday which staff member was selected so we can post for an anticipated position accordingly.

Thank you,
Deniese

Please submit your school district's 2026 Board of Education Vacancy Report.

Moorestown and Lenape Regional – We already received yours. Thank you. Please don't send a new copy unless something has changed.

We are beginning to build out the 2026 General Election ballot and need to be prepared to receive petitions for your 2026 school district candidates.

Petitions are due no later than 4 PM on July 27. School Board petitions require 25 signatures. We did have issues last year with candidates only filing with the bare minimum or with just a couple more signatures than required and then needing more before the deadline. If you are in communication with any candidates, please encourage them to get several more signatures than required.

Petitions and information for running for office can be found at <https://www.co.burlington.nj.us/2095/Running-for-Office>
