NARRATIVE Tuesday, February 7, 2023 On this date, at 1341 hours, I received an e-mail from Brian Budd. Said e-mail was to provide his statement as to what occurred on the night of 06/30/2022, and to prove that Joseph Vitale has been lying to law enforcement (e-mail saved). Wednesday, February 22, 2023 On this date I spoke with Brian Budd, via phone call, to clarify the details of the e-mail he sent me on February 7th . Budd advised that in that e-mail he sent, on February 7, he didn't include two additional attachments that he meant to send. He advised that he would send me another e-mail to include said attachments. Thursday, February 23, 2023 On this date, I reviewed the new e-mail from Brian Budd. He sent me a cell phone recording from his phone, audio included, and a copy of an e-mail that Joseph Vitale sent to Ptl. Collins on October 13, 2022 (copy of e-mail attached; video saved). The cell phone recording was said to be from the night of 6/30/2022. It was to disprove Vitale's statement about that evening and to show that Budd's wife did not harass Vitale or Brown. I did review the approximate eight (8) minute video and it appears to be arguing between all parties involved. The recording starts with Budd walking over to his wife and Brown, who were already in conversation. The very beginning of their conversation was not recorded. There is no date or time stamp on the recording, but Budd confirmed it was from the same incident as Vitale's GoPro recording. There is no further information at this time.
