RE: OPRA 260319-984261

Dear Kennedy Ross:

New Jersey Transit Corporation ("NJ TRANSIT") is in receipt of your request dated March 18, 2026, seeking "surveillance footage of the inside and outside the bus" pertaining "to a motor vehicle accident which occurred on January 21, 2026 approximately 18:00 hours" (the "Request").

Please be advised that the requester shall be required to certify whether the government record is being sought in connection with a legal proceeding and identify the proceeding for the request to be fulfilled. For purposes of this provision, a party to a legal proceeding shall include a party subject to a court order, any attorney representing that party, and any person acting as an agent for or on the behalf of that party." N.J.S.A.47:1a-5(g). Your request certified that the requested records are being sought in connection with a legal action, but failed to identify the legal action (e.g., docket number, case name, jurisdiction) as required by statute. Therefore, your request is denied under OPRA.

Furthermore, please be advised that your request lacked the necessary information to locate the records properly. Specifically, we require the bus number and license plate of the bus involved. If a copy of the police report is available, then please provide a copy.

For the foregoing reasons, your request is denied. Should you wish to resubmit your request, the OPRA request form is available on NJTransit.com under the "contact us" link and may be submitted electronically to our office at OPRA@njtransit.com.

Sincerely,

Anna Gromadzka-Whitaker
