Zoning Permit Applications

Dear Mr. Gawler:

As per our telephone conversation today, the referenced property is located in the R-7.5, Single Family Residential Zone, as per Section 245-9 of Chapter 245 of the Township Code. The garage area in the house may be partitioned to create a bathroom and a closet and another storage shed may erected after the issuance of zoning and construction permits, one for the alteration of the dwelling and one for the shed building. An inspection of the property today has revealed that the work on each building has already begun without the required permits. Please obtain your permits from the Permit Clerk, as soon as they are ready to be picked up.

Please feel free to contact this office for any additional information or assistance.

Very truly yours,

Sean Kinnevy
