

Indian Hills High School TASC Minutes

A TASC meeting was held on May 18th 2021 via zoom. The following personnel were present:

Administration:

Greg Vacca, Dan Guido, Matt Bushta,

Committee Members:

Carly Hausch, Jill Fackelman, Joanne Braun, Melissa VanKampen, Chris Csengeto, Edith LaChac, Michelle Patrickio, Shannon Luke, Samantha Janiszak, Maryann Kopp

Old Business:

The faculty parking lot has a lot of pot holes that need patching. We were told that once the weather improved they would be patched.

New Business:

1. The faculty parking lot continues to get worse on the right side. Some parking spots are entirely in the pot hole that keeps expanding.

Jeff said that he has begun to mark all the bad areas with marking paint and will be meeting with contractors next week for pricing. This amount of paving will need to be done in next year's budget. Jeff also said that he will be adding some cold patch ASAP to the larger holes.

2. In light of state standardized testing being moved to the fall, could we try to minimize the loss of class time in the first marking period (i.e. assemblies, meetings, etc.) especially for freshmen? This break in continuity with the students, at any level, after these last 2 school years can really make it difficult getting them into the "normal" school routines.

Greg said they will keep that in mind for planning, but the transition program is key for freshman students and so that program will remain. Dan Guido also noted that maybe reviewing old procedures with students in the other grades might be helpful to do.

3. The 400-wing men's faculty bathroom- out of service toilet and a funky smell is detected

Jeff said that the 400 men's bathroom toilet that is currently out of service needs to be repaired. In order to do this, the water to the entire school will need to be turned off because the old water shut off valves do not work.

4.Concerns regarding building issues

Jeff said that they are doing their best to keep up with all HVAC, plumbing, and electrical problems as they arise.

Approved by: Carly Hausch, IHHS Building Representative & TASC Chairperson and Michelle Patrickio, IHHS Assistant Building Representative & Assistant TASC Chairperson.
