Hi Maria,

I'm SO sorry to do this, but I have a mandatory in person training that day in Burlington County. I'd try and reschedule, but it is the only one for the year to get certified in a specific topic I am required to present on. Is it possible to move it a day or so? I am available any other day that week. Please extend my apologies to Judge Baxter.

Maria,

Upon advising my client of the below new date, he advises that on 12/17/2020 he will be in Mexico on business, returning on an as yet undetermined date in January, 2121. He will have a firm handle on when he will be returning in January by next week, upon which I will advise all concerned. Therefore, I ask that the date of 12/17/2020 be adjourned and that assignment of a new date for the motions hearing await such advise.

And once again, thank you for your time and attention given to this matter.

Hi John,

I will forward this documentation you provided to Judge Baxter and get back to you with her decision. However, a question I have is when you gave me a list of dates that you were available for the motion, had you checked with your client to see his availability as well? It seems futile looking back if you had not checked with him first before providing the dates to the court. In the event Judge Baxter does agree to adjourn the motion to January, please work on obtaining dates that both you and your client are available so we can avoid any further adjournments. Please take in mind, Judge Baxter would only be available Tuesday, Wednesday and some Thursday afternoons to hear the motion.

Hi Delsa,

Blessings and positive energy being sent to you from Our Family.

I am being told by my attorney to let you know that I will be out of the country in Mexico from 12-15 to whenever I finish there, probably a week or so, and will be in a place where internet and phone service is sketchy at best and non-existent at worst. I can get into town but not on a regular.

That said, can we do the December 16th check-in on December 14th, which is my travel day from Florida to Arizona, where I am gearing up for Mexico from?

The following week is the really tricky one, because I don't know if I can even get cell or internet service. There are no outlets in the jungles and mountains there lol.

I also attached a Letter from a new Family Member (Wamnee Ereaux) we are raising a substantial sum with to build a school to help the disenfranchised, abused, sick, tortured, sexually abused, addicted, Native American children in Montana.

It shows who I am now, not who I used to be, and never will be, ever again.

Love changes everything.

Thanks again, just a heads up for tomorrow's call.

Kind regards,

Richard and [REDACTED]

Re: Mr. Richard Hone Child Custody

Docket # FD-15-802-15 consolidated w/C-129-20

To: The Honorable John Doran, JSC

It is a great honor to write this letter in favor of Mr. Richard Hone gaining shared custody of his child, [REDACTED]. I have had the opportunity to get to know Richard as a friend. He instantly became a favorite in the life of both me and my seven-year old daughter. He is wonderful with children and adults alike. He is constantly trying to help the world become a better place. He donates time by providing guidance and showing leadership and vision. Richard is not a stranger to our Native people. He worked alongside one of our beloved leaders as an activist for civil liberties and human rights. I am not only writing this letter in favor of Richard to have the gift of his daughter's love and presence, but that his daughter is provided the opportunity to start the process of healing with her father. Children are unfortunately the victims of circumstance and their feelings are not fully considered. I remove children daily who live under the unforgivable circumstances of neglect, abuse, child endangerment, and re-exposure to trauma. I am told that I cannot just sever the rights of the custodial persons without providing them the opportunity to fight for their children. Richard [REDACTED] he is aware of his past mistakes, and spends every day trying to become a better person. He speaks of his daughter and his hopes for reunification. His daughter's pictures are placed meticulously throughout his belongings, his social media, and his home. Therefore, Judge Doran, I am asking you to consider the above named child as fortunate to have two parents who are willing to fight for her, but more importantly that the child has two parents who are willing to love her, spend personal time with her, and ensure that she benefits from frequent and continuing contact with each parent. The children I work with are not as fortunate and I see the results.

Most Sincerely and Respectfully,

Eagle Ereaux MS NCE

Re: State v. Richard Hone
Case no. 20000532

Dear Judge Baxter,

Enclosed please find a Motion to Revoke the above Defendant's release. The State would ask that this motion be scheduled prior to the Defendant's pending departure from the United States to Mexico on December 14, 2020. Additionally, I understand there are two outstanding issues from the Defendant's previously filed motions that may prohibit Your Honor from hearing the within motion until a decision is made—a motion to transfer venue out of Ocean County, and a motion to disqualify the Ocean County Prosecutor's Office. I would respectfully ask that Your Honor schedule these motions simultaneously.

Respectfully,

/s/ Taylor E. Toscano

OCEAN COUNTY-LAW DIVISION**

V.

CRIMINAL ACTION

Case No. 20000532

RICHARD HONE,:

Defendant.

NOTICE OF MOTION TO

REVOKE PRETRIAL RELEASE

**TO: JUDGE OF THE SUPERIOR COURT
ATTORNEY FOR DEFENDANT**

PLEASE TAKE NOTICE that the State of New Jersey hereby moves to revoke the pretrial release of the defendant, **RICHARD HONE**, pursuant to N.J.S.A. 2A:162- 24 and R. 3:26-2(d). The State is so moving because:

1. Defendant Richard Hone was charged on February 10, 2020 with Contempt, specifically violating a permanent restraining order, under 2C:29-9a and Harassment under 2C:33-4a. (S-1)
2. The defendant was placed on level III pretrial monitoring on February 21, 2020, the highest level of pretrial monitoring excluding home detention with an electronic monitoring bracelet. (S-2)
3. Among those conditions, Defendant is to report to pretrial services twice by phone per month, and twice in person per month. Due to the COVID-19 pandemic, it is the State's understanding that all monitoring in being held telephonically.
4. Since the inception of this case, the Defendant has filed multiple filings with the Court, most recently a motion to transfer venue and a motion to disqualify the Ocean County Prosecutor's Office, which is still pending.
5. After several adjournments, a date of December 17, 2020 was set to hear the final issues with the Defendant's most recent motion. Defendant now asserts that he will be unavailable for the motion date as he will be traveling to Mexico, however, fails to state a reason for the visit.

6. What is concerning to the State is that the Defendant has failed to book a return flight home. Additionally, this is not the first time that the Defendant has mentioned that he would be going to Mexico, however, in previous messages he alludes to the fact that he won't be returning.
7. In text messages from August 13, 2020 between the Defendant and the victim he states, "...I leave for LA and Mexico next week it's too painful here and friends want me out of there". When pressed by the victim, he continues "...my friend in Tucson drives to Mexico everyday."(S-3)
8. What is also concerning is the Defendant's alleged contacts in Mexico, which are detailed in an email sent to the victim on December 6, 2019. (S-4) In this email he details his dealings with the Sinaloa Cartel, an international crime organization, and "the murders [he] ok'd [sic] and the cartel carried out on [his] behalf of the 6 people who tried to kidnap [him]."
9. In negotiations with defense counsel, the State has extended a pre-indictment offer of 90 days in the Ocean County Jail as a condition of probation. It is the State's understanding that the Defendant has rejected this plea, which would only escalate upon presentation to the Grand Jury. The State submits that circumstances have now changed warranting this Defendant's detention.
10. The State has significant concerns going forward regarding whether the Defendant will appear in court as required, a triad factor when considering pretrial detention. The Defendant has submitted travel paperwork and in his own words does not know when he is returning.
11. Additionally, the Defendant was previously charged with Contempt, among other offenses, in 2016. That case was delayed until the Defendant could be extradited back to the United States from Mexico. (S-5) [REDACTED]
[REDACTED] It is clear that the Defendant attempts to flee to Mexico when faced with any type of jail time, and the present case is no different. Even if the Defendant were to submit documentation that he has purchased a return flight, the State submits it is not likely the Defendant will return home as he has failed to do so in the past.
12. The State respectfully requests that Your Honor detain this defendant.

Purpose: This Affidavit/Certification is to more fully describe the facts of the alleged offense so that a judge or authorized judicial officer may determine probable cause.

1. Description of relevant facts and circumstances which support probable cause that (1) the offense(s) was committed and (2) the defendant is the one who committed it:

On 02/10/20 at approximately 1700 hours I, Ptl. Carter#280 responded to headquarters for a violation of a restraining order.

Upon arrival I made contact with the victim, [REDACTED] who advised me of the following:

Recently she has been having problems with her ex-boyfriend Richard Hone whom she has a child in common with. Hone was recently released from prison for a stalking complaint involving [REDACTED] (Reference Brick Police Case number 8431-16) Since being released he has had numerous contacts with [REDACTED]. There is a final restraining order in effect from the stalking incident (Monmouth County Case number 16-00-0548 Incident Number 16-10-2072 Docket number FV-13-01267-17) Contact with [REDACTED] was to be permitted regarding their child in common, however the communication recently has not been about their daughter. There has been numerous occasions where [REDACTED]

[REDACTED] and she fears he will retaliate at completion of this incident. [REDACTED] was able to provide me with numerous print outs of screen shot text messages with Hone. The screen shots came from the phone number [REDACTED]. [REDACTED] confirmed this is Hone's number and in an email composed by Hone he lists his phone number as the above number.

The most alarming message reviewed was a picture of two boxers in a boxing ring. The one boxer appears to be falling to the ground from a punch that was just landed by the opponent. The caption for the message was, "Thinking of you lol"

Another message received is rather lengthy, however Hone states that [REDACTED] "needs to stop the drama queen shit." Hone continues to belittle [REDACTED] in the message which leads to him stating "I'm calling Mafia headquarters lol and updating them."

Another lengthy message which is nearly a full page in length is again Hone attempting to belittle [REDACTED] and manipulate her into changing custody agreement. Hone proceeded to state "you make me laugh and sick at the same time." Hone then continues to speak about a lawsuit he has filed against [REDACTED] and harass her regarding it.

On 12/06/19 [REDACTED] received an email from [REDACTED] with the subject being Richard "Dickie" Hone Book. The email is rather lengthy and implicates Hone's involvement with the Mafia. Furthermore Hone implicates involvement with the Sinaloa Cartel.

SUPERIOR COURT OF NEW JERSEY
LAW DIVISION: CRIMINAL PART
OCEAN COUNTY

Complaint #: W-2020-000116-1506

Criminal Action

ORDER DENYING
PRETRIAL DETENTION
AND ORDERING PRETRIAL
RELEASE

FINDINGS:

THIS MATTER having been opened to the court by the State, and the court having conducted a hearing, with appearing on behalf of the Ocean Prosecutor, representing the State of New Jersey, and appearing on behalf of the defendant,

The court finds that the State has established probable cause that the eligible defendant committed the charged offense(s) based on:

- The probable cause affidavit
- The preliminary law enforcement incident report
- Other evidence, specifically, s2 & s5

REASONS FOR DENIAL OF PRETRIAL DETENTION:

S-2

FURTHER, for the reasons set forth on the record and herein, the court does not find clear and convincing evidence that pretrial detention is necessary to reasonably assure the defendant's appearance in court when required, the protection of the safety of any other person or the community, and that the defendant will

State v. Richard W Hone

not obstruct or attempt to obstruct the criminal justice process.

AP IS GENNA MOSCATO, DA IS WENDY MORAGNE

1-psa recommends pml2 w/ scores 3/4

2-no pending charges; not on pretrial monitoring; not on probation or parole & 1 fta 2014

3-limited contact has permitted with victim relating to their 5 yr old child

4-all out of state records do not show any convictions, so the court has to assume no convictions outside of nj

THEREFORE, the motion for pretrial detention is **DENIED**.

FINDINGS FOR PRETRIAL RELEASE:

THE COURT FINDS that releasing the defendant on personal recognizance or on an execution of an unsecured appearance bond is insufficient to reasonably assure the defendant's appearance in court when required, the protection of the safety of any other person or the community and that the defendant will not obstruct or attempt to obstruct the criminal justice process, and therefore is **ORDERING THE DEFENDANT RELEASED SUBJECT TO NON-MONETARY CONDITIONS**.

REASONS FOR DEPARTURE FROM PRETRIAL SERVICES RECOMMENDATION:

THE COURT FINDS that a departure from the recommendation is appropriate after considering the following information:

- the defendant has made specific threats of future harm to the victim or a witness

State v. Richard W Hone

W-2020-000116-1506

NOTICE TO THE DEFENDANT

FURTHER, the following shall serve as NOTICE of additional responsibilities of the defendant while on pretrial release, and the PENALTIES for noncompliance:

Subject: RICHARD "DICKIE" HONE BOOK/FEATURE FILM LIFE STORY

To: [REDACTED]

If you are on this email you are probably being mentioned in my book, the Rights to which are being made into a feature film shortly.

The book is called "BUYING BAJA, THE QUEST FOR [REDACTED] and...

.....

It is the true story of my life that delves into my childhood, my years as an All American wrestler and kickboxer, the beginning to end of my career as a sports and entertainment agent and stories about my former partners, representing stars like Michael Jackson, Mike Tyson, and hundreds of other boxers, NFL players, musicians, actors, and other celebrities, and of course my interaction with other agents, network executives in TV, film, music and sports, and the movies we covertly financed with the Mafia, my relationships with and in the Mafia for more than 20 years and the work I did for the CIA in the late 80's and early 90's and in 2015 and 2016 in Aleppo, Syria.

It culminates with my adventures in Mexico while fighting my custody case over my now 4 1/2 year old daughter [REDACTED] and the negotiation to purchase Baja Fox Studios there, my introduction to the bosses of the notorious Sinaloa Cartel, the murders I ok'd and the cartel carried out on my behalf of the 6 people who tried to kidnap me in Mexico, my subsequent arrest and incarceration in the inhumane La Mesa prison in Tijuana, and how I escaped by bribing the prosecutor and the guards, and then my return home where I had more prison time over my custody case, and then the redemption of my beating the system and re-uniting with my daughter, who now finally lives happily ever after with me.

So if you are in this book you will be exposed for who you really are, all the drugs we did together, all the ways you comprised yourself with the Mafia knowing full well who I was with, and every sordid detail you texted or emailed me over the last 30 years.

Or you are in it because you affected my life in a very positive way and made me the am today, and that is that nobody is tougher than me, period, not after what I went through and survived.

This book does all that and more. It is a must read and will be released in about a year.

S-4

IF you do not want your name associated with this book you can email me and my attorney will be contacting you to discuss the Rights issues.

So thank you all for being in my Life, it's been a helluva ride, one that is far from over.

With best wishes, and Merry Christmas,

Richard "Dickie" Hone

Brick Twp. Complaint/Warrant No. 1506-W-2020-116
O.C. Case No. 20000532

Dear Judge Baxter:

Please recall that I represent the defendant, Mr. Richard Hone (defendant), for the above unindicted matter. In this regard, I refer Your Honor to the State's motion filed this date seeking Order Revoking Defendant's Release. In this regard, please see defendant's attached Certification, with Exhibits, offered in opposition to same. As indicated, all questions/concerns, invalid though they may be (and here it must be noted that the very same unfounded allegations as to Mr. Hone's activities in and/or his desire to flee to/never return from Mexico had been raised and rejected by the Burlington County Court as had granted his release in February) have been fully answered and addressed. To be more specific, defendant is no longer going to visit Mexico and will be returning to New Jersey on 12/20/2020.

I light of the above, I ask that the State withdraw its motion or absent same, that same be denied, *sua sponte*, by the Court.

Please give the above Your Honor's earliest attention.

Thank you for your kind attention.

Respectfully yours,

John P. Reilly

THE STATE OF NEW JERSEY, Plaintiff, vs. RICHARD HONE, Defendant.	SUPERIOR COURT OF NEW JERSEY OCEAN COUNTY LAW DIVISION / CRIMINAL PART CASE NO. 20000532 COMPLAINT-WARRANT NO. 1506-W-2020-116 Criminal Action DEFENDANT'S CERTIFICATION IN OPPOSITION TO THE STATE'S MOTION TO REVOKE PRETRIAL RELEASE
--	---

I, RICHARD HONE, do hereby certify to the following:

1. I am the defendant in the above captioned matter and have been advised of and reviewed the State's motion to revoke my pretrial release and offer this certification in opposition to same. In this regard, I will not comment at length (see below) upon the many scurrilous and unfounded accusations presented by the prosecutor but, rather will address what appears to be of primary concern, my planned trip to Mexico, as follows:

2. As stated in my attorney's attached correspondences of 11/16/20 and 11/18/2020, (Exhibit A), I had planned to fly to Tucson on 12/14/2020 and from there visit Mexico. My attorney was mistaken that my entire trip was for business, as my business is to be conducted only in Tucson over the five day period from 12/11/2020 to 12/19/2020 with my plan being, while down there, to visit Mexico to help some friends who are fellow human rights activists, with the length of my stay in Mexico

Handwritten:
RH
11-18-20

being, as indicated, uncertain. In this regard, please note that the nature of my business in Tucson is to meet with partners in a new Tech Co, called ImmixR Inc., which is a visionary "immersive film platform" we developed and are seeking a substantial amount of Seed Funding for. I also have a meeting with a British Director named Rob Walker who lives in Tucson and who Optioned the Rights to a friend of mine's film Francois, and I want to discuss the Equity funding strategy, meet him, and offer my help. I also have a meeting on a new company I am also partners in for a Focus and Self Care product line with actress Rosario Dawson, who is the girlfriend of U.S. Senator Cory Booker, and whose Mother Isabel Dawson is the Godmother of my daughter [REDACTED] and who is a dear friend of mine.

3. And although I won't comment at length upon the State's allegations made in support of its motion I must point out that my custody battle is almost over (FD-802-15, C-129-20) and I will have my 5 year-old daughter [REDACTED] fully back in my Life very soon, and to even think I would leave the country with the intention not to return is as tawdry as it is dishonest. And I must say, this newest effort by Ms. Toscano makes clear that she and her office will go to any lengths to retaliate against me for any minor issue they can muster because of the Federal Civil Rights lawsuit to which she and her office, as well as Judge Lynch-Ford, are defendants (cv-10367-MAS-DEA) as well as other issues of malfeasance against her that are well documented in other pending litigation, and which only further supports my pending motions for Orders disqualify the Ocean County Prosecutor's Office and for Change of Venue as to be heard before Judge Baxter.

4. However, and although, as far as I know, the terms of my

RM 1148-20
2

release from detention do not include that I may not leave the country and although as agreed with Ms. Delsa Chant of Pre-Trial Services I had fully intended to comply with all reporting requirements for my entire anticipated trip (**Exhibit B**), in order to make this easy for all concerned, I will not be visiting Mexico as part of my trip and will return to New Jersey once my business in Tucson has been completed as confirmed in the attached copied return flight booking confirmation (**Exhibit C**).

I certify that the foregoing statements made by me are true. I am aware that if any of the foregoing statements made by me are willfully false, I am subject to punishment.

Maria,

Upon advising my client of the below new date, he advises that on 12/17/2020 he will be in Mexico on business, returning on an as yet undetermined date in January, 2121. He will have a firm handle on when he will be returning in January by next week, upon which I will advise all concerned. Therefore, I ask that the date of 12/17/2020 be adjourned and that assignment of a new date for the motions hearing await such advise.

And once again, thank you for your time and attention given to this matter.

Hi Delsa,

Blessings and positive energy being sent to you from Our Family.

I am being told by my attorney to let you know that I will be out of the country in Mexico from 12-15 to whenever I finish there, probably a week or so, and will be in a place where internet and phone service is sketchy at best and non-existent at worst. I can get into town but not on a regular.

That said, can we do the December 16th check-in on December 14th, which is my travel day from Florida to Arizona, where I am gearing up for Mexico from?

The following week is the really tricky one, because I don't know if I can even get cell or internet service. There are no outlets in the jungles and mountains there lol.

I also attached a Letter from a new Family Member (Wamnee Ereaux) we are raising a substantial sum with to build a school to help the disenfranchised, abused, sick, tortured, sexually abused, addicted, Native American children in Montana.

It shows who I am now, not who I used to be, and never will be, ever again.

Love changes everything.

Thanks again, just a heads up for tomorrow's call.

Kind regards,

Richard and [REDACTED]

Re: Mr. Richard Hone Child Custody

Docket # FD-15-802-15 consolidated w/C-129-20

To: The Honorable John Doran, JSC

It is a great honor to write this letter in favor of Mr. Richard Hone gaining shared custody of his child, [REDACTED]. I have had the opportunity to get to know Richard as a friend. He instantly became a favorite in the life of both me and my seven-year old daughter. He is wonderful with children and adults alike. He is constantly trying to help the world become a better place. He donates time by providing guidance and showing leadership and vision. Richard is not a stranger to our Native people. He worked alongside one of our beloved leaders as an activist for civil liberties and human rights. I am not only writing this letter in favor of Richard to have the gift of his daughter's love and presence, but that his daughter is provided the opportunity to start the process of healing with her father. Children are unfortunately the victims of circumstance and their feelings are not fully considered. I remove children daily who live under the unforgivable circumstances of neglect, abuse, child endangerment, and re-exposure to trauma. I am told that I cannot just sever the rights of the custodial persons without providing them the opportunity to fight for their children. Richard is in recovery, he is aware of his past mistakes, and spends every day trying to become a better person. He speaks of his daughter and his hopes for reunification. His daughter's pictures are placed meticulously throughout his belongings, his social media, and his home. Therefore, Judge Doran, I am asking you to consider the above named child as fortunate to have two parents who are willing to fight for her, but more importantly that the child has two parents who are willing to love her, spend personal time with her, and ensure that she benefits from frequent and continuing contact with each parent. The children I work with are not as fortunate and I see the results.

Most Sincerely and Respectfully,

Hi Delsa,

Blessings and positive energy being sent to you from Our Family.

I am being told by my attorney to let you know that I will be out of the country in Mexico from 12-15 to whenever I finish there, probably a week or so, and will be in a place where internet and phone service is sketchy at best and non-existent at worst. I can get into town but not on a regular.

That said, can we do the December 16th check-in on December 14th, which is my travel day from Florida to Arizona, where I am gearing up for Mexico from?

The following week is the really tricky one, because I don't know if I can even get cell or internet service. There are no outlets in the jungles and mountains there lol.

I also attached a Letter from a new Family Member (Wamnee Ereaux) we are raising a substantial sum with to build a school to help the disenfranchised, abused, sick, tortured, sexually abused, addicted, Native American children in Montana.

B.

Thank you, Richard! Your flight is booked.

Dear Judge Baxter:

Please again recall that I represent the defendant, Mr. Richard Hone (defendant), for the above unindicted matter. In this regard, kindly supplement defendant's opposition to the State's motion seeking Order Revoking Defendant's Release with the attached copied correspondence of this date received from Ms. Delsa Chant of Pre-Trial Services (**Exhibit A**), one as further confirms defendant's ongoing cordial cooperation with Pre-Trial Services and successful compliance with the terms of his release as ordered in February.

Once again, under the circumstances as now revealed, I ask that the State withdraw its motion to Revoke Defendant's Release or, failing same, that such motion be denied by Your Honor, *sua sponte*.

Please give the above Your Honor's earliest attention.

Thank you for your kind attention.

Respectfully yours,

John P. Reilly

I am not inclined to withdraw my motion to revoke just yet. However, since Mr. Hone is no longer going to be out of the country and will have internet and cell service, can we please address all matters on December 17th still? My understanding is that this hearing is being conducted via zoom so that should not be an issue.
