ARTICLE II
PROCEDURE FOR NEGOTIATION OF A SUCCESSOR AGREEMENT

A. Meetings

1. Negotiations for a successor Agreement shall commence by the exchange of written proposals on a mutually selected date on or about October 15 of the calendar year in which the Agreement terminates. These submissions shall contain all proposals and requests and no new issues shall be introduced thereafter.
2. The parties thereafter shall convene a meeting for the purpose of conducting negotiations. A mutually convenient date shall be set within fifteen (15) working days of the submissions.
3. The Board and the Association have the right to utilize the services of consultants during the negotiations process.

B. It is understood by all parties that the Association expressly agrees that negotiations will be conducted without the use of pressure tactics or any practice generally defined within the term "sanctions".

C. When the Board and the Association negotiations teams reach agreement, it shall be reduced to writing and signed by the members of both negotiations teams. No agreement shall be final unless ratified by the Board and the Association membership.

D. This Agreement shall not be modified in whole or in part by the Board or the Association except by an instrument in writing duly executed by both parties.

E. Both the Board and the Association, by mutual agreement, hereby agree to follow procedures outlined in this Agreement and to use no other channel to resolve any question or proposal until the procedures within this Agreement are fully exhausted.

F. Mediation

1. If an impasse is reached during negotiations, the impasse will be resolved in accordance with the rules and regulations of the Public Employment Relations Commission.
2. Although it is recognized by all parties concerned that fact-finding must be merely advisory, both the neutral and the disputants are expected to treat the process with the proper gravity as the terminal step.
3. Every effort will be made to have mediation and fact-finding conducted after normal school hours. However, if it is necessary that such take place during normal school hours requiring the release of Association officers, committee members or teachers, the Board will release only four (4) persons designated by the Association, such designees to suffer no loss of pay, and as for any other

employees involved, the Board will pay only the cost necessary to provide substitutes, and the lost time will be borne by either the employee or the Association as they determine. If the Board requires employees of the school district as witnesses in the proceedings, the Board will designate those of their witnesses who will suffer no loss of pay.

4. If mediation or fact-finding does take place during normal school hours in such a manner that only four (4) hours or less is required, the Association hereby agrees that regularly assigned teachers will assume, as required, classes left uncovered as a result of such mediation or fact-finding, and that other similarly employed non-certificated employees such as secretaries for secretaries and custodians for custodians will assume the duties as required by the Board of any non-certificated employees whom the parties deem necessary to attend.
- G. Whenever any notice of negotiations, impasse or arbitration is required to be given by either of the parties to this Agreement to the other, pursuant to the provisions of this Agreement, either party shall do so by registered letter at the following addresses:

 2. Mutual agreement in writing by the parties shall be necessary to extend the timelines of the grievance procedure.
 3. When the grievant and/or the Association is satisfied with the resolution of the grievance at any of the procedure steps, he/she shall so notify the person to whom the appeal was last directed.
 4. By mutual agreement, in writing, between the Superintendent or his/her designee and the Association, a grievance may be initiated at any level that resolution can be affected.
 5. Every attempt shall be made to resolve the grievance informally at the level of its initiation.
 6. If the grievant chooses to represent him/herself, he/she may only do so through Level 4 of this procedure.

Level 5.

- a. If the Association is dissatisfied with the decision of the Board, the Association may request, where applicable, the appointment of an arbitrator, such request to be made known to the Superintendent no later than two (2) calendar weeks after the decision of the Board was made known to the employee and/or the Association.
- b. The following procedure will be used to secure the services of an arbitrator:
 - (1) A request will be made to the Public Employment Relations Commission to submit a roster of persons qualified to function as an arbitrator in the dispute in question.
 - (2) If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list, they will request the Public Employment Relations Commission to submit a second roster of names.
 - (3) If the parties are unable to determine, within five (5) school days of the receipt of the second list, a mutually satisfactory arbitrator from the second submitted list, the Public Employee Relations Commission (PERC) may be requested by either party to designate an arbitrator.

his/her grievance in writing at the level of the Principal within five (5) days after receipt of his/her notice.

(2) Grievances of a non-tenured teacher which are occasioned by his/her not being offered a new contract or reemployment are not arbitrable.

- f. Only the Board and the aggrieved and his/her representative shall be given copies of the report of findings and recommendations, except by mutual agreement to the contrary. This shall be accomplished within thirty (30) calendar days of the completion of the arbitration hearings.
 - g. Each party shall pay its own costs for arbitration preparation. Costs to be shared equally by the parties shall be the fee and the expense, if any, of the arbitrator and arbitration proceedings.
- D. Forms for filing grievances shall be designed by the Superintendent or his/her designee in consultation with the Association to facilitate the grievance procedure.
- E. All written communications concerning grievances shall be sent to the respective parties via district email. Date of email sent shall be used for the purposes of the grievance procedure.

1. The private and personal life of any employee is not within the appropriate concern or attention of the Board, except insofar as it affects his/her work.
2. No restrictions shall be placed upon the freedom of an employee to use his/her own time for gainful employment insofar as it does not interfere with satisfactory performance of his/her school duties. Employees may not provide private, paid tutoring services for any student whose work they are responsible for grading.

B.

1. The Board hereby agrees it shall not discriminate against any employee with respect to any terms and conditions of employment by reason of his/her membership or participation in any activities of the Association and its affiliates, or his/her institution of any grievance, complaint or proceeding under this Agreement.
2. The Association agrees it shall not interfere with, restrain, or coerce employees in the exercise of the provisions granted them by this Agreement.

C. No employee shall be disciplined, reprimanded, reduced in rank or compensation without just cause.

D. Whenever any employee is required to appear officially before the Board, or any committee thereof, concerning any matter which could adversely affect the continuation of that employee in his/her position or employment or the salary or any increments pertaining thereto, then he/she shall be given prior written notice of the reasons for such meeting or interview and shall be entitled to have a representative of the Association present to advise him/her and represent him/her during such meeting or interview. The employee shall inform the Superintendent in writing prior to the meeting that he/she will have a representative of the Association present.

E. Review of Employee Personnel File - All employees' files shall be maintained under the following circumstances:

1. No material derogatory to an employee's conduct, service, character, or personality shall be placed in the files unless the employee has had an opportunity to read the material. The employee shall acknowledge that he/she has read such material by affixing his/her signature on the actual copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed. Such signature does not necessarily indicate agreement with the content, nor shall the refusal to sign prevent such material from being placed into and remaining in the file.
2. The employee shall have the right to answer any material filed, and his/her answer shall be attached to the file copy within fifteen (15) school days following his/her

receipt of the material. Failure of the employee to file a response for attachment to the file copy within fifteen (15) school days following his/her receipt of material shall result in forfeiture of the employee's right to respond.

3. Upon written request by the employee, he/she shall be given access to his/her file without undue delay, minus confidential credentials and personal references. If the employee wishes to be accompanied by another person or a representative of the Association, such request must be made in writing to the Superintendent or his/her designee.
 4. Teachers shall be evaluated only by persons certificated to supervise instruction. The responsibility to become certificated will be solely that of the employee.
 5. Employees shall be granted the right to reproduce any materials in their file not considered to be privileged, such as confidential credentials and related personal references normally sought at the time of employment. Notice of such requests shall be made in writing to the Superintendent or his/her designee at least twenty-four (24) hours in advance.
- F. No employee shall engage in any activity related to outside employment during school hours or on school grounds unless approved by the Superintendent or his or her designee.

- H. An employee who receives an honorarium or other similar payment on a professional day shall surrender the amount to the district up to the employee's per diem rate of pay for each day to which the payment is applicable.
- I. All audio-monitoring and formal evaluation of the work performance of an employee shall be conducted openly and with full knowledge of the employee. There shall be no monitoring of the lounges and workrooms.
- J. No employee shall be recorded while conducting instruction virtually using any platform of live streaming.
- K. An administrator must announce their presence when conducting observations or walkthroughs when entering a virtual format.

ARTICLE V
NOTIFICATION OF RETURN/DISMISSAL PROCEDURE

- A. On or before the date established by state law, the Board shall give to each non-tenured teacher or other probationary employee continuously employed since the preceding September 30, either a written offer of a contract for employment for the next succeeding year, providing for at least the same terms and conditions of employment, but with such increases in salary and benefits as may be required by law or agreement between the Board and the Association, or a written notice from the Superintendent that such employment will not be offered.
- B. Notification of Intention to Return - If the employee intends to accept such employment, he/she shall notify the Board of such acceptance, in writing, on or before May 30, in which event such employment shall continue as provided for herein. In default of such notice, the Board shall not be required to continue the employment of the employee.
- C. Any employee who has tenure or who is continuously employed for more than three (3) years who submits his/her resignation for the purpose of retirement to the Board by January 15, effective the following June 30, shall receive the following additional compensation at the time of his/her retirement on June 30: for certificated staff, if notice is timely: \$1,318.00 in each year of the current contract and for non-certificated staff, if notice is timely: \$549.00 in each year of the current contract.

If notice is given by January 15, the employee has the option of:

- Receiving the whole retirement benefit on July 31; or
- Deferring 100% of the whole retirement benefit until January 15 of the following year;
- Receiving 50% of the retirement benefit on July 31 and deferring 50% of the retirement benefit to January 15 of the next following year, provided such deferral is permitted under IRS rules.

If notice is not given by January 15, the employee will receive only 25% of retirement benefits on July 31, and balance of payment will be deferred until July 15 of the second following school year. The employee will not be entitled to the additional compensation stated above. In the event an employee is precluded from providing timely notice due to unanticipated forced relocation, illness, family tragedy, or other documented unforeseen extenuating circumstance, then said retirement shall be treated, for purposes of this paragraph, as though the notice had been given by January 15. All retirement benefits shall be in the name of the employee, but in the event of the employee's demise, shall be paid to the employee's estate.

ARTICLE VI
PROTECTION OF EMPLOYEES

- A. An employee believing he/she is working under unsafe or hazardous conditions or performing tasks endangering health or safety should notify, in writing, his/her immediate supervisor of such conditions. If such conditions persist, a grievance may be initiated.
- B.
1. No person employed or engaged in a school or educational institution, whether public or private, shall inflict or cause to be inflicted corporal punishment upon a pupil attending such school or institution; but any such person may, within the scope of his/her employment, use and apply such amount of force as is reasonable and necessary:
 - a. to quell a disturbance threatening physical injury to others;
 - b. to obtain possession of weapons or other dangerous objects upon the person or within the control of a pupil;
 - c. for the purpose of self-defense; and
 - d. for the protection of persons or property.
 2. Such acts, or any of them, shall not be construed to constitute corporal punishment within the meaning and intent of this Section. Every resolution, by-law, rule, ordinance, or other act of authority permitting or authorizing corporal punishment to be inflicted upon a pupil attending a school or educational institution shall be void.
- C. It is agreed that whenever any civil action has been or shall be brought against any person holding any office, position, or employment under the jurisdiction of any board of education, including any student teacher, for any act or omission arising out of and in the course of the performance of the duties in such office, position, employment or student teaching, the Board shall defray all costs of defending such action, including reasonable counsel fees and expenses, together with costs of appeal, if any, and shall save harmless and protect such person from any financial loss resulting therefrom; and said Board may arrange for and maintain appropriate insurance to cover all such damages, losses and expenses. This indemnification provision shall not be interpreted as providing any additional protection beyond that mandated by law.
- D. Should any criminal action be instituted against any such person for any such act or omission, and should such proceeding be dismissed or result in a final disposition in favor of such person, the Board shall reimburse him/her for the cost of defending such proceeding, including reasonable counsel fees and expenses of the original hearing or trial and all appeals.

E.

1. All cases of assault suffered by an employee in connection with his/her employment shall be immediately reported, in writing, to his/her Principal or immediate supervisor.
2. Such notification shall be immediately forwarded to the Superintendent, who shall comply with any reasonable request from the employee for information in the possession of the Superintendent relating to the incident or the persons involved, and shall act in appropriate ways as liaison between the employee, the police and the courts.

F. The Board reserves the right to have accident claims confirmed by a physician designated by the Board. The fee for such examinations shall be paid by the Board.

ARTICLE VII
MAINTENANCE OF STUDENT CONTROL & DISCIPLINE

- A. The Board recognizes its responsibility to continue to give administrative support and backing to teachers in maintaining student control and discipline, provided that all disciplinary action and methods for which such backing is sought shall be reasonable and just and in accordance with law, established Board policies, and administrative procedures and regulations. Such policies, procedures and regulations shall be provided to the Association, and shall be available in the main office of each building.
- B. It shall be the responsibility of the teacher to report to his/her Principal, in writing, on forms provided, the name of any student who, in the opinion of the teacher, needs particular assistance from skilled personnel, and such forms shall provide for a response from the Principal to the initiating teacher within ten (10) days. The response may merely be a progress report on the action taken.
- C. Administrative decisions and responses issued in the course of student discipline are not grievable.

ARTICLE VIII
ASSOCIATION RIGHTS & PRIVILEGES

A. Complaint Procedure

1. It is understood that from time to time people may approach administrators with their comments and perceptions regarding the performance of an employee. It is the policy of this district that an appropriate balance be struck between a complainant's right to confidentiality and an employee's right to be given the identity of a complainant when that complainant's criticism forms the basis of a negative evaluation or disciplinary action. All complainants are to be encouraged to contact the employee initially.
2. Written comments of praise shall be copied to the employee and placed in the employee's personnel file.
3. Critical comments, whether in writing or not, shall be promptly investigated and assessed by the appropriate administrator. If such comments or criticisms are determined to be unfounded, they shall be discarded and disregarded by the administrator.
 - a. If as a result of the administrator's review it is determined that any meetings are necessary, the employee has the option of having a representative of the Association present at such meetings.
 - b. If as a result of the administrator's review it is determined that the criticism is valid, then either of the following courses of action is to be followed:
 - (1) If the administrator determines through his/her observation and review of documentation other than the complaint itself that the performance deficit is to be noted in the employee's evaluation, then no disclosure of the identity of the complainant who initially brought the matter to the administrator's attention shall be made.
 - (2) If the deficit is evidenced only by the complaint or that complaint is referenced by the administrator in writing or orally, then disclosure of the identity of the complainant shall be made.
4. The employee has the right to respond to and rebut any complaint.

B. The Board agrees to make available to the Association, in response to reasonable requests, the information which is in the public domain.

Under no circumstances shall a day's conversion to hours and minutes exceed the above daily base schedule.

2. Each employee's day balances to be carried over as of June 30, 2022 will be converted into hours and minutes based on the position held at the end of the 2021-2022 school year.
3. Group I.A employees having regular contact with students shall use leave time in full-day (seven (7) hours) or half-day (three (3) hours, thirty (30) minutes) increments.
4. Group I.B employees having regular contact with students shall use leave time in half-day (three (3) hours, thirty (30) minutes) increments.
5. Group I.C.i and I.C.ii employees having regular contact with students shall use leave time in increments equivalent to one-half of their daily base hours.
6. Group I.C.iii employees having regular contact with students shall use leave time in increments equivalent to their daily base hours.
7. Effective January 1, 2024, Group II employees shall use leave time in increments aligned to their individual schedules. The examples below are for illustration purposes and are not all-inclusive of each possible scenario. It is expressly understood that individual schedules may be modified as solely determined by district management to best provide services.

Example 1: A bus driver's schedule is comprised of three segments as follows: segment 1 is from 6:45 AM to 9:45 AM (three (3) hours); segment two is from 10:45

AM to 1:00 PM (two (2) hours and fifteen (15) minutes); and, segment three is from 2:00 PM to 4:45 PM (two (2) hours and forty-five (45) minutes) for a total of eight (8) hours. The bus driver has a need to use leave time during segment one. The bus driver must therefore use three (3) hours of leave time, but not less or more.

Example 2: A bus driver's schedule is comprised of three segments as follows: segment 1 is from 6:45 AM to 9:45 AM (three (3) hours); segment two is from 10:45 AM to 1:00 PM (two (2) hours and fifteen (15) minutes); and, segment three is from 2:00 PM to 4:45 PM (two (2) hours and forty-five (45) minutes) for a total of eight (8) hours. The bus driver has a need to use leave time during segment two and segment three. The bus driver must therefore use five (5) hours of leave time, but not less or more.

Example 3: A bus driver's schedule is comprised of three segments as follows: segment 1 is from 6:45 AM to 9:45 AM (three (3) hours); segment two is from 10:45 AM to 1:00 PM (two (2) hours and fifteen (15) minutes); and, segment three is from 2:00 PM to 4:45 PM (two (2) hours and forty-five (45) minutes) for a total of eight (8) hours. The bus driver has a need to use leave time during segment one and segment three. The bus driver must therefore use five (5) hours and forty-five (45) minutes of leave time, but not less or more.

8. For Groups I.C, II, and III, in cases where an employee is hired at less than the full-time hours and minutes listed, each leave day allotted on the first day of the individual's annual contract shall be converted to the daily hours contracted as of the first workday of the individual's contract. In the event that the daily hours contracted are subsequently revised during the school year due to a change in position, an increase in the assigned position's workday hours, or a decrease in the assigned position's workday hours, there shall be an adjustment to the leave time conversion. The adjustment is applicable to the number of days prorated from the date on which the change is effective through the end of the school year in which the change occurs. In no case shall any conversion be applicable to a specific leave type if the employee has exhausted her/his allotment of such leave type prior to the conversion date. The examples below are for illustration purposes and are not all-inclusive of each possible scenario.

Example 1: A two- (2) hour school aide is credited ten (10) illness days valued at two (2) hours each at the beginning of the school year. The employee has used three of the days through January 31. Effective February 1, the employee is appointed as a seven- (7) hour secretary. Five of the remaining illness days (one each for the months of February through June) are converted to be valued at seven (7) hours each.

Example 2: A full-time teacher is credited ten (10) illness days valued at seven (7) hours each at the beginning of the school year. The employee has used zero (0) days through January 31. Effective February 1, the employee is appointed as a half-time teacher. Five of the remaining illness days (one each for the months of February through June) are converted to be valued at three-and-one-half (3.5)

hours each.

Example 3: A full-time instructional assistant is credited ten (10) illness days valued at seven (7) hours each at the beginning of the school year. The employee has used six (6) days through January 31. Effective February 1, the employee is appointed as a full-time teacher. None of the prorated illness days are converted since leave days for the full-time instructional assistant and full-time teacher positions are valued at seven (7) hours each.

Example 4: A three- (3) hour food service worker is credited ten (10) illness days valued at three (3) hours each at the beginning of the school year and has zero accumulated illness days from the prior year. The employee has used ten (10) of the days through January 31. Effective February 1, the employee is appointed as a full-time bus driver. Since the employee does not have any illness days available, a prorated conversion cannot be made.

- a. Where a part-time employee, as of the first workday of her/his annual contract, is also contracted for the Early Morning Program, the daily hours and minutes assigned shall be combined for both assignments in arriving at the hours and minutes value for each leave day type. For example, where a two- (2) hour school aide assigned to the lunchroom is also employed for one (1) hour and thirty (30) minutes in the Early Morning Program, a leave day shall equal three (3) hours and thirty (30) minutes.
9. Group III employees may utilize vacation, illness, illness in immediate family, death of any other relative or close friend, and personal leave time in thirty (30) minute increments. All other leave time shall be utilized in full- or half-day increments.
10. On staff single-session days, employees shall use leave time equivalent to a full day when absent for the entirety of the day.

ARTICLE XIV
