| 16. Policies and procedures exist to ensure a coordinated system for planning, delivering, measurement, and modification of intervention and referral services is implemented in each school by a multidisciplinary team to address the learning, behavioral, and health needs of all students. (N.J.A.C. 6A:16-8) This requirement may be fulfilled through implementation of the New Jersey Tiered System of Support (NJTSS) or other models such as Response to Intervention (RTI) and Multi-Tiered Systems of Support (MTSS). The system includes:                                                                                                                                                                                     |              |                                 |                                                  |                                  |          |
