THIS AGREEMENT entered into between the Board of Commissioners of the County of Burlington, hereinafter referred to as the "Employer" and PBA Local No. 249 Superior Officers Committee, hereinafter referred to as the "Association," has its purpose the promotion of harmonious relations between Employer and the Association; the establishment of equitable and peaceful procedures for the work and other conditions of employment, whether such employees are of provisional or permanent status.

ARTICLE I - RECOGNITION

The Employer recognizes the Association as the bargaining agent for purposes of establishing salaries, wages, hours, and other conditions of employment for all of its employees in the classifications listed herein, and for such additional classifications as the parties may later agree to include. This recognition, however, shall not be interpreted as having the effect of or in any way abrogating the rights of employees as established under Ch. 303, P.L. 1968, as amended. This Agreement shall include the following supervisory personnel titles: Sergeants and Lieutenants.

D. In the absence of a Lieutenant, the senior Sergeant on duty shall be entitled to be compensated at the rate of Lieutenant for all hours in excess of twenty-four (24) hours per calendar year.

E. Effective 2021, all Administrative Supervisors shall receive an annual lump sum stipend of \$2,500, payable in the first pay period in December.

ARTICLE III - UNIFORM ALLOWANCE

A. The parties expressly recognize that it is the Employer's exclusive and unilateral right to determine whether any or all of its officers shall be required to wear uniforms or adhere to other dress requirements. Inspections may be conducted by the Jail Administrator or his designee to ensure compliance. All superior officers shall maintain and wear the proper uniform for superior officers as prescribed herein. Any and all new dress requirements shall be in writing prior to enforcement.

B. An inventory of available uniforms and equipment shall be maintained by the Jail Administrator or his designee and shall be checked prior to submitting a purchase order for new officers.

C. Burlington County agrees to provide the initial issue of uniforms to all new officers in this unit as follows:

2. For the purposes of Par. D., below, the County shall permit the Clothing Allowance to be used for the following items:

Employees may submit dry cleaning receipts on a biannual basis as determined by the Warden. Effective January 1, 2023, the above July 1st reference shall be replaced with January 1st of each contract year. By agreement of the Parties, the difference between the old Contract amount of \$800 and the new Contract amount of \$1,000 (\$200 per year) for 2019, 2020 and 2021 (three years - \$600) shall be accounted for by adding \$300 per year for years 2022 and 2023 only; such that each officer's allowance shall be \$1,300 for 2022 and \$1,300 for 2023.
2. The lump sum payments made under sub-paragraph 1 of this section are intended by the parties to be utilized by the officer for replacement and maintenance of uniforms. It is the officer's sole responsibility to insure he/she reports to work in a proper uniform in compliance with applicable administrative directions, policies/procedures and codes. Failure of the officer to report to work in a proper uniform will result in appropriate discipline.
3. Any officer who takes an approved leave of absence without pay shall be entitled to the uniform allowance specified in this Article on a prorated basis for actual time worked.
4. Any officer who takes an approved leave of absence without pay shall be entitled to the difference between the contractual allowance specified in this Article, less applicable taxes and the prorated amount received pursuant to the above paragraph, provided he/she submits true and accurate receipts/vouchers reflecting the purchase of uniforms or equipment as specified in the Jail's regulations within a reasonable time, not to exceed six (6) weeks after his/her return from approved leave of absence.
5. Officers who leave the employ of the County during the calendar year in which the allowance was paid, shall reimburse the County the full amount of the uniform allowance paid in that calendar year less any amount spent on uniform replacement and maintenance prior to the date of separation from service. No credit shall be given to an employee for this purpose unless a receipt is provided to the County.
6. If the County decides to change the style of the uniform, the County agrees to

provide each officer with a complete set of uniforms pursuant to Paragraph C above.

7. Personal items destroyed or damaged by inmate contact while in the performance of duties shall be replaced or repaired by the County. Reimbursement shall be made to the officer based on voucher submission and proof of loss. Personal items are limited to prescription lenses, dentures, wedding bands, engagement rings, and watches not issued but worn or carried by an officer in the performance of duties. Reimbursement of watches shall be limited to \$50.
8. The Jail Administrator at his sole discretion shall designate which position(s) is appropriate for the wearing of Battle Dress Uniforms. Said employee shall then be eligible for coverage under the COBRA regulations. Upon returning to work, coverage will be reinstated effective the first of the month following the date of return.

C. At the beginning of each enrollment period, permanent employees shall have the option to enroll in a contributory life insurance plan under which the Employer shall provide a \$5,000 life policy, premiums for the first \$1,000 of which shall be paid by the Employer. Premiums for the remaining \$4,000 coverage shall be paid by the employee through the payroll deduction plan.

D. During the term of this Agreement, there shall be no change in the Medical Insurance Program or any type of insurance presently maintained and paid for by the Employer on behalf of the employees shown above. However, this shall not prevent the Employer from substituting new and equivalent or more beneficial plans for the ones now in effect.

E. Dental

1. The employer shall pay for and provide an 80/20 family dental plan for preventive, diagnostic, and basic benefits.

2. The family program of dental care shall include orthodontics for children only and prosthodontics. Employees' eligibility shall be determined in accordance with Paragraph A of this Article.

Employees who at the end of the calendar year have been paid more sick time than earned shall have the excess payment deducted from their last paycheck. Employees who leave the employ of the County prior to the end of the calendar year and who have been paid more sick time than actually earned shall similarly reimburse the County.*

J. An employee who does not expect to report for work because of personal illness or for any of the reasons included in the definition of sick leave set forth above shall notify his immediate supervisor by telephone or personal message two (2) hours prior to the normal starting time or he shall suffer loss of pay for the absence. It is agreed, however, that the aforesaid two (2) hours notice requirement may be waived in the event of a bona fide emergency.

ARTICLE VII - FAMILY LEAVE

C. Employees on leave of absence pursuant to Paragraph B herein, shall have the option to utilize earned sick, vacation, holiday and personal leave time while on said disability leave. Said payment shall be charged against the employees' accumulated leave on a pro-rata basis.

1. Notwithstanding any language in this Article to the contrary, an employee who hasn't yet been determined to be eligible to receive Workers' Compensation benefits may elect to draw on earned sick, vacation, holiday, and personal leave time. At such time as the employees determined to be eligible for Workers' Compensation wage benefits, the employee shall be placed on a leave of absence pursuant to Paragraph B of this Article and appropriate adjustments shall be made to reduce the salary payments made by the County, under this option, to the difference between the employees' normal pay and the Workers' Compensation wage received. Notwithstanding any terms to the contrary in Paragraph C above, an employee who is injured while acting in the proper and lawful performance or activity of an inmate or prisoner shall be entitled to a leave of absence in accordance with the terms of Paragraph B herein, and such leave shall be granted with pay for the period of disability or up to one (1) full year whichever is less. In the event the employee is determined to be eligible for Workers' Compensation wage benefits, such pay shall not be in addition to any such benefits and the employee shall be obligated to assign to the County any such benefits which are received as a condition of receiving the wage payments set forth herein. The benefits provided for under this paragraph shall not be applicable to, and specifically exclude any inmate prisoner related incidents which occur prior to the execution of this Agreement.

1. Eligibility Determination: Whether or not an employee is deemed to be eligible for the benefits provided for under Paragraph D of this Article shall be determined in accordance with the procedure set forth as follows:
 - a. Upon the occurrence of an inmate/prisoner related incident which results in any injury believed by the employee to be covered by the provision of this Paragraph D, the employee shall submit to the Jail Administrator a medical certificate from the employee's treating physician certifying that the employees' disability is the result of a work-related injury or illness. The Jail Administrator shall have the right to require the employee to be evaluated by the County's treating physician pursuant to the provisions of Paragraph E of this Article.
 - b. If, after the requirements set forth under sub-Paragraph D(1)(a) are fulfilled by the employee, a dispute develops as to whether or not the employees' disability was a result of a work-related injury or illness, said dispute shall be resolved in accordance with procedures as provided under the New Jersey Workers' Compensation Law and the employee shall not be eligible for the benefits set forth under this Paragraph D until such dispute is resolved.
 - c. If the County does not dispute that the employees' disability is work related, but a dispute develops as to whether or not the disability resulted from injuries suffered by an employee while acting in the proper and lawful performance of his duties as a result of the direct action, effort, interference, or activity of an inmate or prisoner, the Association shall have twenty (20) working days from the date of notice of such dispute to submit the same directly to binding arbitration through the Public Employment Relations Commission, with the cost thereof to be borne equally by the Employer and the Association.
 - d. During the resolution of any disputes under Subsections 1(a) and (b) above, an employee may elect to draw on benefits available under Paragraph C of this article.
- E. Medical Verification: To the extent permitted under the New Jersey Workers' Compensation Law, the Jail Administrator may require that an employee receiving benefits under this Article provide adequate and acceptable certification from the County's treating physician as to the nature of the condition, injury, illness, or other disability from performance of duties and treatment thereof and such demand for certification may be repeated on a reasonable periodic basis during the period of disability to the extent permitted by the New Jersey Workers' Compensation Law.
- F. Employees returning from an authorized leave of absence as set forth in Paragraph B, C, and D above shall be restored to their original job classification at the appropriate rate of pay with no loss of seniority, sick days, or other employee rights, privileges, and benefits

except as modified above.
