When an Officer is scheduled to be on vacation, in accordance with the present practice of vacation scheduling, and the member's scheduled days off proceed or follow the scheduled vacation, the officer will not moved to work his scheduled days off, unless he has previously agreed in writing.

ARTICLE VII

Section 2.

Whenever an employee is called to duty during his regularly scheduled time off, he shall receive a minimum of three (3) hours of overtime. Overtime worked beyond the three (3) hours will be paid at one and one-half ($1\frac{1}{2}$) hours. This rate of overtime shall apply to breathalyzer trained officers, prisoner transports, bilingual officers, crime scenes, accident scenes, any major emergency requiring an officer's response, and other services in which overtime has been paid consistent with past practice. (This rate shall not apply to officers called or ordered to cover another officer's sick leave). Time spent in training shall be computed from portal to portal.

than 100 hours compensatory time. At the Borough's sole option, it may buy back compensatory time at the end of each calendar year so as to reduce the officers' accrued compensatory time by up to fifty (50) hours while, at the same time, leaving the officers' compensatory time balance no lower than 50 hours.

Accumulated compensatory time may be carried over from one calendar year to the next.

Both employees involved will forward a jointly signed Transfer of Compensatory Time (

TCT) request to the Chief of Police/Public Safety Director or his designee for approval. The requesting employee will have the corresponding number of hours deducted from his accumulated COMPENSATORY TIME and same will be transferred to the accumulated Compensatory Time of the employee who agrees to work the requesting employee's shift.

- a. Any employee covered under this Agreement may have the option of requesting any accumulated transferred compensatory time transferred to pay.
- b. TCT will be on an hour for hour basis only.

Section 7.

Should a police officer request to utilize compensatory time, and, at the time of said request, the use of such time creates the necessity of the Police Department to pay overtime, the officer utilizing compensatory time shall be charged 12 hours compensatory time in the Department to fill vacated shifts by paying overtime. If no officer volunteers to work the vacated shift caused by the offices request to utilize compensatory time, the request for compensatory time off will be denied.
