(4) Out of these contacts may come questions concerning the actions of the members of the force.

(5) These questions may require investigation by Supervisory Officers designated by the Chief of Police and the Governing Body.

RE: BOROUGH ORDINANCE NO. 7509

Dear Sergeant Whiting:

Councilman Arthur Goldstein, at our last Council meeting, requested the Council to reconsider our present sick-day Ordinance.

I advised him at that time that any consideration of this Ordinance would have to be done in conjunction with negotiations with the Police Negotiation Committee since the Council had agreed that there would be no changes in regard to any benefits or conditions involving our police department without such negotiations. In addition, this consideration of a change in the Ordinance is solely, at this point, Councilman Goldstein's suggestion and I have serious thoughts as to whether or not first, there should be such a change; and, second, if there was such a change, whether or not it should affect our police department.

I am enclosing herewith a copy of the proposed Ordinance so that you can review same. I would then ask you to contact me concerning a meeting which would be held some time after our next Council meeting on July 14th. It is not the intention of the Council at this time to discuss the matter at that meeting.

Yours truly,

ECC:mc

cc Chief Jack Murphy.

BERGEN COUNTY, NEW JERSEY

ORDINANCE 8820

AN ORDINANCE AMENDING AND MODIFYING ORDINANCE 8201, ENTITLED "AN ORDINANCE PROVIDING FOR DEFENSE AND INDEMNIFICATION OF MUNICIPAL OFFICIALS AND EMPLOYEES."

WHEREAS, a recent amendment of N.J.S.A. 59:10-4 allows municipalities to adopt legislation indemnifying their officials and employees for punitive or exemplary damages under certain conditions; and

WHEREAS, it is the desire of the Mayor and Council to afford to its officials and employees such coverage;

NOW THEREFORE, BE IT ORDAINED as follows:

SECTION I. Ordinance No. 8201 entitled "Defense and Indemnification of Municipal Officials and Employees", be and is hereby modified and amended as follows:

A. Section III of Ordinance 8201 is hereby modified and amended so the same shall hereinafter read as follows:

"Defense of Civil Actions. Whenever any civil proceeding has been brought against any official or employee of the Borough for any action or omission within the scope of the performance of the duties of such office, position, or employment, the Borough upon request, shall defray all costs of defending such action, including reasonable counsel fees and expenses, together with costs of appeal, if any. The official or employee may be indemnified for all such costs of defense resulting from the official's or employee's civil violation of State or Federal law, if, in the opinion of the governing body, the acts committed by the official or employee upon which the claims are based did not constitute actual fraud, actual malice, willful misconduct or an intentional wrong."

B. Section IV of Ordinance 8201 is hereby modified and amended so that same shall hereinafter read as follows:

Payment of Claims. The Borough shall indemnify and save harmless each official or employee from financial loss resulting from any action described above in this section, including claims, losses, expenses, judgment, attorney's fees, court costs, and expert or technical witness fees, and any amount paid in settlement thereof and actually and reasonably incurred in connection therewith to the extent permitted by law. Expenses so incurred may be paid in advance of final disposition of the action.

In addition to the foregoing, the official or employee may be indemnified for exemplary or punitive damages resulting from the official's or employee's civil violation of State or Federal law if, in the opinion of the governing body, the acts committed by the official or employee upon which such damages are based did not constitute actual fraud, actual malice, willful misconduct or an intentional wrong."

SECTION II. All parts, portions and provisions of Ordinance 8201 not consistent with the terms of this Ordinance are hereby ratified and confirmed.

SECTION III. The terms of this Ordinance are hereby declared severable. Should any part, portion or provision of this Ordinance be deemed invalid or unconstitutional, said determination shall not affect any other part, portion or provision not held to be invalid.

SECTION IV. This Ordinance shall take effect immediately upon final passage according to law.

UNIFORM TRANSITION ORDER

September 30, 2009

To: All Personnel
From: Chief Thomas Bauernschmidt
Subject: Change Over For Long and Short Sleeve Shirts

The new procedure for the change over for long and short sleeve shirts shall be as follows:

- October and April will be designated as transition months.
- The 1st Day of November and May the change over will be complete
- Officers are to have both a long sleeve and short sleeve shirt cleaned and available in their locker.
- Temperature and weather conditions are to be the determining factors on which shirt is to be worn.
- Tour Commanders are responsible for the decision on what the uniform of the day will be and can only be overturned by the Deputy Chief or Chief.
- Tour Commanders in making their decision are expected to show and will be held responsible for:
 1. Professionalism
 2. Common Sense
 3. Consistency

In the case of an Officer having to stay to cover a short shift, for instance, if an Officer working the day tour is wearing a short sleeve shirt and has to stay over into the swing shift and they are wearing long sleeve shirts...then that officer working the overlap has two options:

1. Change into a long sleeve shirt
2. Put a tie or turtle neck on and wear the uniform jacket.

Note: This only applies to Officers having to stay over to cover the next shift.

In the case of an Officer coming in early, for instance, if an Officer has to come in at 0300hrs and is wearing a long sleeve shirt and the day tour decides that it's going to be warm and the decision is made for the short sleeve shirt then the Officer that came in early has no choice but to change over to the short sleeve shirt for his day tour. This also would be the same for a swing shift Officer coming early.

This procedure is on a trial basis. If a decision is made that shows a lack of professional responsibility, common sense or is made because of peer pressure then this policy will be revisited and restrictions applied.

Although some Officers will be inconvenienced with this procedure, the object is to allow for a more comfortable working atmosphere. I have believed that just because a certain date has arrived doesn't necessarily mean that the weather has completed its change.

APPENDIX G
ELIMINATION OF POSITION OF DEPUTY CHIEF OF POLICE

- (1) It is hereby agreed that the position of Deputy Police Chief shall be eliminated at such time as there becomes a vacancy in same either by resignation, retirement, death or disability or any other cause for severance."
- (2) The parties agree to the municipality amending Ordinance 2-13.4.1 as follows:

"The position of Deputy Chief of Police shall be eliminated as of the vacancy of said office by the present Deputy Chief Michael McMorrow either by resignation, retirement, death or disability or any other cause for severance."
- (3) The Borough agrees that the elimination of the Position of Deputy Chief of Police will not result in a decrease in the number of officers currently employed by the Borough of Englewood Cliffs.
