RE: OPRA Request

To whom it may concern:

Please be advised that attached are copies of the email records you requested.

After I reviewed the records, along with the Township Attorney, it was determined that certain redactions were required to be made to the documents. The four exceptions that apply to the redactions made within the documents are as follows under N.J.S.A. 47:1A-1.1:

1. Inter-agency or intra-agency advisory, consultative or deliberative materials
2. Records within the attorney-client privilege
3. Information which is a communication between a public agency and its insurance carrier, administrative service organization or risk management office
4. Information which, if disclosed, would give an advantage to competitors or bidders

Please feel free to contact me with any questions of concerns.

Sincerely,

Jamey Eggers, Municipal Clerk
