145. Crash Description/Narrative

Driver of V1 stated they were in traffic in the middle lane waiting for the red light at the Intersection of Goldsborough Dr/Route 440. The vehicle in front of them went into the left turn lane due to space available. Driver of V1 then honked their horn for V2 to do the same since there was less traffic in that lane. When V2 did not move, V1 attempted to go into the lane and Driver of V1 explains that is when V2 moved causing the collision.

Driver of V2 stated they were stopped at the red light at the same intersection. They were in the middle lane and observed V1 behind them attempt to go around to enter the left lane. Driver of V2 explained while they were stopped, they saw V1 strike the side of V2.
