Prodigious Taxpayer

Dear Requestor,

We received your Open Public Records Act ("OPRA") request dated **October 29, 2025** on **October 29, 2025**. As such, the seven (7) business day deadline to respond to your request is **November 7, 2025**. We are providing you with a response to the **Paramus Police Department** items in your request in a timely manner in accordance with New Jersey Law. All requests for body worn camera, dash camera & interview will be responded to by the **Digital Redaction Unit**.

This request sought access to the following re: traffic enforcement, vehicle thefts, vehicle pursuits/chases between 10/15/2024 and 10/15/2025

With regard to CAD, operations reports, investigation reports, arrest reports

Response: Please find records responsive

Redactions have been made to remove the following:

date of birth, social security number, address, phone number, driver's license number, VIN, SBI, FBI;

N.J.S.A. 47:1A-1 provides that "a public agency has a responsibility and an obligation to safeguard from public access a citizen's personal information with which it has been entrusted when disclosure thereof would violate the citizen's reasonable expectation of privacy." N.J.S.A. 47:1A-9.b allows exemptions from disclosure any grant of confidentiality established or recognized by the Constitution of this State, statute, court rule or judicial case law, to apply to OPRA.

information relating to a person's medical, psychiatric, or psychological history, treatment, or evaluation:

Executive Order No. 26 exempts from disclosure "information relating to medical, psychiatric or psychological history, diagnosis treatment or evaluation." See also Rivera v. Town of West New York, GRC Complaint No. 2010-208 (Feb. 2013) (upholding exemption of medical information under Executive Order No. 26)

Narratives;

N.J.S.A. 47:1-1.1, Janeczko, GRC 2002-79, 2002-80, and Nance v. Scotch Plains Twp. Police Dep't, GRC Complaint No. 2003-125 (January 2005) (holding that police incident reports, continuation reports, and property and evidence reports are criminal investigatory records as defined by N.J.S.A. 47:1-1.1, and are therefore exempt from disclosure)

juvenile information;

N.J.S.A. 2A:4A-60

Security & Surveillance information

pursuant to N.J.S.A 471A-1.1

Arrest Report redactions

pursuant to N.J.S.A 47:1A-3(b)

With regard to dispatch recordings, vehicle reports

Response: This request seeks information or asks questions and does not identify specific government records. **As such, this request is overbroad and is denied.** When a request is "complex" because it fails to specifically identify the documents sought, then that request is not "encompassed" by OPRA. See New Jersey Builders Association v. New Jersey Council on Affordable Housing, 390 N.J.Super. 166, 180 (App. Div. 2007). A proper request under OPRA must identify with reasonable clarity those documents that are desired, and a party cannot satisfy this requirement by simply requesting all of an agency's documents. See Bent v. Stafford Police Department, 381 N.J.Super. 30, 37 (App. Div. 2005). Custodians are not required to conduct research or create new records in response to an OPRA request.

With regard to police journal entry records, incident reports, records of warnings, copies written warnings, documentation of verbal warning, tickets issued, summonses issued, charge sheets

Response: Denied - No records responsive (Please be advised we are unable to search for citations/tickets/summonses by location only)

Your OPRA request is now deemed answered and closed. If we can be of any further assistance please feel free to contact us at 201-262-3400.
